Activity: Athens/Sparta Acrostic & Travel Brochure

PART ONE: ACROSTIC

You are going to make “acrostics” of Athens OR Sparta. You may choose ONE other person to work with on this activity. You will both submit ONE acrostic and ONE travel brochure.

CONTENT

You are to demonstrate that you understand the basics of these two city-states. I am looking for words/phrases FROM OUR NOTES.

Be sure to include INFO from **ALL FOUR CATEGORIES:**

*Government
Education
Economy
Slaves/Women*

I want a “well-rounded” acrostic that covers all the key points we studied in class.

CREATIVITY

I want your acrostic to **LOOK GOOD!!** Your letters should be colorful, you should include pictures if possible. Give me a colorful representation of these two city-states.

PART TWO: Brochure

*Your task for this project is simple. Create a **tri-fold** brochure convincing the reader why your city-state is the best in all of Greece.*

As with the acrostic, include **all the important info we covered** in your notes, get creative, and make your brochure look good!
