

The Valentine's Day Song,

By Bryant Oden

I made a special _____ for a girl I like

I gave it to her in class with all the rest

I watched her open it out of the corner of my eye

She read it, then went on to the next

I felt so _____ hearted

We were over before we started

I guess she didn't like what I wrote

I spent forever on that stupid love note

it said...

Chorus:

I'm _____ you and I are friends

And I hope that never ends

But I've been thinking we could be more

That's what Valentine's Day is for!

Then I noticed my best friend Kristy was _____ at me

She was holding the card she wasn't supposed to be

She walked right over and got real close to me

I've never really noticed it before but her _____ are P-R-E-T-T-Y

Why, she said...

Chorus:

I'm _____you and I are friends

And I hope that never ends

But I've been thinking we could be more

That's what Valentine 's Day is for!

Then my heart started _____and my knees went weak

Because my best Kristy kissed me on the cheek

With her lips

I felt so happy hearted

Look at what my mess up started

I took her hand and said

Chorus,

I'm _____you and I are friends

And I hope that never ends

But I've been thinking we could be more

That's what Valentine 's Day is for!
