15-21 National FFA Week

In anticipation of potential school closures due to significant winter precipitation forecasted for Tuesday, Chelsea High School students have been provided with assignments for all courses. These assignments are to be completed and submitted upon the resumption of in-person instruction. This contingency plan will utilize virtual learning in place of traditional snow days, accounting for two instructional days. In the event parent-teacher conferences are cancelled, they will be rescheduled.

**It's a great day to be a Dragon!!**
