## OVERVIEW & PURPOSE

This afternoon we aim to explore Adobe Spark Page as a tool to leverage pedagogically sound educational apps for immediate use in the classroom and to share ideas.

## OBJECTIVES

1. To create an Adobe Spark Page to use next week.
2. To create an Edpuzzle to link to your Adobe Page.
3. To create a Google tour using Tour Builder to your Page.

4. To explore Flip Grid in application.

## EXTRA TIME OPTIONS

1. To create a Bitmoji Avatar
2. To explore Quizlet
3. To take 360 photographs
