

Pine Essential Oil

Step into the wilderness with Pine Scotch Essential Oil. Its bold, evergreen aroma fills your space with the earthy scent of pine trees, bringing an invigorating energy to your creations. Ideal for aromatherapy, skin care, hair care, and diffusions, this versatile oil helps clear the air, bringing the great outdoors inside. Let Pine Scotch invigorate your space and refresh your mind with every drop.

Botanical Name: *Pinus sylvestris*

Main Constituents: α -Pinene: 34.3%, Limonene: 16.6%, β -Pinene: 15.2%

Plant Part: Needles and Twigs

Origin: Hungary

Processing Method: Steam Distilled

Color/Consistency: A thin, colorless to pale yellow liquid.

Aromatic Summary / Note / Strength of Aroma: A top note with a strong aroma, Pine Scotch Essential Oil has a woody, evergreen scent similar to natural turpentine.

Blends Well With: Clary Sage, Coriander, Cypress, Eucalyptus, Juniper, Lavender, Myrrh, Rosemary, Spikenard, and Tea Tree.

BENEFITS

Like a Walk through the Forest: Pine Scotch Essential Oil offers a bold, evergreen aroma, reminiscent of fresh pine resin. It captures the crisp, woody scent of towering conifers, bringing you closer to nature with every breath.

Clear Away the Winter Blues: Perfect for the colder months, this oil helps purify stuffy indoor air, creating an inviting, open atmosphere. Energizing and uplifting, it promotes mental clarity and provides a burst of vitality to help you power through your day.

A Canvas for Creativity: Whether on its own, blended with citrus and florals, or serving as the base for your holiday creations, this pine oil is a versatile addition to any woody collection.

Good for Your Skin (and Spirit): Pine Scotch Essential Oil soothes dry skin, invigorates the scalp, and restores a natural glow, all while providing a lift for the soul with its fresh pine scent.

Rooted in Resilience: The Scotch Pine tree is revered for its ability to thrive in tough climates. Pine Scotch Essential Oil symbolizes the strength of this mighty tree, representing hope and protection — making it a thoughtful addition to your creations.

DIRECTIONS AND USES

- Soaps with a Wild Touch: Bring the fresh scent of the forest to your soap-making creations by blending in 3–5% of Pine Scotch Essential Oil. Perfect for nature lovers.
- Woodsy Candles: Create a cozy, inviting ambiance by mixing 3–5% of Pine Scotch Essential Oil into your candles. Let the soothing aroma set the mood and fill your space with the tranquility of nature.
- Forest-Fresh Atmosphere: Craving fresh air? Place 5–10 drops of Pine Scotch Essential Oil in your diffuser and enjoy the crisp, energizing scent. Ideal for meditation, spiritual practices, or simply refreshing the room.
- Nourish Skin, Naturally: For dry, irritated skin, dilute 1–2% of Pine Scotch Essential Oil with your favorite carrier oil or lotion. It promotes hydration, soothes irritation, and a natural, healthy glow. Be sure to patch test before full use.
- Refreshing Hair Care Routine: Add 0.5–1% of Pine Scotch Essential Oil to shampoo or conditioner for a revitalizing scalp treatment and a crisp, woody fragrance.
- Woodland Retreat Baths: Place a few drops of Pine Scotch Essential Oil into a hot steam bath to enjoy an aromatic experience that clears the mind and spirit.
- Grounding Massages: Blend 1–2% of Pine Scotch Essential Oil with a carrier oil and massage into sore muscles or tired skin. Its revitalizing properties, combined with the fresh scent of pine, offer a rejuvenating escape from daily stress.
- Pine Tree Potpourri: Add a few drops of Pine Scotch Essential Oil to potpourri to fill spaces with the fresh, earthy fragrance of the forest.
