Form must be submitted to the Counseling Office with all signatures by May 23, 2025.

Please read the following information. Your signature indicates your full understanding of this Athletic PE Exemption.

- Only juniors and seniors for the following school year can apply for an Athletic PE Exemption.
- A student must be enrolled in 6 academic classes.
- By signing this form, you are accepting the responsibility to fully participate in your sport for the entire season. If you cease to be a member of a D99 athletic team, you must notify your counselor.
- Seniors who do not fulfill the Athletic PE Exemption requirements during the 2nd semester may be placed in a PE class and be required to earn the semester course credit. If a student decides not to go out for the team, quits during the season, or is removed from the team, may be placed in a PE.
- Students whose season consists of 12 weeks or more of a semester will not be required to register for a PE course. Students who participate in a school-required extended season or join an additional Varsity sport that extends the exemption may not be eligible to earn course credit. This determination will be made by the school counselor, PE Teacher, Department Chair of Physical Education, Health and Driver Education and the Associate Principal for Student Support Services.
- Students whose exemption is for less than 12 weeks will be required to register for a PE course. If you cease to participate in the sport, you are required to stay in/return to PE class.

Pass/Fail ("P" or "F") Option (P grades do not factor into a student's GPA, F grades factor into a student's GPA)
Students whose season is 12 weeks or less will be required to enroll in a PE course and attend PE class for the weeks that they are not "in season." PE class Pass/Fail requirements include:

- Student will not be required to make up content during which time the student is exempt.
- Student will be required to attend class daily and complete all coursework when not in-season.
- Student will not be required to take the final exam.
- Student will receive a grade of 100% for the time in which the student was exempt.

Letter Grade Option: (Letter grades factor into a student's GPA)
Students whose season is 12 weeks or less will be required to enroll in a PE course and attend PE class for the weeks that they are not "in season." A student whose season is 12 weeks or less may elect to earn a letter grade. Letter grade requirements include:

- Student will not be required to submit written work during the time in which the student was exempt.
- Student will be required to attend class daily and complete all course work when not exempt.
- Student will be required to take the final exam.
- Student will receive a grade of 100% for the time in which the student was exempt.

_____My season spans 12 weeks or less and I elect for a **Letter Grade or Pass/Fail Grade (circle one).**
