

**[Everyone's Big Sister] Yamabuki Saaya**

## Episode: Introduction

**Saaya:** I'm Yamabuki Saaya.

I'm in charge of the drums in Poppin' Party.

I'm pretty busy with helping around the house and looking after my younger brother and sister but

I'm having fun in the band too.

I was really happy when Kasumi invited me.

Ah, right, right.

My house is a bakery called the Yamabuki Bakery.

Kasumi helps out sometimes but, well, she usually ends up playing with my siblings.

...Just kidding, just kidding!

She's a great help.

It's a little hectic, but we're working hard.

Our members are pretty great, so I hope you can come see our live.

## Memorial Episode: While Getting Ingredients

**Saaya:** Hm--, I have butter, sugar, and salt. I think I have everything.

Wait, hm? Is that person...  
(Staff)-san?

Aha, I knew it!

I'm Yamabuki Saaya!

The drummer who will be going to your live house often...

Um, I'm really sorry about Kasumi that time...

If you're not too bothered by it then...  
I'm glad... Ah,ahaha...

Ah, no, I don't have anything for you in particular but I saw you so I wanted to say hello and apologize...

The members and I will be looking forward to working with you from now on...

...Whoa, that was close, I was about to drop them.

Hm? What am I holding?

Ah, s, sorry. This has nothing to do with music. My house is a bakery.

My father ran out of ingredients so I came to buy them.

Actually, our bread is popular among the members.  
We eat it often after practice.

Fufu, we've been on fire during practice lately so we end up eating a lot.

Ahaha, helping out at the house is nothing.

I'm managing that and the band well.

...Sorry for making you worry.

...Oh no! I have to go now.

Ah, if you'd like, please come eat our bread next time!

Of course, I'll work hard on music as well. I look forward to working with you.
