— Gameplay Rules —

Hacking / Unfair Advantages:

Using unfair advantages / illegal modifications, this includes: Auto clickers, macros, scripts, hacked clients and more. AFK farming / F11 farming isn't allowed either. If you are unsure whether what you are using falls under this rule, please make a ticket.

- 1st Offence: 7 Day Ban + Island / Gang Strike (Management Discretion)
- 2nd Offence: 30 Day Ban
- 3rd Offence: Permanent Ban

Abusing bugs / glitches:

If you are found abusing a bug or a glitch or anything that gives you an unfair advantage, you will be punished. If you find a bug, please report it in a ticket and depending on the severity, you will be rewarded. Glitching into safe zones / epearl glitching or tping into the safezone at warp pvp counts as bug abuse.

- 1st Offence: Management Discretion

Duping:

If you are found abusing a dupe or telling other players how to dupe, you will be banned. If you find a dupe, please report it on Discord.

- 1st Offence: Permanent Ban + Gang / Island DQ

Crashing the server / Lag machines:

Intentionally lagging or crashing the server is disallowed and will result in a permanent ban.

- 1st Offence: Permanent Ban + Island / Gang Strike (Management Discretion)

You are not allowed to team / ally with other players in PvP.

- 1st Offence: 12 Hour Ban
- 2nd Offence: 1 Day Ban

IRL Trades:

You are not allowed to trade items for real life money, however buycraft deals are allowed (trading items for buycraft)

- 1st Offence: 7 Day Ban

Buycraft Scamming:

Buying someone an item in the store and then charging back to scam them, or getting someone to buy you something on the store and then not giving them the agreed upon item. Buying players items on the store and then charging back is also strictly prohibited.

- 1st Offence: Management Discretion

— Gang / Island Rules —

Insiding:

Once something is placed on the island, it belongs to the leader of that plot. Taking value or such without the permission of the leader is considered insiding and is punishable. You can appeal your punishment depending on the severity of the inside.

- 1st Offence: 7 Day Ban
- 2nd Offence: Permanent Ban

Merging:

You are not allowed to merge gangs or Islands, you are not allowed to bring over any value or items. If caught breaking this rule you will be punished accordingly.

- 1st Offence: Disqualification from Payouts

Island / Gang Boosting:

Boosting other gangs or islands / members in other gangs or islands is not allowed. This includes: giving them money, tokens, value or anything that could be used to boost their position on Gang / Island Top. You may not attempt to bypass this rule in any way.

- 1st Offence: Management Discretion*

Alt Islands / Gangs:

Any attempt to bypass the gang or island / roster limit is disallowed, you also may not create multiple cells or islands, you may only have 1 cell at a time.

- 1st Offence: Warning (for bypassing roster limit)
- 2nd Offence: Island / Cell Strike + Alt Island Disbanded

ACCOUNT SHARING IS NOT ALLOWED

- 1st Offence: Warning (for account sharing)
- 2nd Offence: + 2 Island / Gang Strikes
- 3rd Offence: Island / Cell DQ

Notice:

Attempting to bypass **Gang / Island Strikes or dq's is disallowed**. In addition, if a member from a disqualified gang / island leaves and joins yours, your gang / island will also be disqualified. Distributing items from a disqualified island will result in a perm ban and all islands involved being DQ'd.
