Carroll ISD Four-Year Plan Worksheet

- Circle or highlight the course you plan to take for each core class. Write in other classes in the blank boxes.
- Login to your Career Plan in Skyward to enter the courses.
- Remember your Graduation Plan is a draft. Every year you will have the opportunity to make changes.

<u>Entering course selections into Skyward:</u>

➔ **Declare your Endorsement:** login to Skyward and click on *Endorsements* on the left.

All students should pursue the Multidisciplinary (4x4) endorsement upon entering 9th grade.

- Students have the option to select additional endorsements to pursue and can update throughout high school.

➔ **Update your Four Year Plan:** Click on *Career Plan* on the left. Near the top right, click "View Full Screen." **Add courses:**

- Click on "templates" to autofill a four-year pathway for different subject areas.
- Click the "Add Curriculum" button to add individual courses. In the search bar on the lower right you can type in a course number or keyword; select the course, click "save."

Planning on Applying to *(circle if this applies to you)***:**
