

Lavender Essential Oil

Uncover the secrets of nature's most calming herb with our Lavender Organic Essential Oil. This pure, therapeutic oil is derived from the *Lavandula angustifolia* shrub, widely known as "True Lavender," and offers a wide range of benefits for your skin, hair, and overall well-being. Revered for its signature sweet, floral aroma, our Lavender Organic Essential Oil is a wonderful choice for anyone seeking serenity and balance in their life.

Lavender Organic Essential Oil is rich in linalool and linalyl acetate — two compounds celebrated for their soothing, calming effects — while being relatively low in camphor, ensuring a gentle yet potent experience.

Our Lavender Organic Essential Oil is carefully steam-distilled to preserve its purity, and is free from synthetic pesticides, herbicides, and GMOs. Whether you're looking to relax, rejuvenate your skin, or add a touch of luxury to your wellness routine or products, this oil brings you nature's finest.

Botanical Name: *Lavandula angustifolia*

Plant Part: Flowers

Main Constituents: Linalool: 25-45%, Linalyl acetate: 20-40%, Camphor: Max 0.6%

Origin: Bulgaria

Processing Method: Steam Distillation

Color/Consistency: A thin, clear, colorless to pale yellow liquid.

Aromatic Summary / Note / Strength of Aroma: A top note with a strong aroma, Lavender Organic Essential Oil has a rich floral scent that is somewhat fruitier, mellow, and less camphoraceous than Lavender 40/42. It smells more like fresh lavender.

Blends With: Bay, Bergamot, Chamomile, Clary Sage, Geranium, Jasmine, Lemon, Mandarin, Orange, Palmarosa, Patchouli, Pine, Thyme, Rosemary, Rosewood, and Ylang-ylang.

BENEFITS

100% Organic Lavender: Our Lavender Organic Essential Oil is sourced from the finest organic plants, ensuring purity and potency. It is free from synthetic additives, pesticides, and GMOs.

An Exquisite Bouquet: The scent of fresh lavender greets you the moment you open the bottle. Lavender Organic Essential Oil has a soft, flowery, and elegant fragrance that is clean and soothing.

Natural Relaxant: Lavender has natural calming effects, making it an ideal choice for promoting relaxation. Diffuse prior to meditation, yoga, or before bed to create a serene atmosphere.

Skin Care Elixir: Lavender oil is renowned for its skin-balancing properties. Add a few drops to your favorite carrier oil or moisturizer for a soothing and nourishing boost.

Lavish Locks: Along with being beneficial for the skin, Lavender Organic Oil can also add healthy shine and more manageability to hair. Incorporate it into a scalp massage or mix it with a leave-in conditioner for hair that is soft to the touch.

DIRECTIONS AND USES

- **Lux Lavender Soaps:** Elevate your soaps with the perfect touch of lavender. Add approximately 1-2% of Lavender Organic Essential Oil to your creations for a soothing, floral fragrance that lingers on the skin long after the lather.
- **Spa-Worthy Facials:** Enjoy a spa experience at home with a simple lavender-infused facial steam. Add 1-2% of Lavender Organic Essential Oil to a bowl of hot water, create a tent with a towel, and let the aromatic steam cleanse your face for a rejuvenating facial experience.
- **Lavender-Scented Locks:** Add a few drops (1-2%) of Lavender Organic Oil to your conditioner or create a hair rinse by mixing with water. Enjoy the natural shine and soothing aroma.
- **At-Home Spa Retreat:** Incorporate 8-10 drops (1-2%) of Lavender Oil into your bath for a luxurious and aromatic soak, promoting relaxation and unwinding.
- **Skin Soothers:** Give your skin a little TLC with lavender's gentle touch. Enhance your skin care routine by adding 1-2% of Lavender Organic Essential Oil to your creams, serums, or balms. When diluted with a carrier oil, it can help refresh and soothe, leaving your skin feeling nourished and calm.
- **Serenity Mist:** Set the mood for relaxation with just a few drops of lavender in the air. Add 1-2% of Lavender Organic Essential Oil to your diffuser for a calming, peaceful environment — perfect for de-stressing or creating a space to unwind.
- **Lavender Dream Perfumes:** Lavender's floral notes make it a dreamy addition to any perfume blend. Use 2-5% of Lavender Organic Essential Oil as a base note in your DIY perfumes for a clean, fresh, and calming fragrance that pairs beautifully with other essential oils like Bergamot or Jasmine.
- **Must-Have Massage:** Indulge in a soothing lavender-infused massage to melt away the day. Dilute 1-3% Lavender Organic Essential Oil in a carrier oil for a calming, aromatic experience.

- Fresh Linen Spritz: Refresh your linens with the soft, calming fragrance of lavender. Mix 2-3% of Lavender Organic Essential Oil with water in a spray bottle and spritz your sheets, towels, or pillows for a natural, non-toxic way to freshen up your space with a relaxing scent.
