

Privacy Policy — Color Analytic App

Last updated: November 2025

Developer: Ubikon Technologies Pvt Ltd

Thank you for using the **Color Analytic App** (“App”), developed by **Ubikon Technologies Pvt Ltd** (“we,” “our,” “us”).

Your privacy is important to us, and this Privacy Policy explains how we collect, use, and protect your information.

1. Information We Collect

Our app does **not collect any personally identifiable information** from users.

However, depending on the features you use, the app may access:

- **Camera/Photos:** To analyze or detect colors from images you select or capture.
- **Storage:** To save or load color data or images locally on your device.
- **Internet Access (if applicable):** Only used to load resources, analytics, or show ads (if enabled).

We do **not** collect or store this data on our servers.

2. How We Use Information

All data processed (like color values or image pixels) stays **within your device**.

If analytics or advertising SDKs are used (like Google Analytics for Firebase or AdMob), only **anonymous usage data** may be collected to improve app performance.

3. Children’s Privacy

Our app is **not specifically designed for children under 13**.

We do not knowingly collect personal information from children.

If you believe a child has provided personal data, please contact us immediately.

4. Data Security

We take reasonable steps to ensure your data remains secure and never shared or sold.

5. Changes to This Policy

We may update this Privacy Policy periodically.
Any changes will be posted within the app or on our official website.
