## **2023 Summer Session 1**

- Initial meeting(students only) will take place on May 15 at 3:30 via Google Meets. The meeting will be recorded for students who are unable to attend due to other commitments.
- The course is designed for a total of 30 hours of instruction. The final grade will either be a pass or fail. You are required to have a cumulative score of 70% with the online assignments and assessments to be eligible for the final test on June 21st.
- The online platform gives you the flexibility to complete the course at your own pace. It is recommended that you do not procrastinate with the course work. **You are required to have the first 6 chapters (Ch. 3 not required) completed by 10:00 PM on June 5th.** At that time, chapters 1-6 will be closed. Any incomplete assignments and assessments in chapters 1-6 will result in a zero.
- **The final submission process will shut down at 10:00 PM on June 18th.** All incomplete work will result in a zero.
- All work is to be original and completed by you. There is no partner work or projects. All work is to be completed with **TIMES NEW ROMAN Font Size 12**. Any other font and/or size will not be accepted. Do not email submissions directly to your instructor.
- When posting work on Blackboard, **place your answers in the Assignment Submission area not the comments area.** Allow at least 72 hours for posting of corrected assignments.
- All tests will be timed. **You cannot stop and then start a test at a later time. It must be completed in one sitting.** There are spelling mistakes and a few issues with the book-generated tests. We are aware of this issue.
- Complete assignments in the area that you are given. **Do not send attachments or links** because it adds more steps to the process. Cut and paste by using the tool bar. Do not use shortcuts. It is recommended that you use Chrome as your web browser.
- **The final online exam is on June 21st.** You must score at least a 70% to pass the test.
- Once you have passed the final exam you will receive an official PA certificate of completion.
- If you have any questions or concerns during the class it is **your responsibility** to contact your teacher. Check your email on a regular basis for updates.
