Secondary Renovation Updates

Here are some reminders / updates on the renovation at the Secondary:

- The new padding has been added to the new Auxiliary Gym walls and we are getting the installation of all of the new mats in there closer to finished.
- 3 rooms were done early in the current phase, so we were able to move the 3 classrooms in the old Auxiliary Gym to other classrooms. This will allow the demolition of the Old Auxiliary Gym to take place ahead of the schedule.
- **On October 10 between 6 AM - 3 PM, there will be no parking or traffic allowed on the Secondary Campus to allow for paving of trenches around the campus parking lots and roadways and several crane lifts to lift large items from the roof and onto the roof from different locations around the campus. There is no school schedule for this day. The campus will be open for parking and driving after 3 PM for the evening activities.**

We will continue to provide updates throughout the renovation process. Your patience, understanding, and flexibility is greatly appreciated!

Updated Secondary Traffic Flow and Parking Starting October 14

On October 14, a fence (see illustration below for approximate location of the fence) will be installed around the work area where the Old Auxiliary Gym will be demolished for safety reasons. A portion of that fence will extend out into the nearby parking lot see picture below. Please see the [Secondary Traffic Flow and Parking \(2025-2026\) \(Starting October 14\)](#) to see the updated before and after school pathways.

Grade 7 Team Building Day

On Friday, September 26, our Students Leaders and Mentors (SLAM) hosted the 4th annual 7th grade team building day. They planned, prepared, and led 7th grade students in activities designed to enhance relationships and cultivate teamwork. Students created skits, participated in blindfolded drawing and obstacle courses, played pool noodle tag, competed in relay races, and engaged in many other fun group challenges. SLAM looks forward to continuing this event in the years to come!

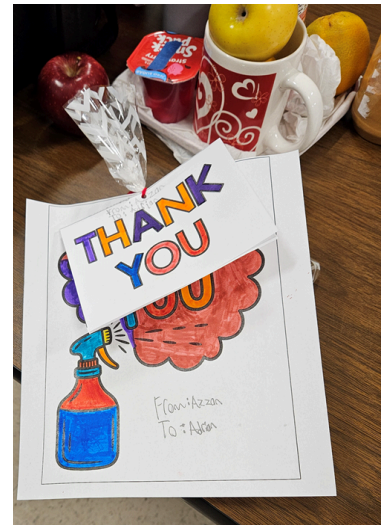

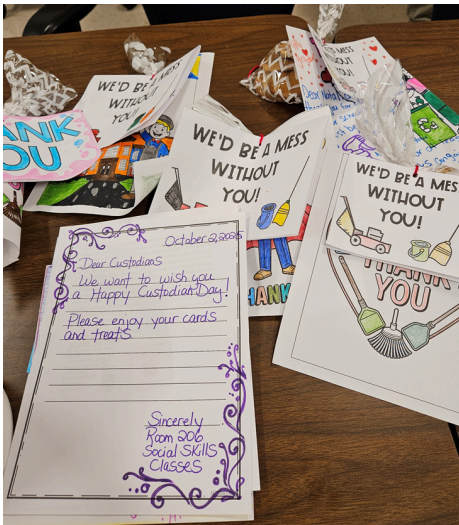

Valiant Vikings - Root Beer Floats

Valiant Vikings ran a lunch event on Wednesday where students were able to purchase a root beer float with their Viking Dollars. Many students were able to enjoy this treat at lunch for their hard earned efforts.

Cookies for Custodians

October 2 was National Custodian Day. In both of Mrs. Wingerter's Social Skills classes, they baked cookies and made cards to present to all the custodians.
