

Springboro High School

2021-2022 Course Offerings

Making informed choices in course selection will allow you to utilize your four years of high school to the fullest extent. When selecting courses, please consider the following:

1. Developing a four-year plan of course selection and sequence is highly recommended.
2. Please use this list of courses as a guide as to the programs that are offered at Springboro High School. It is very important to read course descriptions in the Program of Studies, which can be accessed on the guidance webpage. This will help ensure that you are selecting the appropriate classes. If you have questions about courses or course sequence and cannot find the answer in the Program of Studies, please contact your counselor.
3. Requirements for graduation are listed in the Program of Studies. Please be aware of these requirements, as they must be completed to receive a diploma.
