

SUPPLY LIST FOR SIXTH GRADE STUDENTS

2026-2027

Sixth grade is an exciting year! You will have several different teachers and new classes, and you will build your independence as you meet high expectations. Students and families are encouraged to purchase the materials listed below, and it will be helpful that students have many of the items with them on the first day of school. Throughout the year, some of these materials may need to be replenished.
