Novice

**School/Organization's name:**

York Community High School

**School/Organization's address:**

355 W. St. Charles Road, Elmhurst, IL 60559

**Teacher's Name:**

Yi Hua Chou

Students first practiced talking about their favorite animals with their partner. After 2 minutes of practicing, two students were randomly selected to come to the front to have a 1-minute conversation about their favorite animals. Teacher set the timer and students are required to talk at least one minute. The audience were later asked about the content of the dialogue such as what is the girl's/ boy's favorite animal and why
