<u>My Profile</u>	<u>My Family</u>
<p>I'm beyond thrilled that you are going to be in my class! My name is Alisa Humphreys, and I have been a teacher at Bear Canyon for 25 years if you can believe that! I have enjoyed teaching 4th, 5th, and 6th grades at BCE. I grew up in Pekin, Illinois and then attended The University of Iowa where I got my Elementary Education Degree. After college, I moved to Colorado and began substitute teaching at BCE. I have been here ever since! I received my master's degree in Curriculum and Instruction several years ago. My passion is teaching writing, and I look forward to seeing all of you grow as authors this year.</p>	<p>My husband, Doug Humphreys, is a principal at Eagle Ridge Elementary in Lone Tree. We met when he was also a teacher at Bear Canyon. We have two wonderful sons! Our oldest, Landen, is 19 and becoming a pilot which is very exciting. Brecken is our sixteen-year-old boy, and he will be a junior at Mountain Vista! He will also be taking fire science classes part time at Rock Canyon. We have an adorable, black lab named Dublin. I'm sure I'll have stories to share with you about him this year. :)</p> <p>I'm lucky enough to have my fourth grade twin niece & nephew, Lucas and Livia, attend BCE as well!</p>

Hobbies and Interests

In my free time, I enjoy taking pictures. I especially love black and white photography. Country music is an important part of my life, and one of my hobbies is going to as many Keith Urban concerts as I possibly can! I like to watch sports and we attend Denver sporting events. If a carnival is in town, you better believe I will be there! The more rides that spin the better! Cake decorating is a passion of mine, and I enjoy decorating unique birthday

A Few More Facts

My family really loves traveling when we can, and a trip we thoroughly enjoyed was Ireland. One of my favorite things to do in the summer is to go camping in the mountains with my family. I also enjoy taking my family out to dinner at fun restaurants, and we love going to movies with the reclining seats! We are spoiled, that's for sure!

A funny thing about me is that I don't like chocolate or desserts!! Yuck!

Final Thoughts

I can't wait for all of the fun times we have ahead of us! Be prepared to work very hard each and every day. Please know with hard work comes lots of fun, and it feels incredibly rewarding. I'll see you very soon.

Love,
Mrs. Humphreys
