1, 2, 3, and the chandelier comes crashing down,

Soon, neon lights illuminate and flash around.

4, 5, and 6, the audience claps, spotlights come to shine on us,

Sit down, welcome, our theatre's ready - *the show starts, it's showtime!*

OH YEAHHHHHHH

Ta ra ta~ I dance and step to lead, over the line, move to the beat

Stop! Turn it all around ; my heart beats tick and tack

Wait! Cue and *action!*

7 and 8, up we go ; 9 and 10, and the pot is stirred

Let everything go, your worries are weak - Come one and all, showtime!

OH YEAH ?!?!?!?

Amp up, don't you stop moving ; amp up, focus now

Amp up, all that you've learnt ; amp up, I'll challenge it

Amp up, let's power up more ; *amp up*, keep your eyes on me

Amp up, kneel down before me now, look up at your —

Showtime ruler, ruler, ruler (it's showtime!)
Take you higher, higher, higher (it's showtime!)
Make you crazy, (crazy!) crazy, (crazy!) crazy over again!

(More showtime!) Ruler, ruler, ruler (it's showtime!)
(Take you—) Higher, higher, higher (it's showtime!)
Let me take your hand (your hand!) in mine (in mine!) let's go
To a world filled with dreams!

OH YEAH!!!!!!!!!!!!!!!!!!!!!!

Come on now, I want to hear that voice of yours
All the emotions that you know have burnt up
I felt them just the same as you — It's so strange, a new feeling
All the positive, sadness, and joy,
These are all what I've wanted

And now, I will never be alone ever again (Go crazy!)
Now once on my cue, (Go crazy!)
Glue your eyes on stage!
It's showtime, (showtime!) that's right, (that's right!) all now, come together as one

All these cheers that echo out to make a harmony
As they chant that this land is in the golden age
My sensibility that rumbles all throughout the stage
It comes together now, the crowd becomes lively

Tears drop, gain hold of your self-control
My emotions that I feel take up my soul
Now, my heart says get ready, we have no time
Heads spin as the curtains rise it's—
