IHE Testing and Tools Committee
Teleconference
2017-08-15

Attendees

- Matt Blackmon
- Chris Carr
- Didi Davis
- Jamie Kontos
- Steve Moore

Minutes

1. Review prior meeting minutes:
    a. Apr. 17, 2017
    b. May 1, 2017
    c. May 15, 2017
    d. June 5, 2017

2. Tool Development Coordination
    a. Segregation of results for multiple SUTs for Conformity Assessment testing
        i. Bill/NIST has developed baseline list of requirements in his wiki
        ii. Sequoia considering contracting for work; awaiting scope definition from Kereval
    b. Bill's team working on FHIR server integration with toolkit and workflow toolset for delivery in mid-July
    c. How do the pieces of the CAS VM fit together?
        i. Need architecture diagrams and roadmaps in order to coordinate work going forward.
        ii. **Action**: Chris will reach out to Kereval and IHE Europe to request documentation and discussion.

3. Coordination of FHIR-based profiling
    a. Need discussion with FHIR team and IHE FHIR experts: Graham Grieve, Wayne Kubick, Elliot Silver, Laura Heermann Langford, Emma Jones, Amit Popat
        i. Use HSI quarters?
        ii. **Action**: Chris to propose to Tiger Team set up meeting. Discuss on HSI call 8/25.

4. General Overview of IHE Testing Programs

5. Next Meeting: Scheduled for Tuesday, Sept. 5, 8:30-10:00 am CDT.
