

Love Mercy Do Justice (LMDJ) at Arvada Covenant Church

Raising Our Awareness

We continue to be challenged individually and collectively in our awareness by hearing perspectives and stories from Black, Indigenous, and People of Color (BIPOC) individuals. This can be done through reading other books, listening to podcasts, following on social media, watching movies/tv shows, etc. that have been produced/authored/led by people of color.

Book Studies we've hosted at ACC:

[The Color of Compromise](#) – by Dr. Jemar Tisby
