

People Should Not Litter

By: Maddie Wiley

Do not litter!! This essay will tell you why you should not litter. People have done many good things in the world but littering is Not a good thing. People litter all the time but just think if people do not stop littering how the world will look like. If you litter you are not being responsible. If you litter you could harm animals. If you litter it could make the town smell bad. Now you can see you should not litter.

You are not being a responsible person. An example of why you are not being responsible is, you are not being a good person if you litter. Another reason is, if other people see you litter they might litter too. One more reason why you are not being a responsible person is, if a kid sees you littering they could think it is ok to litter. For example, the time I saw a kid walking with his mom and the kid saw a man throwing a bag on the ground and I think the kid was thinking it is ok to litter. As you can see if you litter you are not being a responsible person.

If you litter it could harm animals. One reason why you can harm animals if you litter is, It could harm animals because a animal could get trapped in the trash. For example, the time I saw a cat and the cat was digging in the trash and I saw a cup on its head and the cat could not see. Next, The animals might think the trash is food. Another reason why littering can harm animals is, it can poison their environment with trash. All in all, if you litter it could harm animals.

one more reason why you should not litter is, it could make the town smell. To start, the litter smells. Next, food litter smells as it breaks down. For example, the time I was going for a walk I saw a apple the apple was on the ground and it was rotten it smelled so bad. All in all, now you can see if you litter it can make the town smell.

As you can see people should not litter. If you litter you are not being responsible also if you litter it could harm animals to sum it up it could make the town smell. As you can see you should not litter.
