About Us

One Touch Innovations is a newly established, independent exterior finishes and home improvements company based in Harare carrying out work in the southern hemisphere of Africa.

While being new in the industry we have built a wealth of experience working with the top establishments. We range from all kinds of projects from small scale (Houses) to large scale (offices , lodges and hotels) With services that provide a unique and durable experience to our customers.

We work with seasoned professionals to ensure every job is done to the level that is marketed.
