

Hi! We're Claire & Justin Smith.

We are the new Class Carer volunteers for 2BM.

We joined the SPP school community in 2020 when our son, Huxley, started Kindergarten. Since then, we have loved the community feel here at SPP and are keen to see this grow even more.

The purpose of the class carer program is to promote connections and a sense of belonging within our school.

The ways we may be able to assist 2BM are:

- Welcoming new families to the class and arranging appropriate introductions with other parents.
- Organising parent helpers for food donations or fresh flowers to support class families in times of need. (eg. New baby or illness)
- Encouraging and supporting the members of the class group to get involved in school events (eg Trivia Night,)
- Possibly organising gifts of appreciation for World Teacher Day and end of year thank-you

We will set up a group for us to communicate via Facebook Messenger.

If you are happy to send your name, we will add you to the group.

(If Facebook Messenger is a problem just give me a call)

Privacy is Important to us all, in providing your details to the group we agree together that they are used for the purpose of this group only.

The Class Carer coordinator will be included in all group communications and all communications are to be made in the spirit of school values :

Mercy, Compassion, Excellence, Hospitality, Stewardship, Service, Dignity, Justice

You can contact us to be added to the group via phone or email:
