

Mungret St Pauls Camogie Club Notes

9/07/2024

U15 Limerick Camogie:

Well done to our U15 Limerick Camogie county players Aoife Boyce, Abbey Nealon and Roisin O'Neill, who were part of the squads who welcomed Waterford and Tipperary to Cappamore on Saturday for the final round round robin games.

Great to see club representation at county level - some great competitive matches on the day - well done all involved!

U13 A County Semi Final:

We are delighted to see our U13 A team reach the county semi final after qualifying out of a very strong group against Newcastlewest Camogie Killeedy Camogie Club & Granagh Ballingarry Camogie Club

We now take on neighbours Ballybrown Camogie Club in the semi at home on Monday night.

Well done to the team so far led by Captains in the following order:

- 1) Sadhbh Hanley
- 2) Sophie Lynch

3 Alannah Robertson

U16 League Final:

Tuesday night our U16s travelled to Bruree for the league final - and although it wasn't their night on the pitch, they weren't long bouncing back when they congregated at The Hungry Lyons afterwards alongside management & family for a bite to eat.

There were plenty of chats, birthday celebrations (happy birthday Rachel W!) and a perfectly coordinated (thanks to Captain Niamh Stackpoole) team picture

"Teams that don't bond, don't learn" - and they certainly did both that last night.

We were also delighted to see THREE sets of sisters* (Hanleys, O'Neills & Nealons) don the red and white of #MSPCamogie together last night on the pitch!

(*We don't know how well they get on at home, but they put on a united front for the 10 seconds it took to take this picture!) 😊

Thanks to Referee John O'Donnell for a great job on the whistle)
