

Google Slides Project

Objective: Create a Google Slides Presentation that showcases who you are, and demonstrates your skills using Google Slides. Below are the project requirements and what you should have on each slide.

[Tutorials - click here](#)

Excellent Example - [Click Here](#)

Design Requirements:

- Title the Presentation “All About (Your Name)”
- Look at this example to see what it might look like: [CLICK HERE](#)
- Each slide must have transparent pictures
- Each slide must have objects arranged so that most of the space is filled
- Each slide must be creative and represent the student's personality in a visual style
- There must be a drop shadow effect on text somewhere. Watch this video tutorial to learn how:
<https://docs.google.com/file/d/0BxeTVZ4mO8srN29scUtqaTRRMHc/view>
- You must crop pics. Watch this video tutorial to learn how:
<https://docs.google.com/file/d/0BxeTVZ4mO8srTS1qc0xKX2dXTDQ/view>
- There must be word art. Watch this:
<https://docs.google.com/file/d/0BxeTVZ4mO8srd2Y5SlFuQS1XTWc/view>
- When you're done, you must share your work on the Google Classroom assignment or watch this video on how to share:
<https://drive.google.com/file/d/0BxeTVZ4mO8srQktOVHpYOEhaR1U/view>

Slide Requirements:

Slide 1 - Title Slide

- Title Slide that says “All About (Your Name)”
 - shadow effect on “all about” [click here for tutorial](#)

- Title Says “After High School I want to be...”
- 2 Photos of the career choice
 - with shade behind the photos
- 3 sentences explaining why you want to do that career

Slide 7 - You Choose Content

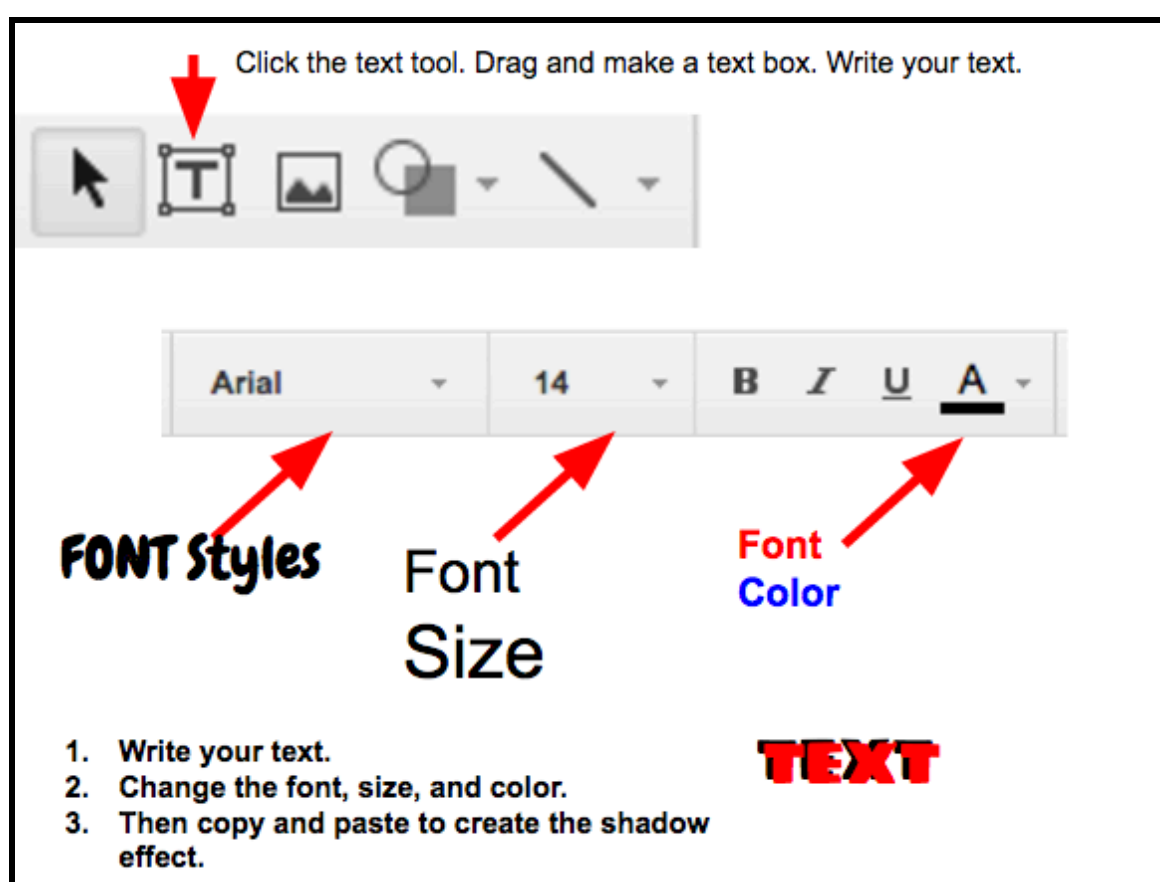

- must have title
- must have 2-3 photos

Slide 8 - You Choose Content

- must have title
- must have 2-3 photos

Quick Tutorials Below:

Shadow Effect

Click the text tool. Drag and make a text box. Write your text.

FONT Styles

Font Size

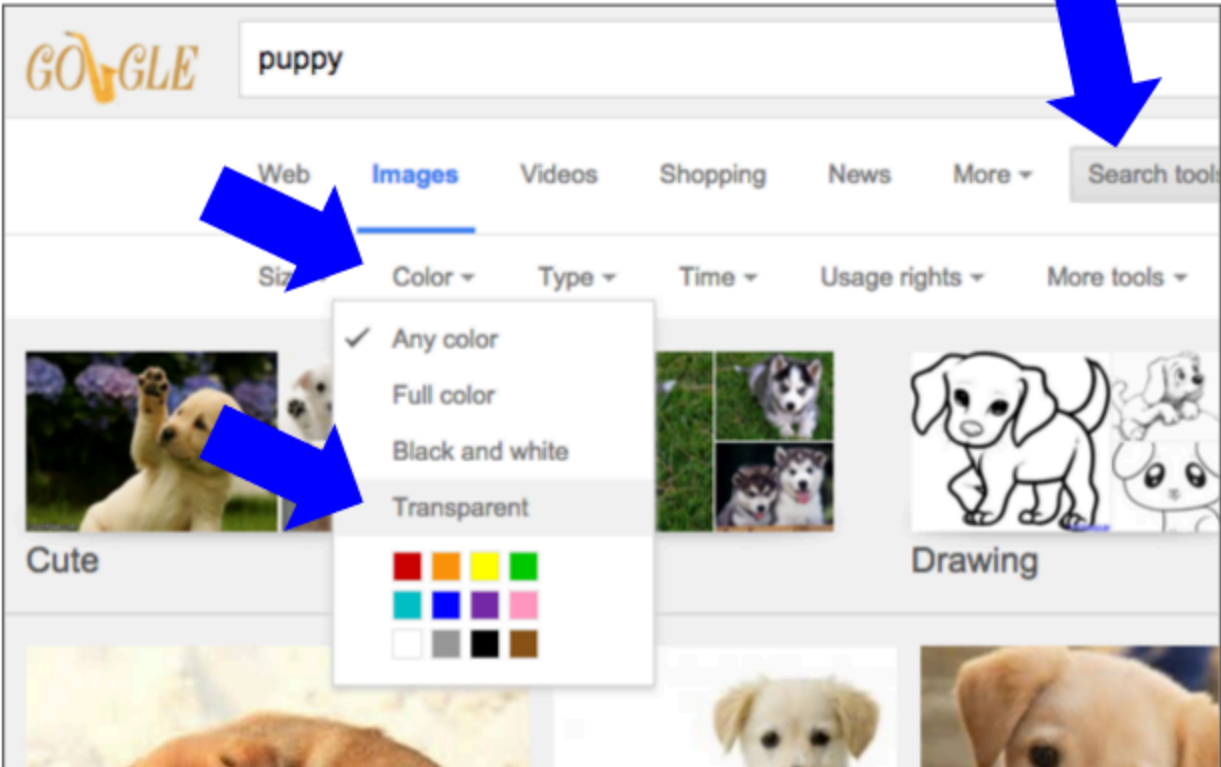

Font Color

TEXT

1. Write your text.
2. Change the font, size, and color.
3. Then copy and paste to create the shadow effect.

Always use Transparent Pics!

Step 1. Change the search settings to transparent

Step 2. Click the image you want. When you see the gray checkerboard pattern, you'll know it is a transparent pic. The right click to copy image. (if you're using a trackpad on the laptop, use two fingers and tap on the center of the picture to get to the menu)
