Chad Botts, HS/MS Principal Taf Morphis, Elementary Principal

August 16, 2021

Parents and Guardians,

Because the number of students that are quarantining (due to close contact exposure) causes the absence rate to exceed 25% of the student body, Hulbert Middle School and High School students will be on Distance Learning through Thursday, August 19th.

The Middle School and the High School will be open to students again on Friday, August 20th. If your student has not picked up their chrome book, please contact the office to make arrangements. Please make sure your student is checking their school email and into Google classroom for their assignments.

Athletic teams will still be able to practice during their class time, if their student participants are not on the quarantine list.

The buses will continue to run for the Elementary School students, as that site has not been affected with quarantine absences.

Thank you for your cooperation in keeping students safe and schools open as we navigate through this difficult time.

Jolyn Choate
Superintendent
