

AP Hybrid Digital Exams

There are 12 exams that are hybrid digital for the 2026 exam season:

Biology	Calculus AB	Calculus BC
Chemistry	Macroeconomics	Microeconomics
Physics 1	Physics 2	Physics C: Electricity & Magnetism
Physics C: Mechanics	Precalculus	Statistics

- Section 1 - digital exam taken on the student's WCPSS Chromebook.
 - Students will test in the Bluebook app that has already been downloaded to their devices.
 - They turn the computer on and open the app; do not login to Wake ID.
 - Students only need to be connected to the internet to start the exam and at the end when they submit their responses.
 - If the internet drops during the exam, students can continue testing without disruption.
 - Students will have scrap paper to use with their pencils/pens for the exam.
- Section 2 - students use their Chromebook to read directions and the questions but write their answers in a free response booklet.
 - These booklets look similar to previous year booklets.
 - Students will add their AP ID label to the front cover.
 - Examples of these booklets can be viewed [here](#).

- Students will have access to online tools to help them with the exam (highlight, underline, notes, zoom, reference tools, etc).
