

Best Weekend Ever

I had a great weekend with my friends, Alex and Jo. We decided to do something fun to relax ourselves after a long school week.

On Saturday, we had a barbeque in Shek O. We brought so much food to the barbeque. There were fish balls, eggplants, marshmallows, sausages, and some pork. We also brought some drinks in case we felt thirsty. The food was so delicious that we couldn't stop eating!

After that, we cycled around Shek O to enjoy the breathtaking view. It felt very nice to get out of home and enjoy the beauty of nature. We took some pictures in the end. We all agreed to go cycling somewhere else next week.

On Sunday, we went to a sports centre in Shek Kip Mei. I wanted to play football, but Jo said that he didn't know how to play. He suggested playing badminton instead. We followed his idea.

It was such an exciting game. Alex and Jo were in a team, and I was in a team with a stranger I invited. We ended up winning the game! What a surprise! Alex and Jo said that I was lucky because it was the stranger who helped me won the game. I said that we could play again next weekend and have a fair competition.

I had such a fantastic weekend. I can't wait for the badminton game with Alex and Jo next week!
