Dear Dean and Chair Heads of UP CMu,

Greetings!

We are Jhon Carlo Laggui and Jared Clyde Javier from the Department of Composition and Theory and Keyboard. We are writing to respectfully request permission to use the **Camerata** for the general rehearsal **Thursday, September 24, 2026** from **6:00 PM to 7:00 PM** as well as the **actual performance of our freshie show** from **2:00 PM to 5:00 PM** for the performance on **Friday, 25, September 2026**. If the weather disrupts the event by September 24 and 25, 2026 for the general rehearsal and event proper venue, we kindly ask for an alternative to use the **AH Museum** for our back up venue during the week for the betterment of the event. To add, may we also use the rooms **AH 202 - 204 and AH 206 - 208** for the temporary practice room reservations dedicated and prioritized for the freshmen batch within the following QR Code? Also to add, we also request to borrow **sound tech equipment** as well as **2 guitar amplifiers, 1 keyboard amplifier, and 1 bass amplifier** along with **2 Upright Pianos** for the show to be possible for our program. Thank you so much for your

cooperation and understanding!

Yours truly,

Jhon Carlo Laggui and Jared Clyde Javier
