The Four Animals of Sacrifice, the Law of Leprosy, and the Defiled Heavenly Temple

Pastor John Shane Vaughn — First Harvest Ministries International — They Died in Another, Part 5

---

1 I'm picking up on part five of They Died in Another; oh yes; hallelujah; amen; praise the name of the Lord; now today's message is going to go against everything we were ever taught in the Christian church; imagine that; amen; I'm going to be introducing a concept today that is very earthshaking and it's something I never considered; last night I started writing the introduction to my new book which will hopefully I can get it out by Tabernacles; I just finished the Toto book yesterday so I'm trying now to get one more done.

2 But in the introduction I thought about all of the revelations, Brother Cunningham, that we have come into; in the last something has changed over the last couple of months; and the level; amen; we've gone beyond the Sabbath and the holy day; there's another level that has kicked in; the priesthood; yes; the priesthood; yes sir; and where did this idea come from? Finally understanding what I don't know of any other group that truly understands is the mirroring of the heavenly temple with the earthly tabernacle.

3 That's right; I don't know of anywhere that truly grasps that; and so I'm asking the Lord how did this depth come? Because if we're here 10 more years I just don't know how much deeper it can go; yes sir; amen; yes sir; I mean I'm to that point where I'm like surely this is the ceiling; we're at the grandest of the grandest of understanding the priesthood, right? Yes sir; and the Lord spoke to me and said no, the revelation did not come suddenly; he said I want you to look back over the framework; amen; it took a DECADE to build it; amen; yes sir.

4 And so I said where did this great love come from that we have for the heavenly temple and the tabernacle? And that came when we discovered Songs of the Sabbath Sacrifice; anybody remember that? You're supposed to play that the first quarter of every year; and we do that here; in that book that we found in the Qumran caves, the Dead Sea Scrolls, we found a group of people just like us that lived out there and they had an understanding that nobody else has; oh hallelujah; they understood the heavenly temple.

5 Yes sir; mhm; and in their writing that they left for us they tell us that when they would gather on the Shabbat they were gathering with the heavenly priesthood; hallelujah; and that we were just mirroring in our worship what they were doing in heaven; and I thought where did that come from? We would not have gotten that unless 10 years ago this ministry would have found the Zedakite calendar; amen; amen Apostle; yes; amen.

6 We were the first ministry that I'm aware of that accepted the Zedakite calendar; and now all the major ones are doing it; Lying and Lamb; all of the big ministries are now on that calendar; because when you're pioneering something you always seem like the strange fellow; anytime you're a pioneer, amen, you're always the false prophet; right; 10 years later, come on; yes sir; for example this ministry when we started saying the name Yahweh 10 years ago everybody thought we had lost our minds; and now everybody says it; because somebody has to go before, right? And what? Lay down the path; hallelujah; make the crooked places straight; build the frame.

7 Everybody's not willing to do that; amen; they're just not willing to do it because it comes with ridicule; yes sir; but we accepted that calendar; and without that calendar we would never have accepted the Songs of the Sabbath Sacrifice; without the Songs of the Sabbath Sacrifice we would never have known there was a heavenly temple; now from there what do we do? We go and spend $30,000 on tabernacle furniture; that's how connected we became to the heavenly temple; hallelujah; and the ark of the covenant is finished; we're going to be picking it up before Tabernacles; amen; I'm excited about that; hallelujah; we will be bringing it home to headquarters; amen.

8 But how did we get so connected to that? And it's because we have been willing to follow every unusual thing that Yahweh said to us; and today will be no different; amen; amen; we have to understand Yahweh's going to have a people in the end time where he is restoring; somebody say all things; all things; what does the prophet Elijah; before most of the Christian church is waiting for the coming of the Lord; none of them are waiting for the coming of Elijah; amen Apostle; they don't even know they missed Elijah the first time except for a handful; right; a remnant; hallelujah.

9 I see that remnant today; amen; I see that remnant today; they were so blind to what was happening in their world; there are people sitting in this room today blind as to what's happening; they're so carnal minded worldly minded; they have no idea that while the whole world is saying come Lord Jesus they have missed the very thing that precipitates his coming; amen; the very thing; now in the days of Yeshua somebody said you cannot be the Messiah; he said why? Because the prophet said before you come Elijah must come; and he said to them are you so blind? He was here; he was preaching at the River Jordan every day; he was here; you religious leaders chose to ignore him.

10 But don't worry there were some people down by the river; hallelujah; there were some people down by the river; they were down by the riverside; down by the riverside; they was down by the riverside; and when Elijah began to speak they recognized that they must hear that message so that when Yeshua comes they could work with him in his ministry; and that's where we are today.

11 Now when Elijah comes before the second coming of Christ we have to ask this question: if he's truly going to restore all things that's scary right? Because that means he's going to mess your thinking all the way up; that's right; yes sir; he is; and some of you have some pet things that you really like; yes; for example one of the biggest lies taught in the Christian church is that

God Yahweh; it's called incarnation; he became a man; come on Apostle; that's blasphemy; Yahweh said he was not a man; neither was he the son of man; he said in his word I am eternal; I'm not a man; hallelujah.

12 Hallelujah; hallelujah; so when Elijah comes he's going to have to tell the Christian church your Jesus that you've created, your God man, is a false idol in the house of Yahweh; yes sir; as a matter of fact Jesus Christ the so-called son of God, the one created by Roman Catholicity, that Jesus Christ is the one sitting in the temple of Yahweh making himself God; that's true; yes sir; but God's going to send a prophet in the end time and a group of people that's going to tear down that image of the son of God and rebuild the correct one; hallelujah; they're not going to rebuild a Greek Jesus.

13 Now how do we start that process? Well think about it; if you're going to change someone's identity the first thing you may want to find out is what their real name is; it was the Greeks that turned Yeshua into Jesus; they turned him into Isus, I-sus; yes sir; and then the English changed him into Jesus; but if you translate the name Yeshua it's Joshua not Jesus; make it plain.

14 So the reason the name is so important, people, we're not being nitpicky over a name; we're restoring an identity; hallelujah; it's not just a name that we're infatuated about; it's an identity; a Greek Jesus versus a Jewish Hebrew Yeshua; hallelujah; hallelujah; everything about the Jesus that you've been given is Greek; everything; but Elijah's going to come and say: the first thing Elijah did was identify who the son of God was; the first thing he says in scripture is behold the lamb of God; hallelujah; amen.

15 He didn't say like your Christian church behold the God man; behold very God and very man; behold God in the flesh; no, he said behold the son or the lamb of God; and when Elijah comes he will jerk back the false identity of a Greek Jesus and reintroduce you to your true Messiah; amen; and so that's where your journey began; so don't let anybody say these words to you: what difference does it make? After all it's just the name; no no no; it's an identity not a name; it's an identity; a false one versus a real one.

16 Then if we're going to use that argument let's use this one as well; you're a woman; am I correct? Yes sir; well what if I just want to call you a man? No I will not accept; you will not accept; no; neither will your Father accept when you change him to a man or change his identity; so names do matter because identity matters; if I call her a man I've changed her identity; yes sir; and brothers and sisters Yeshua the true son of Yahweh the one that took no glory, the one that pointed everyone to his Father, there's going to be a ministry in the last days that takes you back to the river; amen.

17 And now when you understand that you have to deal with three scriptures; there are three scriptures that totally contradict one another that would make anybody throw their Bible down and never open it again; listen: if Yahweh would not have delivered me as a little boy I would be an atheist today; I found so many errors in that book cuz I've got a brain; amen; and you're not going to convince me that faith takes my brain away; amen; yes sir; amen.

18 Yeshua told his disciples do not go to the Gentiles; yes; he said go and witness but do not go to the Gentiles; yes sir; in another scripture he told them I only came for the lost sheep of the house of Israel; that's right; and then in Matthew 28:19 he says now go into all the world and preach the gospel; come on; which one is it? Which one is it? Right; that's right; well you can't know that unless you watched my sermon two weeks ago on the meaning of the word world; that's right; that's good; come on.

19 You have to understand what world he was sending them into; whenever you say when you look at the Forrester family and say they're my world, that's the world he was sending them into because the lost sheep were scattered around the world; yes sir; hallelujah; but without that understanding; people look, when I was confined for three years and hidden away, the smartest people in the world are in there; yes sir; and all they do is read this Bible night and day; yes sir; plenty of time; they've got it; and they can show you so many discrepancies; but I had the Holy Ghost; hallelujah; I understood by the spirit what carnal eyes cannot see.

20 Those three verses is enough; I'll give you another one: Yeshua said there are some of you standing here today that will never taste of death until you see me in my Father's kingdom; that's right; he was talking to his disciples; how many knows they're all dead today? Yeah; how many of none of them saw the kingdom? We've got a problem, right? But we really don't; nope; because go down one verse; one verse; oh you've got to go down; and you'll see that Yeshua took Peter James and John.

21 Didn't he say some of you standing here? He took the remnant, Peter James and John; he said come with me on this mountain; we're going to go to the top of the mountain and whatever you see you don't tell nobody; amen; hallelujah; and when they got to the top of the mountain the Bible said they saw Moses and Elijah; well how many of you know Moses and Elijah are dead? Graveyard dead; yes sir; how many of you know the Bible said that they saw Yeshua transformed from a physical human body to a light that was glowing from him? They were seeing him in his Father's kingdom; hallelujah; with Moses and Elijah.

22 Hallelujah; and then as they're tiptoeing back down the mountain he turns to them and says these words: tell no man the VISION you just saw; it wasn't reality; they were carried away into the Lord's day, the kingdom of God, and they saw exactly what Yeshua promised them; I want you believers to know something: there is not one error in the word of Yahweh; it is settled forever in heaven; forever; it's rock solid; amen; when everything in your life is crumbling this will not crumble; that's right; plant your feet on it.

23 And that brings us to today's lesson; yes sir; hallelujah; I was asked a question that bothered me; I think I was in Region 4; Elder Barfield's region? Yes sir; I was there teaching part 2, I believe, of They Died in Another; and I was asked a question by Brother Honator that messed my head up; cuz I was teaching that if you sinned in those days you had to get a lamb and all your sins would transfer into the lamb; right, Brother Honator; and I taught that the reason that was is because the lamb was innocent, right? Yes sir; and he was willing; how many remembers that? Submitted; yes; Brother Honator said Pastor I have a question.

24 He said if the lamb is willing, and that's the only one, then why did Yahweh allow all these other animals to be sin sacrifices besides just a lamb? Amen; well I did not have an answer; I didn't have a good answer; I had a canned answer; yes sir; but not a Holy Ghost answer; right; I went home and I said Lord why did you allow that? Don't make no sense; why did you allow goats to be a sin offering when they're not pure? They're rebellious; and the Lord gave me the answer; and that's going to start us on our lesson today.

25 The first thing I want you to notice is these animals that were chosen for sacrifices; let's go through them; okay; yes sir; the bullock or the bull, a goat, a lamb, and doves; that was the animals that were allowed to be selected; now as I was praying about an answer to this question I began to get that Holy Ghost level hint; yes sir; in my spirit mind; and the Lord spoke to me and said these animals were not randomly chosen; they were chosen for a reason; okay? And he said I'm going to show you the reason.

26 But before I tell you the reason today, notice the animals that were never allowed to be a sacrifice; number one: horses; yes sir; dogs; yes sir; no regal animals like the lion; yes sir; no predators; only dumb animals; wow; wow; hallelujah; amen; do I have any farmers here? There's a certain group of animals that are known as dumb animals; say that Apostle; say it again; willing; they're dumb; I didn't realize when I taught that that the horse is intelligent; a dog is intelligent; animals of the kings of the jungle are all intelligent.

27 But there's a group of animals that is dumb as an ox; yes sir; you ever heard that? Say it; yes sir; dumb as an ox; no horses because horses were trained for war nobility; no dogs; no lions; all of them were rejected; only bulls, goats, lambs, and doves; let me tell you why; Yahweh spoke to me and he said every animal that I called to the altar were just like; there are four living creatures in heaven that represent me; notice those four living creatures; anybody remember them? The lion, the ox, the eagle, and the man or the king.

28 Okay there are the kings of the animals, right? Those kings represent my nature; wow; but every animal I called to the altar represented that dumb creation that I created; hallelujah; Pastor how would he call us dumb? The Bible said a man that chooses sin over righteousness is a fool; he's dumb; wow; hallelujah; and Yahweh said I called these four animals because each one of them represents a part of you that's got to die; come on Apostle; wow; dumb animal for a dumb man; come on sir; that's right; that's what it is; amen; foolish animals for foolish men.

29 Wow; but the eagle, not the eagle; oh no; we can't put the eagle on the altar; why? That represents our kingly nature; oh come on; the animals that go on the altar are the total opposite of what you're to become; the four living creatures; hallelujah; that's good; make it make sense; come on now; when you begin to see what these animals represent you're going to find out he sought animals not at our pinnacle; the horse is our pinnacle; amen; come on now; amen; that's our pinnacle; amen.

30 He didn't want animals that represented what we were going to be; animals represented what we was; hallelujah; but he wanted the parts of our nature that needed to die on an altar; hallelujah; hallelujah; hallelujah; wow; do you know why? Because the altar, my brother and

sister, do you know why nobody likes to go to the altar? Even in this ministry we have a hard time getting people to get on their knees at an altar; amen; do you know why? When you get to an altar you're going to see how dumb you are.

31 Come on; right; amen Apostle; with that; yes; it's at the altar you're no longer in control; the eagle in you, the horse in you; it's at the altar where you don't see those things because the minute you get to an altar suddenly you see every dumb thing you did that week; come on now; come on now; you see every chicken word that came out of your mouth at the altar; yes sir; and Yahweh wants you to bring those parts of your nature that are dumb; amen; and transfer them; get them out of you; release the cow in you; yes sir; release the bull in you; release the goat in you and even the lamb.

32 And I'll teach on that in just a moment; because there are parts of you that must be slain on the altar if you're going to become the 144,000; because the four living creatures represent the 144,000; what's in those living creatures? The eagle; there's an eagle in you Mother Meyers; but it's not the part of you that needs to die; that part needs to RISE; you've got to let the chicken die; hallelujah; amen.

33 I'm not a Native American but I'm told that the Native Americans said that every human identified with an animal; it was called their animal spirit or something; they would literally name you after the animal; running bull or if you were slow slow chicken whatever you got the name of the animal you represented; mine would probably be sitting turtle; Yahweh sees your animal nature; amen; and he wants you to bring them all to the altar; let's read Leviticus chapter 4.

34 Remember: the altar was never meant to flatter us; it was meant to expose us; come on; Yahweh doesn't want you to bring your horse to the altar cuz you need to be running with horses; amen; right; he doesn't want you to bring your eagle to the altar; he wants you to bring your dumb nature, that human nature; yes sir; Leviticus 4:3: if the priest that is anointed do sin according to the sin of the people let him bring for his sin a young bullock without blemish unto Yahweh for a sin offering.

35 So we already see when the Lord spoke to me that each animal represents the nature; the priest is the leader; a lamb won't work for him; only a bull will; hallelujah; that's why I tell people there are degrees of sin; I don't care what anybody tells you; oh there is; if you're a leader your judgment for sin requires a bull; come on; wow; amen; you hear me? Yes sir; Yahweh's always required the priest to bring the animal that identifies with his nature: the leader; hallelujah; as a sin offering unto Yahweh.

36 Read verse 13: and if the whole congregation of Israel sin through ignorance and the thing be hid from the eyes of the assembly and they have done somewhat against any of the commandments of Yahweh the congregation shall offer a young bullock for the sin; so if the whole congregation is in sin a lamb won't work; you've got to bring a young bull; a young bull; amen; why? Cuz that congregation has been acting like a bunch of young bulls; wow; they won't be bridled; wow; matches their nature; come on now; yes sir.

37 Come on; make it make sense; they've got that strength and energy running from Yahweh doing their own thing like a young bull; so you go bring a young bull which by the way is going to cost you a whole lot more than a lamb; do you understand the degrees of penalty? Wow; it's going to cost you; a bull is a hundred times the price of a lamb; yes sir; somebody is going to miss that bull; you're going to know that you've committed a graver sin; yes sir; as a leader and as a whole congregation than individual sin; wow.

38 That's why Yahweh holds leaders more accountable; that's why I tell people all the time that say Pastor you need a board; I said I've got one; amen; it's spelled Y-A-H-W-E-H; and whenever he judges a leader you don't have to worry about it; hallelujah; you ain't got to worry about it; amen; he doesn't play with leaders; come on; the leaders affect the whole; Sister Bri Hart, if you sin it will affect you and your family, right? Not the whole congregation across the nation; come on.

39 But I'm the bull; yes sir; you understand? Yes sir; I'm the leader; amen; and when the leader has fallen into sin oh a lamb won't work; come on; a little bit of punishment won't work for me; that's why he had to send me to prison for three years; yes sir; hallelujah; some of you should have went but you see you weren't the leader; you weren't who? See, you didn't get caught, right? Come on; so a little lamb will work for you; amen; but not when somebody's got a calling to lead; come on; he demands more of them than anybody in the congregation.

40 Yes sir; that's why I came here today tired in my body; come on; got to be at the doctor Monday morning but I came anyway because I'd never want the judgment of Yahweh; amen Apostle; hallelujah; I can't afford a bull; mighty man of Yahweh; I can't afford a bull; I don't have the money to pay for a bull; come on; you realize it's not a literal bull you understand right? It's a price that you'll have to pay because the bull is the strongest in the congregation; yes sir.

41 You elders, your bulls; yes sir; that's why when you walk away I have to get on a Zoom meeting with the precious people you leave behind; amen; because your decision affected, come on, the congregation; and when it comes time for you to pay your bill God help you; come on; come on Apostle; amen; you don't walk off from where Yahweh has anointed you to serve; hallelujah; you don't let a wife pull you away; come on; or a husband; hallelujah; you can't afford it; can't afford it; I said you can't afford it.

42 Oh you'll get by with it a little while; right; but when you've got to bring that bull oh hallelujah; you'll know you've paid a price; yes sir; hallelujah; stay faithful to your calling; amen; make your election sure; why? This is not our church; it's his; hallelujah; we're servants here; that's right.

43 The next animal is the goat: Leviticus 4:22; amen; now here is when the pastor doesn't need a bull if he makes a mistake; yes sir; let's read that: when a ruler has sinned and done somewhat through ignorance; hold on; you see the levels of punishment; yes sir; if that same pastor that just had to pay a bull sins in ignorance it's not premeditated; amen; there will be a lesser cost; amen; read: somewhat through ignorance against any of the commandments of Yahweh his God and is guilty; he shall bring his offering a kid of the goats.

44 What is it this time? A male without blemish; now it's not a bull; it's a kid of the goat; now if the ruler sins he has to bring a male goat, not a female goat; do you know why? Because the goat is never content with boundaries; amen; the goats are restless; the goats are curious; yes sir; wonder if they could start their own work; come on; say it Apostle; always looking over the other field; come on; the goat nature is a nature that tests for the fences; you said it; it's a nature that explores forbidden territory; always wanting what's on the other side of the fence.

45 Now the goat's not a bad creature; no; he's a curious creature; he's a curious creature; he doesn't like gates; no; he doesn't like structure, protocol, organization, submission, order; that's right; not a bad person; as a matter of fact he's very close; he's kin to the sheep; yes he is; anybody awake this morning? Amen; this is good; the only difference in the goat and the sheep is not horns, it's their nature; their nature; amen; amen Apostle; the goat is always the soul that sins through WANDERING; amen.

46 Oh yes; he's not happy with his family or his ministry; that leader wondering is a wandering star; the Bible said this is the man now, any leader in the congregation of Israel, you're going to pay a price when you wander; come on; however you're not going into sin because you were weak; you went into sin because you were exploring; yes sir; yes sir; amen Apostle; this sin didn't take you by surprise; you put yourself in the path; come on sir; say that.

47 Now you did so ignorantly because your nature was a wandering nature; amen; and if that's the case just bring a good goat; don't bring me the female; bring me the male; bring me something that's going to cost a little bit right? But not quite as much; amen; not quite as much; lesser of a price; that's why if you commit a sin you get to bring a lamb; amen; but when Jimmy Swaggart committed a sin it affected the whole world; wow; and it cost him even in death they were still talking about it; a high price.

48 You're going to pay a high price for low living; yes sir; I said you're going to pay a high price for low living; amen; goats; they don't want a pastor; no; they want a Bible study; yes; come on; right; they want a Zoom meeting; they don't want a man that's in authority with no accountability; right; amen; when you've got a goat nature you don't want a husband in authority over you; you just want to wander; yes sir; that person will pay the price; yes sir; goats like to climb walls they shouldn't climb; they sure do; sneak into gardens where they're forbidden to enter.

49 Now let's read about the next animal; Leviticus 4 verse 32: and if he bring a lamb for a sin offering he shall bring it a female without blemish; now this is just for the regular church folk that sin; they shall bring a female lamb; the lamb is a picture of meekness; it's a docile animal; amen; not a rebel; but here's what it is; listen carefully: it's not a rebel but it's an easy prey for deception; yes sir; wow; wow; come on Pastor make it make sense.

50 And that's why Yeshua was called the lamb, right? Because he's docile; yes sir; he's not a goat and he wasn't a bull; he was a lamb; he was docile; he stayed in the fence his Father built for him; yes sir; in the word; that's why he was the lamb; but the lamb represents that weak person, the gullible person; yes sir; the one who sins not through rebellion but because

everybody else did; amen; they have a lamb nature; right? They're followers following the other lambs; and they do what the crowd does.

51 Oh come on; say it; they do what they got deceived into doing; wow; and the reason Yeshua is the lamb of God is because Satan has deceived the whole world; and if there's sin by deception yes sir it's got to be covered by a lamb; amen; amen Apostle; hallelujah; thank you; amen; this is good; wow.

52 This world was not filled with goats; yes sir; it was filled with lambs; yes sir; that got deceived; amen; amen; hallelujah; now yes there's always a goat here or there but by and large most people are just deceived; amen; yeah; amen; they don't sin willfully, right? They're easy good people; yes sir; they're easy prey to be deceived.

53 And those people: the Bible said to him, Yeshua said to the man that knoweth to do good and doeth it not; notice that word knoweth; knoweth; that means he's not deceived; right; come on now; and he doesn't do it he's going to get many stripes or a bull; amen; yes; but to the man that did not know what does that mean? He was deceived; he will get a few stripes or a lamb; that's right; there it is; do y'all see where I'm at? In Christ; make it make sense.

54 Do you honestly think, children, that the people in this world want to wake up every day stoned and out of their mind? No sir; no; do you think the whole world wants to be strung out on Xanax? No; no; but something got a hold of their minds; they were lambs and something got a hold of their minds; and it wasn't the word of God; it was the word of the world; it was the deception of this age; and that's why Yeshua said when they were crucifying him forgive them; what did he say? They're lambs; they don't know what they're doing.

55 Hallelujah; hallelujah; that's why you cannot be anti-Semitic; those Jews didn't know what they were doing because Yahweh had blinded their minds; amen; do you know why? Somebody said Pastor why would Yahweh allow Satan to deceive the whole world? So that Yahweh wouldn't have to judge them as goats; come on; hallelujah; wow; that's good; that's deep; wow.

56 So that he could send the lamb to die for the lambs; hallelujah; the ones that followed the crowd wherever it went he allowed them to be deceived because of Torah's mercy; hallelujah; he abides by his own law; he says if I let them all be deceived I can send one lamb for all of them; hallelujah; hallelujah; hallelujah; what a plan; what a plan; Torah is the book of mercy; amen; people think it's harsh; no; it's the mercy plan of Yahweh for the world.

57 Hallelujah; now notice what he doesn't have mercy on: leaders; that's right; and those that know better; amen; there's people in this room today your lamb status is over; amen; you're in eagle status; no wink of ignorance; there's no ignorance in this room; there's no ignorance in this Zoom; amen; amen; amen; and when you turn your back on truth you're no longer qualified for the covering of a lamb; you're going to pay the price of a bull; wow; hallelujah.

58 Now there's one more animal that I really want to teach on today but I'm not; them doves; oh; because if I teach on it today it's going to give away the real meat of this message next week;

oh; but there was another animal that Yahweh allowed; yes sir; it was the dove; yes sir; now I'll try to just touch on it, maybe give you enough hints; okay.

59 If I were going to ask you, Sister Teresa, here's a lamb on earth; find me something in the heavens that's identical to the lamb; a dove? Same nature? Oh a dove; I guess it would be a dove; a dove; amen; some people could not afford a lamb; right? All they could get was a dove; a dove was a lamb in heavenly form; come on; amen; amen; and now you might know why when Yeshua entered the waters of baptism hallelujah hallelujah now you might know why the dove met up with the lamb; because both sacrifice.

60 Wow; hallelujah; it's truly when heaven met earth; and so if you could not afford a lamb you could bring the heavenly counterpart of a lamb which was a dove; wow; now next week I'm not finished for today; don't get excited; next week we will move into an area about these doves that will forever change your whole life; amen; the lamb and the dove are more important than you can ever imagine.

61 I want to move now into the tabernacle; let's picture the tabernacle in our minds; today is the day of sacrificing; walk through the front door of the tabernacle; what's the first thing you run into? What? But after the door what? After the door? What's first? The altar; what did you bring to that altar? One of those four or five animal sacrifices; in your mind who is standing at the altar waiting for you? Priest; the priesthood; the priesthood; that's right; their job was to stand at the altar; never forget that I'm preaching on the priesthood; their job was to accept on your behalf your sacrifice; amen; and transfer.

62 If there was a priest of the tribe of Levi that had sinned that week you would know it; yes sir; cuz you would look in the courtyard and through the front door would be a massive bull; wow; wow; its hooves scraping the earth, nostrils flared; wow; a living symbol of stubborn pride that must be broken; a priest or a ruler, anyone in leadership tugging that beast that was straining against the ropes; wow; a four-legged parable of his own tendency to rebel after he knows the truth; hallelujah.

63 A farmer; let's look across the field now; you'll see a farmer with a goat trying to climb out of his arms; you'll find a lamb, innocent eyes, gullible; and then you'll see a poor little widow with no money, a little cage in her hand; oh hallelujah; and there are two small doves; the only offering she can afford; every animal at the altar is preaching to you; wow; every death declares this animal is you; amen; this animal must die; yes sir; even your gullibility; yes sir; yeah; amen.

64 All right; this is good; you're wondering; you're rebelling; these animals are preaching to all of us; cuz when you go to the altar leave your horse; we don't care; that's your pride; right; that's your good parts; see you and I we try to bring horses to the altar; oh come on; come on Apostle; we try to tell God how good we are; oh come on Apostle; we try to say look I mailed my tithe check in; that's not what he's after; God said take your horse off the altar; amen Apostle.

65 We ain't going to work on what you're doing right; right; right; come on; hallelujah; you've got to work on what you're doing wrong; hallelujah; hallelujah; don't bring your eagle; don't bring

your ox; bring the bull not the ox; the bull is not the ox; the ox is the king of the bull; you understand? Amen; your kingly nature.

66 When you receive the Holy Ghost the eagle is supposed to replace the goat; you understand? The ox is supposed to replace the goat; those kingly natures that you've been called to are supposed to replace who you are with your addicted self; the drugs say smoke, you say okay; you know why? Cuz you're a goat or you're a lamb; you're followable with everybody else; hallelujah; that's good; you've got to bring your follow-the-crowd self to the altar; amen; oh yes.

67 Do you know why many of you believe the false doctrines of Christianity? You're a lamb; yes; oh yes; follow the crowd; yeah; you let them lie to you and you keep going; that's right; why? Cuz it's what everybody's doing; amen; it's exactly right; you kept Christmas all your life; you know it didn't celebrate the birth of Christ; that's about your crop; you know everybody else did it; when you go to the office party everybody's drunk celebrating Jesus; come on; everybody did it; yes sir; you did it because everybody does it; amen; there's a gullible part of you that needs to die.

68 2020 made a gullible part die in a lot of people; hallelujah; you've got to let that part die; yes; hallelujah; I will be a lamb; hallelujah; no, I won't be gullible; amen; if I see it in the word of God I'll become an ox; hallelujah; amen; hallelujah; I'll lay this down; yes sir.

69 Now that's the foundation; if bulls and goats and lambs and doves all preach sermons about human nature yes sir; there is a chapter that we're not going to get to today that talks about a ceremony that included living birds; when you go to the altar listen to me; if you ever pray, Sister Sherry, people say how do I know God is listening? Here's how you'll know: he will tell you what you don't want to hear; amen; amen Apostle; amen; amen; if God tells you you're doing good, get up; that's not the voice of God.

70 Come on; hallelujah; hallelujah; hallelujah; he's not trying to fix what you're doing right; oh hallelujah; trying to fix what you're still doing wrong; oh hallelujah; if you want to be bragged on talk to your mama; if you want to be changed talk to your Father; hallelujah; hallelujah; wow; if you get up from prayer and he's not giving you somebody's name to make something right with you probably didn't pray; come on; this is good; that's good; why? The altar is not to promote you; no; it's to kill you; come on; and if you'll die you get automatically hallelujah; fire; automatically fire.

71 Now leprosy: how many's read about leprosy in the Bible? Amen; can I tell you what it's not? It's not a sickness; amen; because there were sacrifices you could make for sickness; for sicknesses there was medical treatment for sickness; come on; not for leprosy; but leprosy got you put outside the camp; represented something much worse than a sickness; amen; it was a spiritual defilement; yes sir; that manifested in the body; wow; wow; there was no essential oil for this; right; there was no visit to the doctor; something going on so deep in your body that nothing could heal it.

72 Amen; wow; wow; and as I begin to look at leprosy in Leviticus 13 verse 46: and the leper in whom the plague is, his clothes shall be rent, and his head bare, and he shall put a covering upon his upper lip, and shall cry unclean unclean; all the days wherein the plague shall be in him he shall be defiled; he is unclean; he shall dwell alone; without the camp shall his habitation be; poor fellow got sick and got excluded? No sir; say it again Elder sir; what did you just say? Not sick; poor church member; defi; defiled; all he did was got a little sick; no sir; no.

73 When you get rebellion in your heart you're not sick anymore; you're right; you're spiritually defiled; come on; amen; say that; there's no help for you; amen; listen to me: there's no help for leprosy; yes sir; come on; except divine; right; amen; it's even beyond what the church can do; wow; when you get spiritual defilement in you there's no getting it out; yes sir; yes sir; amen.

74 That's why Paul said; can I show y'all the Torah in the New Testament? Yes sir; Father; Paul said if there's someone in the church that gets this leprosy = rebellion; yes sir; go open the door of the front door of the church; yes sir; march them out the door and put them outside the gate; outside of the gate; that's right; and turn them over to Satan; yes; come on; now how many of you grew up in a church that would ever think such a thing? Well we want to love everybody; uh-uh; the church is not a hospital for the hurting; amen; the church is a college for teachers that are learning the ways of the kingdom; yes sir; we are not a hospital; we're not equipped to be a hospital; amen; we're a college; that's right.

75 1 Corinthians 5:1: it is reported commonly that there is fornication among you; and such fornication as is not so much as named among the Gentiles; but this is a different kind of rebellion; this has grown into open rebellion; it was hidden; amen; but now it's open; yes sir; read: and ye are puffed up and have not rather mourned that he that hath done this deed might be taken away from among you; might be what? Taken away from among you; is that not what happened in Torah? Amen; yes sir.

76 For I verily as absent in body but present in spirit have judged already as though I were present concerning him that hath done this deed; in the name of our Lord Yeshua the Messiah when ye are gathered; here comes the apostle's authority; amen; the apostle is about to make a judgment; yes sir; the apostle goes into the official apostolic role; now he says in the name; yes sir; in other words not by my authority; right; but I'm speaking on his behalf; hallelujah.

77 And my spirit with the power of our Lord Yeshua Messiah to deliver such a one unto Satan for the destruction of the flesh that the spirit may be saved in the day of the Lord Yeshua; wow; what looks so horrible: turning that person over to Satan is their salvation; yes sir; amen; what a glorious thing; amen; you parents that pray for rebellious children quit turning them over to the Lord; turn them over to Satan; come on; amen; I've done it; and when he gets done with them they'll come running back; hallelujah; they sure will.

78 Because Satan is the minister of God; amen; if you've not heard my sermon on the ministry of Satan you don't even know how to read a Bible; come on; Satan is Yahweh's very own minister; yes he is; his left hand; he is a tool in the hand of Yahweh to do what Yahweh's nature

cannot do; come on Apostle; make it make sense sir; Pastor Vaughn I don't believe that; I don't care what you believe; what does the Bible say?

79 And here's what the Bible says: Yahweh says Satan where have you been? Right? He said well I've just been doing what I do going up and down the earth; and he said I've got a question for you Satan; have you ever thought about my servant Job? Come on; yeah; he said no because you've got a hedge around him and you won't let me touch him; anytime you get worried in your life you need to make sure the hedge is still up; yes sir; yes sir; yes sir; that's right.

80 He said you've got a hedge around him; he said well I'd like for you to go and let me have him; the only way I can do it you've got to get that hedge of angels from around him; that's right; because the Bible said the angels of the Lord hedge or camp around those that fear him night and day; amen; the next time you're going through life worried about something make sure your hedge is up; yes sir; that's why I worry about none of my enemies; I've got a hedge; amen; hallelujah; and I know it; hallelujah; I know it.

81 And as long as I'm doing my part keeping that hedge up Satan can't touch me; amen Apostle; he said I tell you what I'll do, I will remove the hedge for a purpose; that's right; and Satan said yes boss; why do you think the angels of the Lord have never rebuked the devil? Never; yeah; come on; amen; go read your Bible; Michael refused to rebuke Lucifer; yes he did; because he knew who he was; he knew who he was as an angel of Yahweh fallen but yet an angel still being used; and he knew that Satan was higher than him in the hierarchy of the government.

82 There is a sickness that comes in the house of Israel that is incurable; yes sir; you know the sad thing about rebellion? Nobody in this room thinks they have it; amen; say that; that's right; don't listen; let your pastor speak; yes sir; yes sir; there is nobody in this room that thinks they have it; amen; that's why it's such a dangerous disease; yes sir; you won't let it be cured; yes sir; oh hallelujah; and that's why leaders watching me on Zoom: you don't think you have it? It hides; amen; it lurks; it comes out when nobody's looking; the first sign of it you better get rid of it; right; because when it turns into leprosy there's no help for you.

83 Every one of you claim to love Torah; oh you love Torah; you're Torah observant; Torah pursuant; and yet when I pastor this church according to the Torah you get all kind of butt hurt; come on; right; right; thank you; that's all I needed to say; amen; that's my apostle; I'm for real; hallelujah; yes sir; we run this according to Torah the very best we can; amen; Torah said they are to be excluded; you know everybody gets mad at the Amish for shunning people; do you know the only reason that community has been able to exist as long as it has is because of the shunning? Amen; right; shunning is biblical; it is; yes sir.

84 When Karen and I first married / my boys moved into our house; they thought they were going to get in the back room and smoke weed; and they thought we were just going to love them enough to let them do it; wow; they were on the streets that night; come on; why? This is my house; come on; this is a house of peace; amen; me and my house we're going to serve

Yahweh; and if you don't want to serve him with us then you're not part of my house; hallelujah; the Amish have rumpspringa / they kick the kids out for two years; yes sir; to see what nature you're of; that's right; amen; amen; hallelujah; amen.

85 The greater sin: John 19:11: thou couldest have no power at all against me except it were given thee from above; therefore he that hath delivered me unto thee hath the greater sin; there you go; the one that delivered me unto you; the Sanhedrin the Pharisees; the ones that took Yeshua and handed him to the Romans = their sin was greater than the Romans' sin; amen; whoever those; the Sanhedrin not the Jewish people; they had a greater sin than the Roman government had; right; even though Pilate was killing him; yes sir; it was them that had a greater sin; amen; why? They were the bulls; they were the leaders; they were the leaders; wow.

86 All right; before we can understand leprosy we have to understand what it represents; amen; why it was such a horrible disease; because it does not represent human sin; amen; the priesthood on earth is the mirror of what? Amen; the heavenly priesthood; watch this: the priesthood on earth is the heavenly priesthood in shadow; correct? Yes sir; all right; there was a fall that happened in the heavenly priesthood; yes sir; who was the first high priest in heaven? Satan; Satan; and the Bible said when he fell a third fell with him; yes sir.

87 Now notice something: the Bible said Satan took his tail and drew a third; yes sir; yep; yes sir; yeah; they followed; I think I've been talking about deception today; yes sir; amen; wow; he deceived them; if he can deceive all of mankind he could deceive a third of the angels of heaven; wow; on that day the high priest and a third of the priesthood fell; yes sir; however who has the greater sin? The one that made them fall or the ones that fell? Come on now; that's right; so you want me to believe that when you fell in sin it couldn't be helped but the angels it could? Oh no; no; Satan has deceived heaven and earth and earth.

88 And the leprous priest in the Torah did not represent me and you; it was beyond a regular sickness; wow; this represented a fallen priesthood that could not be restored without a protocol; wow; stay with me; wow; before we can understand the fall we have to see the glory that was lost; I want to read to you for those of you that's already starting to pull back on me: Job 4:18: behold he put no trust in his servants and his angels he charged with error.

89 I want to read this out of the Septuagint instead of the Masoretic text: Yahweh does not trust his angels; oh we need to intercede for this; but he observes perversity in his angels; by the way this is after the fall; even the ones that remain he doesn't trust; oh wow; wow; wow; wow; wow; I mean if a third could be deceived why not more? That's right; amen; do you know why I don't trust them? They don't have the tool of TIME like you do; yes sir; come on; hallelujah.

90 Job said Yahweh does not trust his angels; amen; yeah; and that's why he put a third of them outside the camp; oh come on; rebellion; they have leprosy; yes sir; wow; nearly an incurable disease; wow; wow; but next week you're going to learn about a ritual that could cure a leper; yes sir; yes sir; amen; yes sir; in the Torah.

91 Job 15:15: he does not trust in his duloise in Hebrew = his angels; that word servant should not be there; it's the angels he doesn't trust; wow; amen; I want you to look at me: do you know why I preach so hard against rebellion? People do not hear what I'm preaching: Yahweh must find a people he can trust; hallelujah; hallelujah; hallelujah; yes sir; and now you know why he gave you the Sabbath; yes sir; to see if you would obey that every single week; giving you so many opportunities.

92 70 * 7 = 52 * 70 years; he gives you come on quick somebody; come on; how much? 400 and something opportunities; amen; to see if your family is going to come before him; yes sir; yes sir; if you want to run down and do your own pleasure instead of his he's okay if you do; it's all right; oh hallelujah; amen; hallelujah; you ain't going to hell; amen; oh hallelujah; but you're going to stay outside the camp; yes sir; why? He has given you a Torah; yes; do you know he didn't give you that Torah to control you? We're developing TRUST; amen.

93 Do you know Yahweh woke you up today sister? He's allowed you to make an income; he gave you the strength; he gave you the mind; yes sir; now watch when you get paid; come on; yeah; right; come on; right; can I trust you? Can I trust you? You get paid $5,000; you didn't earn that; he woke you up; that's right; amen; without his breath you wouldn't have gotten that work; that's right; he gives you $5,000 and he just watches; yes; amen; he just watches; cannot; stay with me now.

94 Those angels want to run back and accuse you to the Father that you're just as bad as they are and you can't be trusted; wow; amen; this is so good; you're not going to hell; no; anybody ever told you you're going to go to hell for not tithing? You ain't going to hell; amen; I'll tell you where you ain't going: going to rule and reign; you're not going into that trusted government; that's right; yeah; that government authority that's going to replace the angelic government.

95 The angels are still in government today; can I tell you why? There must be a government and Yahweh doesn't have another one; do you understand me? Hallelujah; he just doesn't trust them; God for; come on; this is good; wow; and the few that he can trust he called them Gabriel and Michael and made them the angel of his presence; yes sir; yes sir; this is good; oh hallelujah; but why can't he trust them? There's no way to test them; Satan is no longer in their midst; that's why we'll judge those angels.

96 Come on now; yeah; how? I'll tell you what hopefully next week I can tie this together; amen; and show you saints sitting under the sound of this voice: I promise you you don't know who you are; I promise you if you got it you would understand your obedience is the judgment against angels he cannot trust; hallelujah; yes sir; hallelujah; when he speaks to you to pray for somebody and you just keep on about your business he can't trust you; come on; that's right; when a name comes to your mind: Father I pray for them right now I don't know what's wrong but thy will be done; go on with your life; but he trusted you to stop your life.

97 Amen; yes sir; wow; that's right; wow; I don't know; when people look at us gathering on the Sabbath do you know they honestly think we think everybody else is going to hell but us? Right; oh contraire; we don't even believe in hell; we don't even believe in it; contrary; oh contrary; no

no no no no; we don't care who doesn't join our ranks; we just want to make sure we don't fall out of our ranks; hallelujah; wow; he's called us; hallelujah; wow; that's right sir.

98 The angels are at your house; amen; they watch how you treat your wives; yes sir; to let our life judge them; they watch how you speak to them; yes; and now you know the Bible says if a husband and wife are fighting they're not allowed to pray; yes sir; wow; oh it's in your Bible; 1 Peter 3:7: husbands likewise dwell with them with understanding giving honor to the wife as the weaker vessel and as being heirs together of the grace of life that your prayers may not be hindered; it's in the Bible; amen; why would your prayers be hindered? Because you're running into a trust problem.

99 Amen; your prayers are now mixed with leprosy; right ma'am? Wives when you act like a man towards your husband, come on, defy his authority, buck against him; amen; you're failing; amen; the angels are watching; amen; now listen: you either believe that or you don't; that's up to you; I believe it; but I believe the book; our life judges them; that's right; if you really believe angels surround us they're watching; amen; amen; and the Bible said if you're not careful you will teach them what the Father doesn't want them to learn.

100 Hallelujah; hallelujah; wow; wow; that's why he only sends angels around the saints; come on; wow; amen; wow; the Bible said the angel of the Lord only camps around those that fear; oh that's good; wow; wow; if you want the angelic presence it will not happen in a home where there's bickering arguing fighting backbiting; why? Because that's not fearing Yahweh; hallelujah; hallelujah; Yahweh wants to know: if he sends them to surround you they're not coming back to heaven with any ideas; wow; fire; hallelujah; wow.

101 Pastor Vaughn I don't believe that; let me see what the Bible says; the Apostle Paul said these words: when you come into the assembly have you ever wondered why Yahweh doesn't require a covering for women every day all day out in the public? Only when they come into the assembly; because that's where the angels are; that's where the angels are; hallelujah; oh yeah; oh yeah; get no ideas; listen to me now.

102 I'm not going to debate and argue over what that is; some people believe it's long hair; some people believe it's an extra covering; the only problem I have with the hair issue I don't know how you can take hair on and off unless it's a wig; yes sir; I personally believe he meant a covering; and Paul said why should women cover themselves in the assembly? Because of the angels; of the angels; amen; amen; they're watching; yes sir; and Yahweh said I'm sending them to watch the true saints; yes sir; to show them what order looks like; wow.

103 Wow; I know I've got women watching that said I'll never do that; we understand; and we love you just the same; but you don't understand: the angels are watching; oh this walk's getting more narrow and more narrow; come on Elder; more accountability; he's bringing us to that place; amen; the angels are watching; and presently Yahweh doesn't trust his angels; but the problem is this: they can't die; right; amen; right; wow; he's sort of stuck with them; yes sir; somebody say until; until; until the saints; come on; shall judge the angels.

104 Hallelujah; hallelujah; hallelujah; it didn't say the Christians; it said the saints; set apart ones; they will replace the angelic government; amen; and then suddenly Yahweh will not have a trust issue with his servants; hallelujah; hallelujah; that's good; why? Cuz he said I'm going to give them 75 years for my spirit to strive with them; hallelujah; yes sir; hallelujah; to perfect them; and at the end of that striving I either trust you or I don't; yes sir; look, do you know you can love your wife and husband without trusting them? You can still love them; amen; yes; yes.

105 I just don't trust you; what that means is ain't neither one of us leaving; but you ain't sleeping in here tonight; come on; what? There's trust; Yahweh loves all of his creation; yes he does; but he doesn't let everybody in the inner chamber; that's right; that's right; amen; except the Zedakites; yes sir; yes; those that he trusts.

106 Job 15 and 15: he putteth no trust in his saints which is the angels; that's King James version; the heavens are not clean in his sight; what did you just say? Did you say the heavens? The heavens are not clean; the unclean; wow; leprosy; am I not teaching on leprosy and how the earthly system is the mirror of heaven? Amen; he said I have a fallen priesthood that I don't trust and they are unclean; yes sir; wow; wow; wow; but I'm stuck with them; rebellion; until the end of six days and then I'll have a government I can trust; hallelujah; hallelujah.

107 Now after that great angelic rebellion two-thirds remained; but the angels know how much Yahweh loves us and he lets us get by with rebellion; amen; and they watch it; amen; Yahweh says I'm going to raise up a remnant that I'm going to assign angels to so that remnant can teach angels how to obey; oh hallelujah; yes sir; yes sir; hallelujah; that's good; that's good; my word; my word; angels are not perfect; wow; they're not Yahweh; amen; amen; they can fall; yes sir; they can fall and they're not pure in his eyes.

108 Why does Yahweh say his angels are not pure in his eyes? They've not been tried in the fire; right; amen; amen; amen; things are making so much sense; thank you sister; wow; they didn't go through any trouble and come out saying the Lord gives and the Lord takes away blessed be the name of the Lord; hallelujah; wow; they got eternal bodies before they got eternal minds; right; wow; oh hallelujah; they fall.

109 Now let me ask you a question today: we know that angels can change because at one time they were in the heavenly temple worshiping; yes sir; so we know they can change; so the logical question becomes if they can change for the bad can they change for the good? The question; why couldn't they change back? Come on; right; that's right; hallelujah; Pastor I don't know about that; you will next week because I'm going to prove it every which way that I can; yes sir; no doubt.

110 Let me show you what Yahweh did with Yeshua; amen; in Hebrews 3:2: who was faithful to him that appointed him; hold on; talking about who? Yeshua; who was what? Faithful; faithful; read: to him that appointed him; as also Moses was faithful in all of his house; for this man was counted worthy; listen; say it again; for this man was; this man, this man alone do I trust; amen; this man was counted worthy; amen; why? He spoke not one word that I didn't speak; come on; there was no rebellion; yes sir; in his heart; yes sir; amen.

111 This man alone; I don't trust my angels; I don't trust my church; I don't trust anybody but this man and whoever else looks like this man; hallelujah; now do you understand what Yahweh meant with the Zedakites when he said the other ministers can serve the temple but only the Zakites can come and serve me in my courts? Yes sir; why? Trusted; trusted; trusted; the church today is not just testifying to people; we're testifying to ANGELS; amen; our obedience our order our submission rebukes the rebellion of the angelic world.

112 Isaiah 24:21-22: and it shall come to pass in that day that Yahweh shall punish the host of the high ones that are on high; hold on; who's he going to punish? The high ones; the angels; no; read it again; who's he going to punish? The host of the high ones; the host = Satan; Satan; Hashetan; and they shall be gathered together as prisoners gathered in a pit; why is Yahweh going to judge the host of the high ones? Greater sins; and then gather the host together like prisoners to restore them; hallelujah; restoration; hallelujah.

113 Oh wow; hallelujah; the heavens became defiled because the priesthood of the heavenly sanctuary developed leprosy; amen; now see the profound connection: as the leprous priest could not serve at the earthly altar the fallen angels became unfit to minister at the heavenly; and here's what happens; follow this carefully; I'm about to prove to you everything I taught today; yes sir.

114 Leviticus 13:46: all the days wherein the plague shall be in him he shall be defiled; he is unclean; he shall dwell alone; without the camp shall his habitation be; and the book of Jude verse 6: and the angel who did not keep their first estate but left their own habitation he has reserved in everlasting chains under darkness until the judgment of the great day; so they were what? Put alone; amen; outside the camp; wow; the leper of the Torah is the fallen priesthood that was put outside the camp; wow; hallelujah.

115 They were unclean; yes sir; why not just give them medicine in the camp and let them heal? Because the medicine in the camp couldn't heal them; come on; but there was something that would; oh hallelujah; but it had to wait outside the camp; come on; until that something could arrive; yes sir; and it's not here yet; amen; amen; oh hallelujah.

116 Revelation 12:9: and the great dragon was cast out, that old serpent called the devil and Satan which deceiveth the whole world; now hold on; everything that Satan brought down according to the word was DECEIVED; amen; they were not goats; yes sir; they were LAMBS; lambs; amen; they were gullible; yes sir; there were angels in heaven Sister Christian that were gullible; wow; amen; wow; they withdrew; wow; he was cast outside the camp to the earth; wow; and the other lepers were cast out with him; wow.

117 Leviticus 16:6 and 11: Aaron shall offer his bullock of the sin offering which is for himself and make an atonement for himself and for his house; okay; the priest has to be forgiven before they can minister again; read: Aaron shall bring the bullock of the sin offering which is for himself and shall make an atonement for himself and for his house and shall kill the bullock of the sin offering which is for himself; Yeshua was our high priest; that's why the Bible said he had to be baptized for Torah's sake; even the high priest had to be mikveh'd; yes sir; forgiven, clean;

even the high priest had to go and offer a sacrifice first for himself before he could clean the sanctuary.

118 Yes sir; I'm fixing to prove to you from the book of Hebrews that the sanctuary in heaven has been unclean for thousands of years; amen; make it make sense Apostle; hallelujah; and the Melchizedek priesthood just said a mouthful: telling you that at one time the ones that stood in the temple of God before it fell had to be replaced by a shadow priesthood called the Levitical; but Yeshua was to restore the original heavenly priesthood without beginning of days or ending of days; it was an eternal priesthood; amen; that began in Yahweh who is eternal; okay.

119 Yeshua is going to bring that priesthood back to a dirty temple; yes sir; no; no; listen: when he gets back to that heavenly temple let's see what the writer of Hebrews said would happen; the book of Hebrews chapter 9 verse 23: it was therefore necessary; somebody say necessary; necessary; a requirement; requirement; read: that the patterns of things in the heavens should be purified or cleansed with these; okay listen: it was necessary for bulls and goats to clean the earthly sanctuary; it was necessary; yes sir.

120 But while we had a clean sanctuary on earth we had a DIRTY one in heaven; oh wow; my my my wow; hallelujah; Satan's stain was still on the sanctuary; there was sin in heaven; wow; so how did we deal with the sin in heaven? Here's what we did: we raised up an earthly tabernacle; and I found a man by the name of Moses that I could trust; yes sir; my God; yes sir; and I said Moses here's what we're going to allow in the short term until we restore the heavenly priesthood: raise up Aaron, dress him like Satan was dressed, put the linen garments on him, make that the temporary placeholder; hallelujah; and I'm going to allow the priest on earth to represent the priest in heaven.

121 Oh hallelujah; wow; wow; hallelujah; cuz my priesthood is dirty in heaven; come on; amen; so I'm going to tell the priest: when you kill the sacrifice eat it; amen; go read your Bible; they had to eat the sin offering; amen; wow; the priest would barbecue it and eat the sin; yes sir; that's why the heavenly priesthood in the book of Revelation took the book and ate it and it became bitter to the belly; it was the type of sin being digested by the Melchizedek priesthood; wow; hallelujah; hallelujah; they took it in their bodies; wow; baptized for the dead if you will.

122 But read: but the heavenly things; somebody say but the heavenly things; but the heavenly things; with better sacrifices than these; to clean up that heavenly mess I needed something better; oh; oh; hallelujah; you listen to me: I need everybody to listen; I'm fixing to unchristianize your mind; amen; hallelujah; the blood of bulls and goats was forgiving mankind just fine; right; come on; but not the heaven; oh come on; wow; it's going to take more.

123 Y'all could have gone on forever with lambs and bulls; yes sir; but they could not cleanse the heavenly temple; they could not cleanse the heavenly temple; they could not clean the REAL problem; hallelujah; and what was the real problem? No trust; amen; amen; for thousands of years Yahweh had very few angels he could trust; and he worked on a man called Yeshua; he

started off with Moses but he didn't do it; Abraham couldn't quite do it; Enoch couldn't quite do it; but he found a man that was worthy to open the book break the seals and free; hallelujah; yes.

124 How much more the heavenly temple; when they tell you that Yeshua had to die for you; oh, he died for his FATHER; hallelujah; so his father would finally have someone he could trust; hallelujah; hallelujah; hallelujah; hallelujah; and John said I looked on the mountain and I saw Yeshua and I saw 144,000 others that look just like you; amen; a trusted government; a 12 * 12 government; yes; hallelujah; yes; hallelujah; fire; wow; hallelujah.

125 Next week I plan to break this down even further; Isaiah 53 and verse 5: leprosy required a certain prescription for healing; and sadly the Christian church believes this is talking about headaches and colds; right? Let's read it: but he was wounded for our transgressions against the first covenant; in the law he was bruised for our Israel iniquities; the chastisement of our peace; what does that mean? We had peace with the lambs we killed but there was still a debt; chastisement was upon him; amen.

126 And with his stripes every one of us are healed; amen; before the stripes the temple could not be healed; amen; the lepers cannot be healed; the church cannot be healed; yes sir; but by his stripes we are healed; God bless you; hallelujah; hallelujah; hallelujah; hallelujah; hallelujah; blessed be the name of Yahweh; hallelujah; oh blessed be his name; hallelujah; we are blessed people; and if you'll come we're going to pray over the people; amen; Father we thank you for this region; thank you Father; we thank you for the elders and the saints; hallelujah.
