

I'm picking up on part five. >> Hallelujah. >> Of They died in another. >> Oh yes. Hallelujah. >> Amen. Praise the name of the Lord. >> Oh yeah. >> Now today's message is going to go against everything we were ever taught in the Christian church. Imagine that. >> Amen. I'm going to be introducing a concept today that is very earthshaking and it's something I never considered. Last night I started writing the introduction to my new book which will be uh hopefully I can get it out by tabernacles. I just finished the Toto book yesterday so I'm trying now to get one more done. But in the introduction, I thought >> about all of the revelations, brother Cunningham, that we have come into in the last something has changed over the last couple of months. And the level >> Amen. >> We've gone beyond the Sabbath and the holy day. There's there's another level that has kicked in. >> The priesthood. >> Yes. >> The priesthood. >> Yes, sir. >> And where did this idea come from? finally understanding what I don't know of any other group that truly understands >> is the mirroring of the heavenly temple >> with the earthly tabernacle. >> That's right. >> I don't know of anywhere that truly grasp that. >> And so I'm asking the Lord, how did this depth come? Because if we're here 10 more years, I just don't know how much deeper it can go. >> Yes, sir. >> Amen. Yes, sir. I mean, I'm to that point where I'm like, >> surely this is the ceiling. I mean, we're at the grandest of the grandest of understanding the priesthood, >> right? Yes, sir. >> And the Lord spoke to me and said, no, the revelation did not come suddenly. He said, I want you to look back >> over the framework. >> Amen. >> It took a decade >> to build it. >> Amen. Yes, sir. And so I said, "Where did this great love come from that we have for the heavenly temple and the tabernacle?" And that came when we discovered songs of the Sabbath sacrifice. Anybody remember that? >> You're supposed to play that the first quarter of every year. And we do that here. In that book that we found in the Kuman caves, the Dead Sea Scrolls, we found a group of people just like us that lived out there and they had an understanding that nobody else has. >> Oh, hallelujah. >> They understood the heavenly temple. >> Yes, sir. Mhm. >> And in their writing that they left for us, they tell us that when they would gather on the Shabbat, they were gathering with >> the heavenly priesthood. >> Hallelujah. >> And that we were just mirroring in our worship >> what they were doing in heaven. And I thought, where did that come from? We would not have gotten that unless 10 years ago this ministry would have found the Zetakite cal. >> Amen. >> Amen. Apostle. >> Yes. >> Amen. >> Yes, sir. >> Amen. >> Amen. >> We were the first ministry that I'm aware of that accepted the Zetakite calendar. >> And now all the major ones are doing it. Lying and Lamb. All of the big ministries are now on that calendar because when you're pioneering something, you always seem like the strange fellow >> pioneer. >> Anytime you're a pioneer, >> Amen. >> you're always the false prophet. >> Right. >> 10 years later, >> come on. >> Yes, sir. >> For example, >> this ministry when we started saying the name Yahweh 10 years ago, >> everybody thought we had lost our minds. And now everybody says it >> because somebody has to go before, >> right? >> And what? Lay down the path. >> Hallelujah. >> Make the crooked places straight. >> Build the frame. >> Everybody's not willing to do that. >> Amen. >> They're just not willing to do it because it comes with ridicule. >> Yes, sir. >> But we accepted that calendar. And without that calendar, we would never have accepted the songs of the Sabbath sacrifice. All right. >> Without the songs of the Sabbath sacrifice, we would never have known there was a heavenly temple. >> Now, from there, what do we do? We go and spend \$30,000 on tabernacle furniture. >> That's how connected we became >> to the heavenly temple. >> Hallelujah. >> And uh the ark of the covenant is finished. We're going to be picking it up before tabernacles. Amen. I'm excited about that. >> Hallelujah. >> We will be bringing it home to headquarters. Amen. >> But how did we get so connected to that? And it's because we have been willing to follow every unusual thing. >> That's right. >> That Yahweh said to us and today will be no different. >> Amen. >> Amen. We have to understand Yah's going to have a people in the end time where he is restoring. Somebody say all things. >> All things. >> What does the prophet Elijah before most of the Christian church is waiting for the coming of the Lord? None of them are waiting for the coming of Elijah. >> Amen. Apostle >> they don't even know >> they missed Elijah the first time except for a handful. >> Right. a remnant. Hallelujah. >> I see that remnant today. Amen. I see that remnant today. >> They were so blind what was happening in their world. There's people sitting in this room today. They're blind as to what's happening. They're so carnal minded, worldly minded. They have no idea that while the whole world is saying come Lord Jesus they have missed the very thing that precipitates his coming. >> Amen. The very thing >> now in the days of Yeshua somebody said now you cannot be the Messiah. >> He said why? Because the prophet said before you come >> Elijah must come. >> That's right. >> And he said to them, "Are you so blind?" >> Right. >> He was here. >> He was preaching at the River Jordan every day. >> He was here. >> He was here. >> Yes, sir. >> He was there. You chose, you religious leaders chose to ignore him. But don't worry, there was some people down by the river. Hallelujah. Hallelujah. >> There was some people down by the river. Hallelujah. >> They were down by the riverside. >> Down by the riverside. Down by the riverside. They was down by the riverside. >> And when Elijah be to speak, they recognized that they must hear that message >> so that when Yesua comes, they could work with him. in his ministry. And that's where we are today. >> Now, when Elijah comes before the second coming of Christ, we have to ask this question. >> If he's truly going to restore all things, >> that mean that's scary, >> right? >> Because that means he's going to mess your thinking all the way up. >> That's right. Yes, sir. >> He is. And some of you have some pet things that you really like. >> Yes. >> For example, one of the biggest lie taught in the Christian church is that God Yahweh, it's called incarnation. >> He became a man. >> Come on, Apostle. >> That's blasphemy. >> Yahweh said he was not a man. Neither was he the son of man. He said in his word, I am eternal. I'm not a man. >> Hallelujah. >> Hallelujah. >> Hallelujah. >> So when Elijah comes, he's going to have to tell the Christian church, your Jesus that you've created, your God man is a false idol in the house of Yahweh. Yes sir. >> As

a matter of fact, Jesus Christ, the so-called son of God, the one created by Roman Catholicity, >> that Jesus Christ is the one sitting in the temple of Yahweh making himself God.

>> That's true. Yes, sir. >> But God's going to send a prophet in the end time. and a group of people that's going to tear down that image of the son of God and rebuild the correct one. >> Hallelujah. >> Hallelujah. >> Hallelujah. >> They're not going to rebuild a Greek Jesus. >> Now, how do we start that process? Well, think about it. Just think about it.

If you're going to change someone's identity, the first thing you may want to find out is what their real name is. >> It was the Greeks that turned Yesua >> into Jesus. >> They turned him into Isus, I sus. >> Yes, sir. >> And then the English changed him into Jesus. But if you translate the name Yesua, it's Joshua, >> not Jesus.

>> Make it plain. >> So the reason the name is so important, >> people, we're not being nitpicky over a name. >> We're restoring an identity. >> Hallelujah. >> It's not just a name that we're infatuated about. It's an identity. A Greek Jesus versus a Jewish Hebrew Yesua. Hallelujah. >> Hallelujah. >> Everything about the Jesus that you've been given is Greek. Everything.

>> But Elijah's going to come and say, watch this. The first thing Elijah did was identify who the son of God was. >> The first thing he says in scripture is behold >> the lamb of God. >> Hallelujah. >> Amen. >> He didn't say like your Christian church, behold the God man. >> The lamb of God.

Behold very God and very man. >> Behold God in the flesh. >> No, he said behold the son or the lamb >> of God. >> And when Elijah comes, he will jerk back the false identity of a Greek Jesus. >> Yes, sir. >> And reintroduce you to your true Messiah. >> Amen. >> And so that's where your journey began. So don't let anybody, I beg you, say these words to you.

What difference does it make? >> After all, it's just the name. >> No, no, no. It's an identity, not a name. >> It's an identity. A false one. >> Amen. >> Versus a real one. Then if we're going to use that argument, let's use this one as well. >> You You're a woman. Am I correct? >> Yes, sir. >> Well, what if I just want to call you a man? No, I will not accept.

>> You will not accept. >> No. >> Neither will your father accept when you change him to a man >> or change his identity. >> So names do matter >> because identity matters. If I call her a man, it I've changed her identity. >> Yes, sir. And brothers and sisters, Yeshua, the true son of Yahweh, the one that took no glory, the one that pointed everyone to his father, there's going to be a ministry in the last days that takes you back to the river.

>> Amen. >> Rebaptizes you and says, "Behold the son of God." >> Amen. >> And that's where we are today >> in this restoration period. We have restored to you what it means to be baptized for the dead according to Paul. >> Amen. >> We've restored to you what the sacrifices of the Old Testament were really all about.

Now, the Christian church taught us what they told us that the lambs in the Old Testament could not forgive sin. >> Is that true or false? >> False. The Christian church said the reason Jesus had to die is because those lambs could not forgive your sin. But we know that's not true now. >> Amen. >> Okay.

The reason Yeshua died was not to forgive the sins of the world. >> Because the world had no sin. >> Amen. >> I want to give you an example. >> He died only for the sins of the lost sheep of the house of Israel. That's why today in heaven, he only wears the breastplate of the 12 tribes. He's their savior. >> Yes, sir. >> Amen. >> Oh, yes. >> Amen.

>> And now when you understand that, you have to deal with three scriptures. There's three scriptures that totally contradict one another that would make anybody throw their Bible down and never open it again. Listen, if Yahweh would not have delivered me as a little boy, I would be an atheist today.

I found so many errors >> in that book cuz I've got a brain. >> Amen. >> And you're not going to convince me that faith takes my brain away. >> Amen. Yes, sir. Amen. >> There were so many. Uh, don't tell me there's no errors. >> I can show them to you. >> Matter of fact, I'm going to show you one. >> Hallelujah. >> Come on.

Yesua told his disciples, "Do not go to the Gentiles." >> Y >> He said, "Go and witness, but do not go to the Gentiles." >> Yes, sir. >> In another scripture, he told him, "I only came for the lost sheep of the house of Israel." >> That's right. >> And then in Matthew 28:19, he says, "Now go into all the world and preach the gospel." >> Come on.

>> Which one is it? >> Which one is it >> is it? Right. >> That's right. >> Well, you can't know that unless you watched my sermon two weeks ago on the meaning of the word world. >> That's right. >> That's good. >> Come on. >> You have to understand what world he was sending them into. Whenever you say when you look at the forward family and say they're my world, that's the world he was sending because the lost sheep were scattered around the world.

>> Yes, sir. >> Hallelujah. But without that understanding, people look look when when when I was confined for three years and hidden away, the smartest people in the world is in there. >> Yes, sir. >> And all they do is read this Bible night and day. >> Yes, sir. >> Plenty of time. >> They got It's all they got.

And they can show you so many discrepancies. They couldn't never show me one because I had the Holy Ghost. >> Hallelujah. I understood by the spirit what carnal eyes cannot see. >> Those three verses is enough. I'll give you another one. >> Yesua said, "There's some of you standing here today that will never taste of death >> until you see me in my father's kingdom.

" >> That's right. >> That's right. >> He was talking to his disciples. How many knows they're all dead today? Yeah. >> How many of none of them saw the kingdom? >> We've got a problem, >> right? >> But we really don't. >> Nope. >> Because go down one verse. One verse. Oh, you got to go down. >> And you'll see that Yesua took Peter, James, and John.

>> Didn't he say some of you >> standing here? >> He took the remnant, Peter, James, and John. He said, "Come with me >> on this mountain. We're going to go to the top of the mountain and whatever you see, >> you don't tell nobody. >> Amen. >> Hallelujah. >> And when they got to the top of the mountain, the Bible said they saw Moses and Elijah.

>> Well, how many of you know Moses and Elijah are dead? >> Their graveyard dead. Yes, >> sir. How many of you know the Bible said that they saw Yesua transformed from a physical human body to a light that was glowing from him? They were seeing him in his father's kingdom. >> Hallelujah. >> With Moses and Elijah.

>> Hallelujah. >> And then as they're tiptoeing back down the mountain, he turns to them and says these words, "Tell no man the vision you just saw." It wasn't reality. They were carried away into the Lord's day, the kingdom of God, and they saw exactly what Yeshua promised them. >> I want you believers to know something.

There's not one era >> in the word of Yahweh. It is settled forever in heaven. >> Forever. >> It's rock solid. Amen. >> When everything in your life is crumbling, this will not crumble. >> That's right. >> Plant your feet on it. >> Amen. >> That's right. >> And that brings us to today's lesson. >> Yes, sir. >> Hallelujah.

>> I was asked a question that bothered me. I think I was in region four. Is that Elder Barfield's region? >> Yes, it is sir. >> I was there teaching part two, I believe, till they died in another. And I was asked a question by brother Honator that messed my head up cuz I was teaching that if you sinned in those days, you had to get a lamb >> and all your sins would transfer into the lamb.

>> Right, >> brother Honor. And I taught that the reason that was is because the lamb was innocent, >> right? Yes, sir. >> And he was willing. How many remembers that? >> Submitted. Yes. >> Brother Honator said, "Pastor, I have a question." He said, "If the lamb is willing, and that's the only one, then why did Yahweh allow all these other animals to be sin sacrifices?" >> Amen.

>> Besides just >> a lamb, >> well, I did not have an answer. I I didn't have a good answer. I had a canned answer. >> Yes, sir. >> But not a Holy Ghost answer. >> Right. I went home and I said, 'Lord, why did you allow that? Don't make no sense. Why did you allow goats to be a sin offering when they're not >> pure? They're rebellious.

And the Lord gave me the answer. >> And that's going to start us on our lesson today. >> Amen. >> The first thing I want you to notice is these animals that were chosen for sacrifices. Let's go through them. >> Okay. Yes, sir. >> The bullock or the bull, a goat, a lamb, and doves. That was the animals that were allowed to be selected.

Now, as I was praying about an answer to this question, I began to get that Josh level hint. >> Yes, sir. in my spirit mind. And the Lord spoke to me and said, "These animals were not randomly chosen. They were chosen for a reason." >> Okay? >> And he said, "I'm going to show you the reason.

" But before I tell you the reason today, notice the animals that were never allowed to be a sacrifice. Number one, horses. Yes, sir.

>> Dogs. >> Yes, sir. >> No regal animals like the lion. >> Yes, sir. >> No predators, only dumb animals. >> Wow. Wow. Hallelujah. >> Amen. Do I have any farmers here? There's a certain group of animals that are known as dumb animals.

>> Say that, Apostle. >> Say it again. >> Willing. >> Willing. They're dumb. I didn't realize when I taught that that the horse is intelligent. >> A dog >> is intelligent. >> Is intelligent. >> Yes, sir. >> Animals of the kings of the jungle >> are all intelligent. But there's a group of animals that is dumb as an ox.

>> Yes, sir. >> You ever heard that? Say it. >> Yes, sir. >> Dumb as an ox. No horses because horses were trained for war, nobility, no dogs, no lions. All of them were rejected. Only bulls, goats, lambs, and doves. Let me tell you why. Yahweh spoke to me and he said, "Every animal that I called to the altar were just like there are four living creatures in heaven that represent me.

" Notice those four living creatures. Anybody remember them? >> The lion, the ox, the eagle, and the king. >> Okay, there are the kings of the animals, >> right? Those kings represent my nature. >> Wow. >> But every animal I called to the altar represented that dumb creation that I created. >> Hallelujah. >> Pastor, how would he call us dumb? The Bible said, "A man that chooses sin over righteousness is a fool. He's dumb.

" >> Wow. >> Hallelujah. And Yahweh said, "I called these four animals because each one of them represents a part of you that's got to die." >> Come on, Apostle. Wow. Dumb animal for a dumb man. >> Come on, sir. >> That's right. That's what it is. >> Amen.

>> Foolish animals for foolish men. >> Wow. >> But the eagle, not the eagle.

>> Oh, no. We can't put the eagle >> on the altar. Why? that represents our kingly nature. >> Oh, come on. >> The animals that go on the altar are the total opposite of what you're to become. The four living creatures. >> Hallelujah. That's good. >> Make it make sense. >> Come on now. >> When you begin to see what these animals represent, you're going to find out he sought s he sought animals not at our pinnacle.

The horse is our pinnacle. >> Amen. >> Come on now. >> Amen. >> That's our That's our pinnacle. >> Amen. >> He didn't want animals that represented what we were going to be. >> Animals represented what we was. >> Hallelujah. >> But he wanted the parts of our nature that needed to die on an altar. >> Hallelujah. >> Hallelujah.

>> Hallelujah. Hallelujah. >> Hallelujah. >> Wow. >> Do you know why? Because the altar, my brother and sister, do you know why nobody likes to go to the altar? Even in this ministry, we have a hard time getting people to get on their knees at an altar. >> Amen. >> Do you know why when you get to an altar, you're going to see how dumb you are.

>> Come on. >> Right. >> Amen. Apostle >> with that. >> Yes. >> It's at the altar you're no longer in control. the eagle in you, the horse in you. It's at the altar where you don't see those things because the minute you get to an altar, suddenly you see every dumb thing you did that week. >> Come on now. >> Come on now.

>> You see every chicken word that came out of your mouth at the altar. >> Yes, sir. And Yahweh wants you to bring those parts of your nature that are dumb. >> Amen. >> And transfer them. >> Get them out of you. >> Release the cow in you. Yes, sir. >> Release the bull in you. >> Release the goat in you and even the lamb.

And I'll teach on that in just a moment. Because there's parts of you that must be slain on the altar if you're going to become the 144,000 >> because the four living creatures represent the 144,000. >> What's in those living creatures? The eagle. >> There's an eagle in you, Mother Meyers. But it's not the part of you that needs to die. That part needs to rise.

>> You've got to let the chicken die. >> Hallelujah. >> Amen. >> I'm not a Native American, but I'm told that the Native Americans said that every human identified with an animal. >> It was called their animal spirit or something. Yeah, >> I don't quite know how to phrase it, but they would literally name you after the animal uh uh running bull or or if you were slow slow chicken, whatever you got the name.

>> Amen. We get >> of the animal you represented. >> Mine would probably be sitting turtle. Yahweh sees your animal nature. >> Amen. >> And he wants you to bring them all to the altar. Let's read Leviticus chapter 4. Remember, the altar was never meant to

flatter us. It was meant to expose us. >> Come on. >> Yahweh don't want you to bring your horse to the altar cuz you need to be running with horses.

>> Amen. >> Right. He don't want you to bring your eagle to the altar. He wants you to bring your dumb nature, that human nature.

>> Yes, sir. >> Let's read Leviticus chapter 4. We'll read verse three. Elder, who's reading for me? >> Amen. Yes, sir. >> Leviticus 4 and 3. If the priest that is anointed do sin according to the sin of the people.

>> Let's do it. Start over. >> Amen. Leviticus 4 and chap chapter 4 and verse three. If the priest that is anointed do sin according to the sin of the people, let him bring for his sin which he has sinned a young bull without blemish unto Yahweh for a sin offering. So we already see when the Lord spoke to me that each animal represents the nature. The priest is the leader.

>> A lamb won't work for him. >> Only a bull will. >> Hallelujah. >> That's why I tell people there are degrees of sin. I don't care what anybody tells you. >> Oh, there is. If you're a leader, >> your judgment for sin, a lamb won't take care of it. You need a bull. >> Come on. >> Wow. >> Amen. >> You hear me? >> Yes, sir.

>> Yahweh's always required the priest. He can't bring a lamb. >> His nature is that of a leader. >> Amen. >> He is the strength of the congregation. >> Wow. So if he sin, he has to bring his nature, the animal that identifies with his nature, the leader. >> Hallelujah. >> As a sin >> offering >> unto Yahweh. Read verse 13.

>> Amen. And if the whole congregation of Israel sin through ignorance, and the thing be hid from the eyes of the assembly, and they have done somewhat against any of the commandments of Yahweh, concerning things which should not be done, and are guilty, when the sin which they have sinned against it is known, then the congregation shall offer a young bullock for the sin, and bring him before the tabernacle of the congregation.

So if the whole congregation is in sin, a lamb won't work. You got to bring >> a young bull. >> A young bull. >> Amen. >> Why? Cuz that congregation has been acting like a bunch of young bulls. >> Wow. >> They won't be bridled. >> Wow. Matches their nature. >> Come on now. >> Yes, sir. >> Come on. Make it make sense. >> They've got that strength and energy running from Yah doing their own thing like a young bull.

So you go bring a young bull, which by the way is going to cost you a whole lot more than a lamb. Do you understand the degrees of penalty? >> Wow. >> It's going to cost you. A bull is a hundred times the price. >> Yes, sir. >> of a lamb. Somebody is going to miss that bull. You're going to know >> that you've committed a graver sin.

>> Yes, sir. >> As a leader and as a whole congregation. Y >> than individual sin. >> Wow. >> That's why Yahweh holds leaders. That's why I tell people all the time that says, "Pastor, you need a board." I said, "I've got one." >> Amen. >> It's spelled Y A H W A E H. >> And whenever he judges a leader, you don't you ain't got to worry about it.

>> Hallelujah. >> You ain't got to worry about it. >> Amen. >> He don't play with leaders. >> Come on. The leaders affect the whole >> Sister Bri Hart. If you sin, >> it will affect you and your family, >> right? >> Not the whole congregation across the nation. >> Come on. >> But I'm the bull. >> Yes, sir. >> You understand? >> Yes, sir.

>> I'm the leader. >> Amen. >> And when the leader has fallen into sin, >> oh, >> a lamb won't work. >> Come on. >> A little bit of punishment won't work for me. That's why he had to send me to prison for three years. Yes, sir. >> Hallelujah. >> Oh, yes. Some of you should have went, but you see, you wasn't the leader.

You wasn't who? See, you didn't get caught, >> right? >> Come on. >> So, a little lamb will work for you. >> Amen. >> But not when somebody's got a calling to lead. >> Come on. >> He demands more of them than anybody in the congregation. Yes, >> sir. >> That's why I came here today tired in my body. >> Come on.

Got to be at the doctor Monday morning, but I came anyway because I'd never want the judgment of Yahweh. >> Amen. Apostle >> Hallelujah. >> I can't afford a bull. >> Mighty man of y'all. >> I can't afford a bull. I don't have the money to pay for a bull. >> Come on. >> You realize it's not a literal bull. You understand, right? It's a price.

>> Yes, that's right. that you'll have to pay >> because the bull is the strongest in the congregation. >> Yes, sir. >> You elders, >> your bulls. >> Yes, sir. >> That's why when you walk away, I have to get on a Zoom meeting with the precious people you leave behind. >> Amen. >> Because your decision affected, come on, >> the congregation.

>> And when it comes time for you to pay your bill, God help you. >> Come on. Come on, Apostle. >> Amen. >> You don't walk off from where Yahweh >> That's right. >> has anointed you to serve. >> Hallelujah. >> You don't let a wife pull you away. >> Come on. >> Or a husband. >> Hallelujah. >> Hallelujah. >> You can't afford it.

>> Can't afford it. >> I said you can't afford it. >> Oh, you'll get by with it a little while. >> Right. But you got to >> But when you got to bring that bull, >> oh, hallelujah. >> You'll know you've paid a price. >> Yes, sir. >> Hallelujah. >> Stay faithful to your calling. >> Amen. >> Make your election sure.

>> Why? This is not our church. It's his. >> Hallelujah. >> We're servants here. >> That's right. >> The next animal is the goat. Leviticus 4:22. >> Amen. Now, here is when the pastor doesn't need a bull if he makes a mistake. >> Yes, sir. >> Let's read that. >> When a ruler has sinned and done somewhat through ignorance.

>> Hold on. >> You see the levels of punishment. >> Yes, sir. >> If that same pastor that just had to pay a bull sins >> in ignorance, >> it's not premeditated. Amen. >> It's ignorant. >> Amen. >> There will be a lesser cost. >> Amen. >> Read. >> Somewhat through ignorance against any of the commandments of Yahweh his God, concerning things which should not be done and is guilty.

Or if his sin, wherein he has sinned, come to his knowledge, he shall bring his offering, a kid of the goats. >> What is it this time? >> A male without blemish. >> Now, it's not a bull. >> It's a kid of the goat. It's the kid of the goat. Read. Is that the end of verse 23? >> Yes, sir. >> All right. Now, if the ruler sins, he has to bring a male goat, not a female goat.

Do you know why that is? Because the goat is never content and boundaries. >> Amen. >> The goats are restless. The goats are curious. >> Yes, sir. >> Wonder if they could start their own work. >> Come on. Say it. Apostle >> always looking over. >> Come on. >> The other field. >> The goat nature is a nature >> that test for the fences.

>> You you you said that >> it's a nature that explores forbidden territory. >> Always wanting what's on the other side of the fence. Now, the goat's not a >> bad creature. >> No, >> he's a curious creature. >> He's a curious creature. >> He don't like gates. >> No. >> He doesn't like structure, >> protocol. >> That's right.

>> Organization. >> Submission. Order. >> Amen. >> Not a bad person. As a matter of fact, he's very close. He's kin to the sheep. Yes, he is. >> Anybody awake this morning? >> Amen. This is good. >> The only difference in the goat and the sheep, a lot of goats don't even have horns, >> right? Yes, sir. >> It's not their horns, it's their nature.

>> Their nature. Amen. Amen, Apostle. The goat is always the soul that sins through wondering. Amen. >> Oh yes. He's not happy with his family or his ministry. That leader wondering is a wondering star. The Bible said this is the man now, not just the pastor, any leader, >> Amen.

in the congregation of Israel, you're going to pay a price when you wonder. >> Come on. >> However, you're not going into sin because you were weak. You went into sin because you were exploring. >> Yes, sir. >> Yes, sir. >> Amen. Apostle, >> this sin didn't take you by surprise. You put yourself >> in the path. >> Come on, sir. Say that. >> Now, you did so ignorantly because your nature was a wondering nature.

>> Amen. >> And if that's the case, just bring a good goat. Don't bring me the bring me the male. Bring me something that's going to cost a little bit, >> right? >> But not quite as much. >> Amen. Not quite as much, >> lesser of a price. >> That's why if you and I or you commit a sin, you get to bring a lamb. >> Amen.

>> But when Jimmy Swagger committed a sin, it affected the whole world. >> Wow. >> And it cost him even in death. They were still talking about it. >> A high price. >> You're going to pay a high price for low living. >> Yes, sir. >> I said you're going to pay a high price for low living. >> Amen. >> Yes. goats. They don't want a pastor.

>> No. >> They want a Bible study. >> Yes. >> Come on. >> Right. Oh, yeah. They want a Zoom meeting. They don't want a man that's in authority over no accountability. >> Right. Amen. >> When you've got a goat nature, you don't want a husband in authority over. >> You just want to wander. >> Yes, sir. >> That person will pay the price.

>> Yes, sir. >> Goats like to climb walls they shouldn't climb. They sure do. >> Sneak into gardens where they're forbidden to enter. >> Yes, sir. >> Wow. >> Now, let's read about the next animal. Leviticus 4 >> verse 32. >> Amen. Leviticus 4:32. And if he bring a lamb for a sin offering, he shall bring it a female without blemish.

Now, this is just for the regular church folk that sin, they shall bring a lamb without blemish, a female lamb. The lamb is a picture of meekness. It's a dosile animal. >> Amen. >> Not a rebel. But here's what it is. Listen carefully. It's not a rebel, but it's an easy prey for deception. >> Yes, sir. Wow. >> Wow.

>> Come on, pastor. Make it make sense. >> And that's why Yeshua was called the lamb, >> right? >> Because he's dosile. >> Yes, sir. >> He's not a goat and he wasn't a bull. He was a lamb. He was dosile. He stayed in the fence his father built for him. >> Yes, sir. >> In the word. That's why he was the lamb. But the lamb represents that weak person, the gullible person.

>> Yes, sir. >> The one who sins not through rebellion, but because everybody else did. >> Amen. >> They have a lamb nature, >> right? They're followers >> following the other lambs. >> And they do what the crowd does. >> Oh, come on. Say it. >> They do what they got deceived into doing. >> Wow. >> And the reason Yesua is the lamb of God is because Satan has deceived >> the whole world.

>> And if there's sin by deception, >> Yes, sir. >> it's got to be >> Amen. Amen. Apostle. >> Hallelujah. Thank you. >> Amen. >> This is good. >> Wow. >> This world was not filled with goats. >> Yes, sir. >> It was filled with lambs. >> Yes, sir. >> That got deceived. >> Amen. >> Amen. >> Hallelujah. >> Now, yes, there's always a goat here or there, but by and large, most people >> are just deceived.

>> Amen. >> Yeah. >> Amen. >> They don't sin willfully, >> right? >> They're easy. >> Good people. >> They're easy pray. Yes, sir. >> to be deceived. >> And those people, the Bible said to him, Yeshua said, >> to the man that knoweth to do good >> and doeth it not. Notice that word knoweth. >> Knoweth. >> That means he's not deceived.

>> Right. >> Come on now. >> And he doesn't do it, he's going to get many stripes or a bull. >> Amen. Yes. >> But to the man that did not know, what does that mean? He was deceived. >> He will get a few stripes. >> Come on. >> Or a lamb. >> That's right. There it is. >> Do y'all see where I'm >> in Christ? Make it make sense.

>> The Do listen to me. Do you honestly think, children, that the people in this world want to wake up every day stoned and out of their mind? >> No, sir. No. >> Do you think the whole world wants to be strung out on Xanax? >> No. >> No. But something they were lambs and something got a hold of their minds.

And it wasn't the word of God. It was the word of the world. It was the deception of this age. And that's why Yeshua said when they were crucifying him, "Forgive them." What did he say? They're lambs. They don't know what they're doing. >> Hallelujah. >> Hallelujah. >> That's why you cannot be anti-Semitic. Those Jews didn't know what they were doing because Yahweh had blinded their minds.

>> Amen. >> Do you know why? Somebody said, "Pastor, why would Yahweh, think about this, allow Satan >> to deceive the whole world so that Yahweh wouldn't have to judge them as goats?" Come on. Hallelujah. >> Wow. >> That's good. >> That's deep. >> Wow. >> So that he could send the lamb >> to die for the lambs. >> Hallelujah.

>> The ones that followed the crowd wherever it went, >> he allowed them to be deceived because of Torah's mercy. >> Hallelujah. >> He abide by his own law. He says, "If I let them all be deceived, I can send one lamb for all of them." >> Hallelujah. >> Hallelujah. >> Hallelujah. >> What a plan. >> What a plan. >> Torah is the book of mercy.

>> Amen. >> People think it's a heart. No, it's the book. This is the mercy plan of Yahweh for the world. >> Hallelujah. Now notice what he doesn't have mercy on leaders. >> That's right. >> That's right. >> And those that know better. >> Amen. >> There's people in this room today, your lamb status is over. >> Amen.

>> You're in eagle status. >> No wink of ignorance. >> There's no ignorance in this room. There's no ignorance in this zoom. >> Amen. >> Amen. Amen. >> And when you turn your back on truth, >> you're no longer qualified for the covering sir >> of a lamb. You're going to pay the price of a bull. >> Wow. >> Hallelujah.

>> Hallelujah. >> Hallelujah. >> Now, there's one more animal that I really want to teach on today, but I'm not >> them doves. Oh, >> because if I teach on it today, it's going to give away the real meat of this message next week. >> Oh, >> but there was another animal that Yahweh allowed. >> Yes, sir. >> It was the dove.

>> Yes, sir. >> Now, I'll try to just touch on it, maybe give you enough hints. >> Okay. [Music] If I were going to ask you, Sister Teresa, >> hello. >> If I said, "Here's a lamb on earth. >> Find me something in the heavens that's identical to the lamb." >> A dove. >> Same nature. >> Oh, >> a dove. >> I guess it would be a dove.

>> A dove. >> Amen. Some people listen could not afford a lamb. >> Right? >> All they could get was a dove. A dove was a lamb in heavenly form. >> Come on. >> Amen. Amen. >> And now you might know why when he entered the waters of baptism. Hallelujah. Hallelujah. >> Now you might know why the dove met up with the lamb.

Because both sacrifice. [Music] >> Wow. Hallelujah. >> It's truly when heaven met earth. >> And so if you could not afford a lamb, >> you could bring the heavenly counterpart of a lamb, >> which was a dove. >> Wow. Now, next week, I'm not finished for today. Don't get excited. Next week, we will move into an area about these doves that will forever change your whole life. Amen.

>> Amen. Thank you. >> The lamb and the dove are more important than you can ever imagine. >> I want to move now >> heaven and earth meeting up >> into I want you to picture with me. Let's go to the tabernacle in our minds. Today is the day of sacrificing. I want you to picture this.

We walk through the front door of the tabernacle. Do we have a picture of the tabernacle in here? >> No. Okay. I'd like Let's get one in here. That's part of our ministry. Walk through the front door of the tabernacle. >> Amen. >> What's the first thing you run into? >> What? >> What? But after the door, what >> after the door? >> What's first? >> The altar.

>> What did you bring to that altar? One of those four five animal sacrifice. >> In your mind, who is standing at the altar waiting for you? >> Priest. >> The priesthood. >> The priesthood. >> That's right. >> Their job was to stand at the altar. Never forget. that I'm preaching on the priesthood. >> That's right. Yes, sir.

>> Their job was to accept on your behalf your sacrifice. >> Amen. And transfer. >> If there was a priest of the tribe of Levi that had sinned that week, you would know it. >> Yes, sir. >> Cuz you would look in the courtyard and through the front door would be a massive bull. >> Wow. >> Wow.

It's hooves scraping the earth, nostrils flared. >> Wow. >> A living symbol of stubborn pride that must be broken. >> A priest or a ruler, anyone in leadership tugging that beast. >> Wow. >> That was straining against the ropes. A four-legged parable of his own tendency >> to rebel after he knows the truth. >> Hallelujah. >> A farmer.

Let's go and look across the field now. And you'll see a farmer with a goat trying to climb out of his arms. You'll find a lamb, innocent eyes, gullible. And then you'll see a poor little widow with no money, a little cage in her hand. >> Oh, hallelujah. >> And there's two small doves. The only offering she can afford. Every animal at the altar is preaching to you.

>> Wow. >> Every death declares this animal is you. >> Amen. >> This animal must die. >> Yes, sir. >> Even your gullibility. >> Yes, sir. Yeah. >> Amen. >> All right. >> This is good. >> You're wondering. >> You're rebelling. These animals are preaching to all of us. Cuz when you go to the altar, leave your horse.

We don't care. That's your pride. >> Right. >> That's your good parts. See, you and I, we try to bring horses to the altar. >> Oh, come on. Come on, Apostle. >> We try to tell God how good we are. >> Oh, come on, Apostle. >> We try to say, "Look, I mailed my tithe check in." That's not what he's after. >> God said, "Take your horse off the altar.

" >> Amen. Apostle, >> we ain't going to work on what you're doing. Right. >> Right. >> Come on. Hallelujah. >> You got to work on what you're doing. >> Hallelujah. >> Hallelujah. >> Don't bring your eagle. Don't bring your axe. Bring the bull, not the ox. >> The bull is not the ox. >> The ox is the king of the bull.

>> You understand? >> Amen. your kingly nature. When you receive the Holy Ghost, the eagle is supposed to replace the goat. >> You understand? >> The ox is supposed to replace the goat. >> Those kingly natures that you've been called to is supposed to replace who you are with your addicted self. The drugs say smoke, you say, "Okay.

" You know why? Cuz you're a goat or you're a lamb. You're developable with everybody else. Hallelujah. >> That's good. >> You've got to bring your follow the crowd self to the altar. >> Amen. >> Oh yes. Do you know why many of you believe the false doctrines of Christianity? You're a lamb. >> Yes. >> Oh yes. >> Follow the crowd.

>> Yeah. You let them lie to you and you keep going. >> That's right. >> Why? Cuz it's what everybody's doing. >> Amen. >> It's exactly right. >> Oh yeah. >> Amen. >> You know why? You kept Christmas all your life. You know, it didn't celebrate the birth of Christ. That's about your crop. You know, >> everybody else did it.

>> When you go to the office party, everybody's drunk celebrating Jesus. >> Come on. Everybody did it. >> Yes, sir. >> You did it because everybody does it. >> Amen. >> There's a gullible part of you that needs to die. >> 2020 made a gullible part die in a lot of people. >> Hallelujah. >> You got to let that part die. Yes.

Hallelujah. >> I will be a lamb. >> Hallelujah. >> No, I won't be gullible. >> Amen. >> If I see it in the word of God, I'll become an ox. >> Hallelujah. >> Amen. Hallelujah. >> I'll lay this down. >> Yes, sir. >> Now, that's the foundation. If bulls and goats and lambs and doves all preach sermons about human human nature >> nature. Yes, sir.

>> There is a chapter that we're not going to get to today talks about a ceremony that included living birds. When you go to the altar, listen to me. If you ever pray, Sister Sherry, I tell people, "How do I know?" People say, "How do I know God is listening?" >> Here's how you'll know. >> Yes, sir. >> He will tell you what you don't want to hear.

>> Amen. >> Amen, Apostle. >> Amen. >> Amen. >> If God tells you you're doing good, get up. That's not the voice of God. >> Come on. Hallelujah. >> Hallelujah. >> Hallelujah. >> He's not trying to fix what you're doing right. >> Oh, hallelujah. >> Trying to fix what you're still doing right. >> Oh, hallelujah. >> Hallelujah.

>> Hallelujah. >> If you want to be bragged on, talk to your mama. >> If you want to be changed, talk to your father. >> Hallelujah. >> Hallelujah. >> Wow. If you get up from prayer and he's not giving you somebody's name to make something right with, you probably didn't pray. >> Come on. >> This is good. >> That's good.

>> Why? >> The altar is not to promote you. No. >> It's to kill you. >> Come on. >> And if you'll die, you get automatically. >> Hallelujah. >> Hallelujah. >> Fire. >> Automatically fire. >> Yes. Hallelujah. God's not impressed with any of your animals unless >> it's the four living. >> Burn us up. >> Amen. >> Burn us up, Father.

>> Bring your animal to the altar. >> Amen. >> Find your nature. No. Don't look at the horse and tell everybody how fast you can run. No. No. No. No. >> Amen. >> Find that part of you that needs to die. >> Wow. >> Amen. >> Wow. >> Lord, don't let me be gullible another day. >> Don't let me be gullible, Lord.

Don't let me wander another day. And if I'm a leader, don't let me bring shame to your people and your church. If I'm an elder, don't let me rise up against leadership. >> Don't let me pay a heavy price. >> Hallelujah. >> Yes, sir. >> Now, I'm going to try to close with another series of questions. When I began to look at the tabernacle, I'm going to tell you what, I wish I could retach the tabernacle series, I had no idea what I was even teaching, >> preparing us for priesthood.

>> I didn't even understand the tabernacle >> until I understood the heavenly temple. >> Amen. >> And we didn't know about the heavenly temple till after. >> Amen. >> But the more I begin to study the tabernacle, the more I'm seeing deep revelation. Mhm. >> One of those revelations is leprosy. >> Yes, sir. >> What about leprosy? How many's read about leprosy in the Bible? >> Amen.

>> Unclean. >> Can I tell you what it's not? It's not a sickness. >> Amen. >> Because there were sacrifices that you could make for sickness. >> For sicknesses. There was medical treatments for sickness. >> Come on. >> Not for leprosy. >> But leprosy >> got to get outside the camp >> represented something much worse than a sickness.

>> Amen. >> It was a spiritual defilement. >> Yes, sir. >> That manifested in the body. >> Wow. >> Wow. >> There was no essential oil for this. Right. M >> there was no visit to the doctor. There was something going on so deep in your body. >> Wow. >> That nothing could heal it. >> Amen. >> Wow. >> Wow. >> And as I begin to look at leprosy in Leviticus 13 verse 46.

That's why I laugh when people say the Old Testament is so boring. We had left the Old Testament today. Leviticus 13:46. >> Amen. >> Let's start. Let's start at verse 45. >> Yes, sir. Leviticus 13 and 45. >> And the leper in whom the plague is, his clothes shall be rent, and his head bare, and he shall put a covering upon his upper lip, and shall cry, unclean, unclean.

All the days wherein the plague shall be in him, he shall be defiled. He is unclean. He shall dwell alone. Without the camp shall his inhabit shall his habitation be. >> Poor fellow got sick and got excluded. >> No sir. >> Say it again. Elder sir. What did you just say? >> Not sick. >> Poor church member. >> Defiled.

>> All he did was >> got a little sick. >> No, sir. No. >> Defi. >> When you get rebellion in your heart, you're not sick anymore. >> You're right. >> You're spiritually defiled. >> Come on. Amen. >> Amen. >> Say that. >> There's no help for you. >> Amen. >> Listen to me. There's no help for leprosy. >> Yes, sir. >> Come on.

>> Except divine. >> Right. >> Amen. >> It's even beyond what the church can do. >> Wow. When you get spiritual defilement in you, there's no getting it out. >> Yes, sir. >> Yes, sir. >> Amen. >> That's why Paul said, I can I show y'all the Torah in the New Testament? >> Yes, sir. >> Father, >> Paul said, if there's someone in the church that gets this leprosy, [Music] >> rebellion, >> Yes, sir.

>> Go open the door of the front door of the church. >> Yes, sir. march them out the door and put them outside the gate. >> Outside of the gate. That's right. >> And turn them over to Satan. >> Yes. >> Come on. >> Now, how many of you grew up in a church that would ever think something? Well, we want to love everybody.

>> Uh-uh. >> You go ahead and love that COVID coffin person in your mouth and tell me when you get co if you should have put them out. >> What does the Bible say? Oh, >> amen. >> Yes, sir. >> I never wore a mask during CO, but I also didn't get in nobody's face. >> Right. >> Some people's got common sense. >> Yes, sir.

>> We don't need the government to give us common sense. >> Amen. >> Oh, hallelujah. >> My grandmother taught me when you sneeze, you do it in your elbow. >> Yes, sir. There was things that you no matter. We did not need uh whatever her dumb self was telling us. We understood. >> Right. >> When you're sick, you shut up in your house.

>> That's right. >> Common sense. >> We don't lock them up. We >> They know what to do. >> Amen. Apostle. >> Okay. >> Yes, sir. >> There is a sickness that comes in the house of Israel that is incurable. >> Yes, sir. You know the sad thing about rebellion? Nobody in this room thinks they have it. >> Amen. >> Say that. That's right.

>> Don't listen. >> Let your pastor speak. >> Yes, sir. >> Yes, sir. >> There is nobody in this room that thinks they have it. >> Amen.

>> That's why it's such a dangerous disease. >> Yes, sir. >> You won't let it be cured. >> Yes, sir. >> Oh, hallelujah. >> And that's why in four people watching me on Zoom, I've got leaders watching me.

You don't think you have it? It hides. >> Amen. >> It lurks. >> It comes out when nobody's looking. >> The first sign of it. >> Amen. >> You better get rid of it. >> Right. >> Because when it turns into leprosy, >> hallelujah. >> Hallelujah. >> There's no help for you. That's right. >> I tell you what I'd like to do. I've got some people questioning what I just said. Find that scripture for me.

>> Yes, sir. I don't have my phone with me. >> Hallelujah. >> Find where Paul said, "Turn them over to Satan." >> Now, how many grew up in the Christian church that would say, "Let's love them." >> Come on. >> We don't We ain't going to put nobody out of the This is a hospital for the hurt. No, it's not. >> The church is not a hospital for the hurting.

>> Amen. The church is a college for teachers >> that are learning the ways of the kingdom. >> Yes, sir. >> We are not a hospital. >> We're not in We're not equipped to be a hospital. >> Amen. >> We're a college. >> That's right. >> Because if you take on the hospital mentality, guess what happens? Everybody in the church is hurting.

>> Right. >> There comes a time you got to quit hurting and start healing people. Everybody's sick. >> Amen. >> Where are we at, El? >> That disease spreads. >> I believe it's first Corinthians. >> That sounds right. >> Five and five. >> That sounds perfect. >> Yes, sir. >> You want to start up at verse one? >> First Corinth. Yeah. Might as well.

Let's just go ahead and make some folks watching get real nervous. >> Amen. >> Amen. >> Let's see what the Bible says. >> Go ahead. It is reported commonly that there is fornication among you. >> I heard that there's rebellion among you because all sin is what? >> Rebellion. >> Read. >> And such rebellion or fornication as is not so much as named among the Gentiles.

>> But this is a different kind of rebellion. This has grown out of hand. This one has grown into open rebellion. >> It was hidden. >> Amen. But now it's open. >> Yes, sir. >> Read >> right. >> That one should have his father's wife. >> And ye are puffed up and have not re and have not rather mourned that he that hath done this deed might be taken away from among you.

>> Might be what? >> Taken away from among you. >> Is that not what happened in Torah? >> Amen. >> Yes, sir. >> Because this person has not been removed. Read, >> for I verily, as absent in body, but present in spirit, have judged already, as though I were present concerning him that hath done so this deed.

In the name of our Lord, Yesua, the Messiah, when ye are gathered, >> here comes the apostles authority. >> Amen. >> The apostle is about to make a judgment. >> Yes, sir. >> The apostle goes into the official apostolic role. Now he says in the name. >> Yes sir. >> In other words, not by my authority. >> Right. >> But I'm speaking on his behalf.

>> Hallelujah. >> Hallelujah. >> Read. >> And my spirit with the power of our Lord Yesua Messiah to deliver such and one unto Satan for the destruction of the flesh that the spirit may be saved in the day of our Lord Yoshua. >> Wow. >> What looks so horrible. Turning that person over to Satan is their salvation.

>> Yes, sir. Amen. >> What a glorious thing. >> Amen. >> You parents that prays for rebellious children, quit turning them over to the Lord. Turn them over to Satan. >> Come on. >> Amen. I've done it. >> And when he gets done with them, >> they'll come running back. >> Hallelujah. >> They sure will. >> Because Satan is the minister of God.

>> Amen. If you've not heard my sermon on the ministry of Satan, you don't even know how to read a Bible. >> Come on. >> Satan is Yahway's very own minister. >> Yes, he is. His left hand. >> He is a tool in the hand of Yahweh to do what Yahweh's nature cannot do. >> Come on, Apostle. >> Make it make sense, sir.

>> Pastor Von, I don't believe that. I don't care what you believe. What does the Bible say? >> What does the Bible say? And here's what the Bible says. Yahweh says, "Satan, where have you been?" >> Right? >> He said, "Well, I've just been doing what I do, >> going up and down the earth." And he said, "I l've got a question for you, Satan.

Have you ever thought about my servant Job?" >> Come on. >> Yeah. >> He said, "No, because you've got a hedge around him, and you won't let me touch him." Anytime you get worried in your life, you need to make sure the hedge is still up. >> Yes, sir. >> Yes, sir. >> Yes, sir. >> That's right. >> Amen. >> He said, "You've got a hedge around him.

" He said, "Well, I'd like for you to go destroy him." >> Well, the only way I can do it, you got to get that hedge of angels from around.

>> That's right. >> That's right. >> Move the hedge of angels. move them >> because the Bible said the angels of the Lord hedge or camp around those that fear him night and day. >> Amen. >> The next time you're going through life worried about something, make sure your hedge is up.

>> Yes, sir. >> Yes, sir. >> That's why I worry about none of my enemies. I've got a hedge. >> Amen. >> Hallelujah. >> And I know it. >> Hallelujah. >> I know it. >> And as long as I'm doing my part, keeping that hedge up, >> come on. >> Satan can't touch me. >> Amen. Apostle >> he said, "I tell you what I'll do.

I will remove the hedge for a purpose." >> That's right. >> And Satan said >> 104. >> Wow. >> Yes, sir. I'll go do what you want me to do. >> Yes, boss. >> Why do you think the angels of the Lord have never rebuked the devil? >> Never. >> Yeah. >> Come on. Amen. >> Go read your Bible. Michael refused to rebuke Lucifer.

>> Yes, he did. because he knew who he was. He knew who he was as an angel of Yahweh fallen but yet an angel >> still being used >> and he knew that Satan was higher than him in the hierarchy of the government. >> Come on. >> Right. >> This is good. >> And then he spoke to Satan and he or the angel was it Michael or Gabriel refused when Satan would not give up Moses's body. Michael refused to confront him. >> Come on. >> Cuz Satan was above him. >> That's right. Doing what he was supposed to be doing. >> Oh, pastor. But Satan, I don't care. >> Saul fell, too. And David wouldn't rebuke Saul. >> Come on. >> Amen. >> You see that hierarchy order >> that Yahweh honors. If you want God to honor you, get rebellion out of your heart.

He told Satan, "Go and do what I tell you." Satan did it. God's work was done. And when it was over, Job got 10 times more than he started out with. Cuz he submitted to the will of God. >> Come on. >> Never for destruction. >> He said these words, "The Lord giveth >> and the Lord take >> and the Lord takes away." >> Amen.

>> Blessed. >> Blessed be his holy name. Wow. >> Hallelujah. >> He knew. >> He knew if it was happening to him, something took his hedge down. >> Come on. >> And he knew the only one that could take the hedge down was Yah. >> So, this had to be the will of God. >> Thank you, Father. Thank you, Father. >> Hallelujah.

>> When you learn to trust in the Lord, you won't give the devil a half a second. I don't understand these preachers casting devils out everywhere. Why are we giving the devil all of God's attention? Amen. >> Too much to touch. >> The minute you cast the devil out, 10 more is coming back. >> Amen. >> Hallelujah.

>> Now, Hallelujah. >> Hallelujah. >> All the days. Somebody say, "All the days." >> All the days. while the plague >> while the plague >> is in him >> is >> he shall be defiled. >> Amen. >> He is unclean. Now several people the other night when they heard me talking about something.

What was I teaching on about unclean? [Music] Oh, remember when I told him the government of God? >> Yes, sir. And I said, "The only people outside the congregation had an unclean spirit." Yes, sir. >> You remember that? >> Yes, sir. >> Well, I had people challenge me and say, "No, they had leprosy." Let's read it again. >> What is leprosy? >> You better know this pastor knows this book, honey. From front to back.

>> I didn't get this position without it being granted to me because of my years of study in this word. It says he shall be unclean. >> Amen. >> As long as he has that defilement, not sickness, >> there's a defilement. >> Amen. >> In him, he's to be excluded, banished. You know what's surprising to me? Bring me the camera because I need to talk to some people. Every one of you claim to love Torah. Oh, you love Torah. You're Torah observant. Torah pursuant. And yet, when I pastor this church according to the Torah, you get all kind of butt hurt. >> Come on. >> Right. Right. >> Thank you. That's all I needed to say. >> Amen. That's my apostle. >> I'm for real. >> Hallelujah.

>> Yes, sir. >> We run this according to Torah the very best we can. >> Amen. >> Torah said they are to be excluded. You know, everybody gets mad at the Amish for shunning people. >> Do you know the only reason that community has been able to exist as long as it has is because of the shunning? >> Amen. >> Right.

>> No place for rebellion. >> Amen. >> I believe in it. >> Yes, sir. They basically said, "You don't want to be here. Yes, sir. >> You don't want to live this way. >> Get out. >> Don't let the door knob hit you >> where the good Lord split." >> Come on. Go. >> Come on. >> Amen. >> Yes, sir. >> Hallelujah. >> Shunning is biblical.

>> It is. >> When my children When Karen and I first married at these precious, beautiful little girl. When Karen and I first married, my boys moved in our house. >> Oh, yeah. >> And they thought they were going to get in the back room and smoke weed. >> And they thought we was just going to love them enough to let them do it.

>> Wow. >> They was on the streets that night. >> Come on. >> Why? This my house. >> Come on. >> This is a house of peace. >> Amen. then me and my house, we're going to serve Yahweh. And if you don't want to serve him with us, then you're not part of my house. >> Hallelujah. >> Amen. >> Come on. >> Now, you do you.

I'm not telling you what to do with your kids, but I'm telling you what we do with Torah children. >> Come on. >> In the Amish community, when they turn 16 or so, >> they have something called rumpspring. >> Yes, sir. They kicked the kids out. >> Yes, sir. >> For two years. >> That but spirits the world. >> You know why? Cuz when you get out there, you're going to find out what nature you're of.

>> That's right. >> Amen. >> Amen. >> Hallelujah. >> Amen. >> This is good. >> Yes. >> The leprosy. Now, by the way, when I get through with this sermon today, you'll start saying amen again because it gets better. >> Amen. >> It gets good. It's >> good. Now, >> I'll quit fooling around with you individually. They were to be removed from Yahweh's house.

>> Amen. But only >> not because we didn't love them. >> No. That their spirit may be saved. >> That their spirit, their mind might be converted. >> Converted. That's right. Changed. >> Let me ask you a question. The Bible said when we come into the assembly, we're to lift up holy hands. I have a dear friend.

I grew up with the boy. Matter of fact, his mother, y'all, y'all know her. She's an aunt to me. >> Okay. >> She's got a son that is married to another man, >> homosexual, and I love the boy with all my heart. There's nothing I wouldn't do for him. Nothing. I love him. >> He's a fine young man. >> Amen. >> Except for his sickness.

>> Right. So, he called me last year and asked, "Kill my audio." Just a moment. >> Do you know how to do it? >> Yeah. >> How do I do it? Right here. >> Yeah. Just hold. You got to hold the power button. >> Turn it off just a second. I'm good. Just turn this off a sec because I don't I don't want everybody to hear my business.

>> Let me turn both of them off. >> I'm just talking to the home folks. called me and thanked me and he's looking for a way out of that horrible situation he's in. >> Amen. >> Hallelujah. [Applause] Hallelujah. >> Because somebody loved him enough to tell the truth. >> That's right, >> pastor. Sin is sin. No, it's not. >> Hallelujah. >> Find that verse for me. The greater sin. Sin is sin. No, it's not.

There are levels of sin. Get that Christian teaching out of your head. >> Yes, sir. There are sins that are an abomination unto Yahweh. >> There are sins done in ignorance. >> There are sins by deception. They are not equal. >> But when you make a conscious choice to walk down an aisle with the same sex, when you spend the money, when you go, you have openly rebelled against the law of Yahweh.

>> Yes, sir. and any church. Let me tell you something. There is no such thing as a gay marriage. There is none. Let me tell you why. It's not that we don't love them. We love them enough to tell them the truth. That their lifestyle is an abomination to their creator. Listen to me carefully and listen well.

The state that you live in, Pennsylvania, never issued marriage licenses at all until social security. >> Come on. >> The United States of America has no business issuing marriage licenses. >> They never did. >> Why? The church was the government over marriage, not the state. >> Yes, sir. >> Now, why is that? Because the church is who invented marriage, the people of Yahweh. It's his creation. And we're the curators and the protectors. Just like we protect the Sabbath, we're to protect the marriage. >> Yes, sir. >> Anybody with me? >> Yes, sir. I don't care if you like what I'm saying or not. I couldn't give a flipping care less. You'll hear truth today. >> Hallelujah. >> What you do with that's your business.

>> Hallelujah. >> But you will go to sleep knowing you've heard the truth. >> There's not one state in this nation that can marry anybody. A marriage license you can take and wipe yourself with it. It means nothing to God. >> Amen. >> Amen. >> I've got one. I went and got one only for legal purposes. That's it.

>> Come on. >> But I was married the moment I came into a covenant before the holy church with my wife. >> Hallelujah. >> Hallelujah. >> When social security started and you died and y'all are married by the church, she's going to want your social security money. >> Yes, sir. >> The only way they can know that she was your wife was to give you a license.

>> Yes, sir. >> Yes, sir. >> Now, I know how you feel. This man does everything by the tea and I'm fine with that as well. But I've got to tell you the truth. >> Yes, sir. >> I'm not telling nobody not to get a marriage license. >> Amen. >> What I'm telling you is it don't make you married. >> That's right. >> If it ain't done in the presence of a holy church, >> holy church, >> it is not a marriage. It's a sham.

>> Amen. And the only reason we have gay marriage today is the church allowed the state to take over what belonged to the church. >> Wow. >> It's not official. >> Go to England. Nobody in England ever had a marriage license. They got it from their church. >> Amen. >> In the United States of America, go look in Plymouth.

Those people never had they got married in their church >> and they got a piece of paper from the pastor saying the church witnessed this. Sorry. >> Now, why am I saying that? Because I don't know why I'm saying it. >> Where was I at? >> Levels of sin. [Music] >> It's an abomination. Now, Sister Teresa, >> you're in the hot spot today. Suppose you said, "Pastor Von, I want to get baptized." Okay.

And I said, "Sister Teresa, all I need you to do, go down to the courthouse, get you a baptism license, and I'll go baptize you." >> Yeah. >> It doesn't make sense. >> Now, here's the problem we're going to get into. Now, discrimination because the church don't baptize just anybody. You go to the state and get a license, they've got to baptize you.

You understand what I'm saying, right? >> Come on now. >> It was the trick of Satan. Do you understand? To take these things from God's holy church. >> Without the approval of the church, you're not married. >> You have no legal standing before Yahweh. Why? Because we are the Torah community.

And this community has laws and judgments. >> Hallelujah. >> Yes. >> Amen. >> Hallelujah. >> Sister Teresa. >> What if you wanted to take Passover communion and I said, "Just run down and get a license and I'll serve you." >> No. >> See how you're saying no? That's what people would have said about marriage a 100 years ago. >> I'm trying to teach y'all a lesson today. how the church gives up her authority. >> If we would have never give marriage away, there would be no gay marriage today. It would never have happened. Hallelujah. [Applause] Now, do domestic partnerships all you want to. I don't care about that. If you're going to live in sin, go get you a state license, be partners, whatever. But don't you dare take the word husband and wife that Yahweh gave to Adam and Eve and apply it to you.

It don't work that way. >> Right. >> So, there are levels of sin. Did you find the scripture? >> I don't think this is the right one. >> It probably ain't. >> No. >> What What scripture was I looking for? >> The greater sin. >> Oh, yeah. He hath committed the greater sin. It'll be in BLB. >> Greater sin. How many's been told there is no such thing as greater sins? >> Anybody? I did all my life.

>> When a leader sins, it's a greater sin than when a saint sins. >> But it shows the same verse. >> I got John 19:11. >> That sounds right. >> And Yesua answered, "Thou couldst have no power at all against me, except it were given thee from above. Therefore, he hath delivered me unto thee hath the greater sin.

>> There you go. >> The one that delivered me unto you. >> The Jewish people, the ones that took Yesua and handed him to the Romans, their sin was greater than the Romans sin. >> Amen. Whoever those >> the the the ones the Sanhedrin, not the Jewish people, the Sanhedrin, the Pharisees. >> They had a greater sin than than the Roman government had.

>> Right. >> Even though Pilate was killing him. >> Yes, sir. >> It was them that had a greater sin. >> Amen. >> So, whenever your church tells you there's no greater sin, tell them what does the Bible say? >> Amen. Amen. >> Right. >> You know that's our authority, right? >> Yes, sir. Final authority. >> Yes, sir.

It said they had a You know why they had a greater sin? They were the bulls. >> They were the leaders. >> They were the leaders. Wow. >> All right. >> I done got some folks so mad. I better hurry. >> This is good. Take your time, Apostle. We got all day. Yes, sir. >> Y'all save me some food back there. They may not let me eat after I get done.

>> They're cooking more food than that. >> All right. I want to move on and try to close. Before we can understand leprosy, we have to understand what it represents. >> Amen. >> Why it was such a horrible disease because it does not represent >> human sin. >> Amen. >> You might want to listen close today. The priesthood on earth is the mirror of what? >> Amen.

>> The heavenly priesthood. >> Watch this. The priesthood on earth >> is the heavenly priesthood in shadow. Correct? >> Yes, sir. >> All right. There was a fall that happened in the heavenly priesthood. >> Yes, sir. >> Who was the first high priest in heaven? >> Satan. Satan. And the Bible said when he fell, >> third fell with him.

>> Now notice something. The Bible said Satan took his tail and drew >> Yes, sir. >> A third. >> Yep. >> Yes, sir. >> Yeah. >> They followed. >> I think I've been talking about deception today. >> Yes, sir. >> Amen. >> Wow. >> He deceived them. If he can deceive all of mankind, he could deceive a third >> of the angels >> of heaven.

>> Wow. >> On that day, the high priest and a third of the priesthood fell. >> Yes, sir. >> However, who has the greater sin? The one that made them fall or the ones that fell? >> Come on now. >> That's right. So you want me to believe >> deceiver >> that when you fell in sin it couldn't be helped but the angels it could be helped.

>> Oh >> no >> no >> Satan has deceived heaven and earth >> and earth. >> And the leperous priest in the Torah did not represent me and you. It was beyond >> a regular sickness. >> Wow. >> This represented a fallen priesthood that could not be restored without a protocol. >> Wow. >> Stay with me. >> Wow. >> Before we can understand the fall, we have to see the glory that was lost. I want to read to you for those of you that's already starting to pull back on me. I want to ask you a question. >> What does the Bible say? Let's find out. Hallelujah. >> Let's go to the book of Job, chapter 4 and verse 18. I'm going to show you today Yah's plan for the angels. Not for Satan. For the angels. >> Amen.

It may take me several weeks to get through it, but we start today. >> Amen, Apostle. >> Because if you're not careful, you'll just be interceding for men. >> Wow. >> Oh, hallelujah. >> Wow. >> My word. >> Come on. >> Wow. >> Job 4 and 18. Read it. Behold, he put no trust in his servants and his angels. He's charged with error.

Now, I want to read this to you out of the Septuagint instead of the Maseretic text. Yahweh does not trust his angels. >> Oh, we need to intercede for this. >> But he observes perversity in his angels. By the way, this is after the fall. >> Wow. >> Even the ones that remain, he don't trust. >> Oh, wow. >> Wow. >> Wow. >> Wow.

>> I mean, if a third could be deceived, why not more? >> That's right. >> Amen. >> Do you know why I don't trust them? >> They don't have the tool of time like you do. >> Yes, sir. >> Come on. Hallelujah. >> Hallelujah. This thing's going to start to come together in a few minutes for y'all. Yes, sir. >> You'll see why I was You thought I was preaching on gay marriage. No, no, no.

I'm preaching on greater sin. >> Amen. >> Yes, sir. >> You got to learn to listen beyond what I'm preaching sometimes. >> Yes. >> See where I'm headed. Job said, "Yahe does not trust >> his angel." >> Amen. Yeah. >> And that's why >> he put a third of them outside the camp. >> Oh, come on. >> Rebellion. >> They have leprosy.

>> Yes, sir. >> Wow. >> Nearly an incurable disease. >> Wow. >> Wow. But next week you're going to learn about a ritual that could cure a leper. >> Yes, sir. Yes, sir. >> Amen. >> Yes, sir. >> In the Torah. >> Yes, sir. >> Hang tight. I'm almost done. >> Job 15 verse 15. That's why I love the Septuagant. It's the older text and sadly the Maserit left out so much.

He does not trust in his duloise in Hebrew. >> His angels. That word servant should not be there. It's the angels he don't trust.

Wow. >> Amen. >> I want you to look at me. Do you know why I preach so hard against rebellion? >> People do not hear what I'm preaching. Yahweh must find a people he can trust. >> Hallelujah.

>> Hallelujah. Hallelujah. >> Yes, sir. >> And now you know why he gave you the Sabbath. >> Yes, sir. >> To see if you would obey that every single week. >> Giving you so many opportunities. >> 70 \* 7 52 \* 70 years. He gives you come on quick somebody.

Come on. >> How much? 400 and something opportunities. >> Amen.

>> To see if your family is going to come before him. Yes, sir. >> Yes, sir. >> Yes, sir. >> If you want to run down and do your own pleasure instead of his, he's okay if you do. It's all right. >> Oh, hallelujah. >> Amen. >> Hallelujah. >> You ain't going to hell. >> Amen. >> Oh, hallelujah. >> But you're going to stay outside the camp.

>> Yes, sir. >> Yes, sir. >> Come on. That's right. >> Why? He has given you a Torah. >> Yes. >> Do you know he didn't give you that Torah to control you? If you break every one of those Torah laws, okay, >> it's it's not about that. >> We're developing trust. >> Amen. >> Right? >> Do you know Yahweh woke you up today, sister? >> He's allowed you to make an income.

He gave you the strength. He gave you the mind. >> Yes, sir. >> Now, watch when you get paid. >> Come on. >> Yeah. >> Right. >> Come on. >> Right. Can I trust you? >> Can I trust you? >> You get paid 5,000. You didn't earn that. He woke you up. >> That's right. >> Amen. >> Without his breath, you wouldn't have gotten that work.

>> That's right. >> He gives you 5,000 and he just watches. >> Yes. >> Amen. >> He just watches. >> Cannot. >> Stay with me now. You ain't got to believe what I'm saying. You'll never prove I'm wrong. >> Come on. >> Cuz I know this book. >> Yes, sir. Amen. >> He's watching. >> His angels are watching. >> Amen. >> Why? Because those angels want to run back and accuse you to the father that you're just as bad as they are.

You can't be trusted. >> Wow. >> Amen. >> This is so good. >> You're not going to hell. >> No. >> Anybody ever told you you're going to go to hell for not paying tiar? You ain't going to hell. >> Amen. >> I'll tell you where you ain't going. >> Going to rule and reign. >> You're not going into that trusted government.

>> That's right. Yeah, >> that government authority >> that's going to replace the angelic government. >> The angels are still in government today. Can I tell you why? There must be a government and Yahweh don't have another one. Do you understand me? >> Hallelujah. >> He just don't trust them. >> God for >> Come on. This is good.

>> Wow. >> And the few that he can trust, he called them Gabriel and Michael and made them the angel of his presence. >> Yes, sir. >> Yes, sir. This is good. Oh, hallelujah. >> But why can't he trust them? There's no way to test them. Satan is no longer in their midst. [Music] >> That's why we'll judge them angels.

>> Come on now. >> Yeah. >> How? >> I'll tell you what. >> Hopefully next week I can tie this together. >> Amen. >> And show you saints that sitting under the sound of this voice. I promise you, you don't know who you are. I promise you you don't you still if you got it you would understand your obedience >> Yes sir >> is the judgment >> yes sir >> against angels he cannot trust >> siral hallelujah >> hallelujah >> when he speaks to you to pray for somebody and you just keep on about your business he can't trust you >> come That's right.

>> When a name comes to your mind, Father, I pray for them right now. I don't know what's wrong, but thy will be done. Go on with your life. But he trusted you to stop your life. >> Amen. >> Yes, sir. >> Wow. >> That's right. >> Wow. >> I don't know. When people look at us gathering on the Sabbath, do you know they honestly think that we think everybody else is going to hell but us? Right. >> Oh, contrite. We don't even believe in hell. >> We don't even believe in it. >> Contrary. >> Contrary. >> Oh, contr. No, no, no, no, no. We don't care who don't join our ranks. We just want to make sure we don't fall out of our ranks. >> Hallelujah. >> Wow. He's called us. >> Hallelujah. >> Wow. That's right.

Sir, the angels are at your house. >> Amen. >> They watch how you treat your wives. >> Yes, sir. >> To let our life judge them. >> They watch how you speak to them. >> Yes. >> And now you know the Bible says if a husband and wife are fighting, they're not allowed to pray. >> Yes, sir. Wow. >> Oh, it's in your Bible.

I don't have time to look it up, but it's in there. >> Prayers be >> lest it hinder >> Amen. >> their prayers. >> I got that verse. >> Why would it hinder their prayers? Cuz they can't pray no more. Oh, no. No. But the ones that carry their prayers to the heavenly temple will not carry them out when there is rebellion in the mix.

>> First Peter 3:7. >> Read it. Husbands likewise, dwell with them, or husbands likewise, dwell with them with understanding, giving honor to the wife as the weaker vessel, and as being heirs together of the grace of life, that your prayers may be not hindered. It's in the Bible. >> Amen. >> Why would your prayers be hindered? Because you're running into a trust problem.

>> Amen. Your prayers are now mixed with leprosy. >> Right, >> ma'am? Wives, when you act like a man towards your husband, >> come on. >> Defy his authority. >> Buck against him. >> Amen. >> You're failing. >> Amen. >> The angels are watching. >> Amen. >> Now listen. You either believe that or you don't. That's up to you.

>> I believe it. >> But I believe the book. >> Our life judges them. >> That's right. >> If you really believe angels surround us, >> they're watching. >> Amen. >> Amen. >> And the Bible said if you're not careful, you will teach them what the father don't want them to learn. >> Hallelujah. >> Hallelujah. >> Wow. >> Wow.

That's why he only sends angels around the saints. >> Come on. >> Wow. >> Amen. >> Wow. >> The Bible said the angel of the Lord only camp around those that fear. >> Oh, that's good. >> Wow. >> Wow. >> If you want the angelic presence, it will not happen in a home where there's bickering, arguing, fighting, backbiting. Why? Because that's not fearing Yahweh.

>> Hallelujah. >> Hallelujah. Hallelujah. >> Yahweh wants to know if he sends them to surround you, they're not coming back to heaven with any ideas. >> Wow. >> Fire. >> Hallelujah. >> Wow. >> Pastor Von, I don't believe that. Let me see what the Bible says. The Apostle Paul said these words. When you come into the assembly, have you ever wondered why Yahweh doesn't require a covering for women every day, all day out in the public? >> Only when they come into the assembly.

>> Because that's where the angels are. >> That's where the angels are. >> Hallelujah. >> Oh yeah. >> Oh yeah. >> Get no ideas. >> Listen to me now. >> Now, I'm not gonna debate and argue over what that is. Some people believe it's long hair. Some people believe it's an extra covering. The only problem I have with the hair issue, I don't know how you can take hair on and off unless it's a wig.

>> Yes, sir. >> I personally believe he meant a covering. And Peter Paul said, "Why should women cover themselves in the assembly?" Because >> of the angels. >> Of the angels. >> Amen. >> Amen. >> They're watching. Yes, sir. >> And Yahweh said, "I'm sending them to watch the true saints." >> Yes, sir. >> To show them what order looks like.

>> Wow. >> Wow. >> I know. I've got women watching that said, "I'll never do that." We understand. And we love you just the same. But But you don't understand. The angels are watching. >> Oh, this walk's getting more narrow and more narrow. Come on, Elder.

>> More accountability. >> He's bringing us to that place.

>> Amen. >> The angels are watching. And presently, Yahweh don't trust his angels. >> But the problem is this. >> They can't die.

>> Right. >> Amen. >> Right. >> Wow. >> He sort of stuck with them. >> Yes, sir. >> Yes, sir. >> Somebody say until. >> Until. >> Until the saints. Come on. >> Shall judge the angels. >> Hallelujah.

>> Hallelujah. >> Hallelujah. [Applause] >> It didn't say the Christians. >> It said the saints. >> Set apart ones. >> They will replace the angelic government. >> Amen. >> And then suddenly Yahweh will not have a trust issue >> with his servants. >> Hallelujah. Hallelujah. >> That's good. >> Why? Cuz he said, "I'm going to give them 75 years."

>> Hallelujah. >> For my spirit to strive with them. >> Yes, sir. >> Hallelujah. >> To perfect them. >> And at the end of that striving, I either trust you or I don't. >> Yes, sir. >> Look, >> do you know you can love your wife and husband without trusting them? You can still love them. >> Amen. >> Yes. Yes. >> I just don't trust you behind.

>> Right. Now, what that means is ain't neither one of us leaving or you going to wind up dead. >> Amen. >> But you ain't sleeping in here tonight. >> Come on. >> What? There's trust. >> Yahweh loves all of his creation. >> Yes, he does. >> But he don't let everybody in the inner chamber. >> That's right. >> That's right.

>> Amen. >> Except the Zetakites. >> Yes, sir. >> Yes. >> Those that he trust. All right. I'm closing now. I said that how many times? >> Come on. You're okay. >> Job 15 and 15. As we come to a close, >> see if I say that it makes people feel better. >> Amen. >> Amen. >> Read Elder Job 15 and verse 15.

Behold, he putteth no trust in his saints, >> which is the angels. That's King James version. Yeah. The heavens are not clean in his sight. >> What did you just say? >> Did you say the heavens >> The heavens are not clean. the unclean. >> Wow. >> Leprosy. >> Am I not teaching on leprosy >> and how the earthly system is the mirror of heaven? >> Amen.

>> He said, "I have a fallen priesthood that I don't trust and they are unclean." >> Yes, sir. >> Wow. >> Wow. >> Wow. >> But I'm stuck with them. rebellion >> until the end of six days and then I'll have a government I can >> Hallelujah >> Hallelujah >> Hallelujah >> now after that great angelic rebellion twothirds remained But the angels know how much Yahweh loves us and he lets us by with rebellion.

>> Amen. >> And they watch it. >> Amen. >> Yahweh says, "I'm going to raise up a remnant that I'm going to assign angels to >> so that remnant can teach angels." >> Oh, hallelujah. >> How to obey. >> Yes, sir. Yes, sir. Hallelujah. >> That's good. That's good. >> My word. My word. >> Angels are not perfect. >> Wow.

>> They're not Yahweh. >> Amen. >> Amen. >> They can fall. >> Yes, sir. >> They can fall and they're not pure in his eyes. Why does Yahweh say his angels are not pure in his eyes? They've not been tried in the fire. >> Right. Amen. Amen. >> Amen. >> Things are making so much sense. >> Thank you, sister. >> Wow. >> They didn't go through any trouble and come out saying, "The Lord gives and the Lord takes away.

Blessed be the name of the Lord." >> Hallelujah. >> Wow. >> They got eternal bodies before they got eternal minds. >> Right. >> Wow. >> Oh, hallelujah. >> They fall. Now, let me ask you a question today. We know that angels can change because at one time they were in the heavenly temple worshiping. >> Yes sir. >> So we know they can change.

>> So the logical question becomes if they can change for the bad. >> That's right. >> Can they change for the good? >> The question. >> Why couldn't they change back? >> Come on. >> Right. >> That's right. >> Hallelujah. Pastor, I don't know about that. You will next week because I'm gonna prove it every which way that I can.

>> Yes, sir. >> No doubt. >> Let me show you what Yahweh did with Yesua. >> Amen. >> In Hebrews 3 and two, let me show you why Yahweh is now higher than the angels. Why even though he was a man, he's now higher than angels. The answer is in Hebrews chapter 3 and verse two. >> Amen. Hebrews chapter 3 and verse two.

Who was faithful to him that appointed >> Hold on. Talking about who? >> Yesua. Who was what? >> Faithful. >> Faithful. Read >> to him that appointed him. As also Moses was faithful in all of his house. For this man was counted worthy of >> Listen. Say it again. >> For this man was >> This man, this man >> alone do I trust.

>> Amen. >> This man was counted worthy. >> Amen. >> Why? He spoke not one word. >> Come on. >> That I didn't speak. >> That's right. >> There was no rebellion. >> Yes, sir. >> In his heart. >> Yes, sir. >> Amen. this man alone. I don't trust my angels. I don't trust my church. I don't trust anybody but this man and whoever else looks like this man.

>> Hallelujah. >> Now, do you understand what Yahweh meant with the Zetakites when he said, "The other ministers can serve the temple, but only the Zakites can come and serve me in my courts." Yes, sir. >> Why? Trusted. >> Trusted. Trusted. >> The church today is not just testifying to people. We're testifying to angels.

>> Amen. >> Our obedience, our order, our submission rebukes the rebellion of the angelic world. Isaiah 24 21- 22. Heaven became defiled and heaven was defiled until the high priest arose. I'm going to prove that to you. Isaiah 24 and verse 21. Amen. And it shall come to pass in that day that Yahweh shall punish that Yahweh shall punish the host of the high ones that are on high.

>> Hold on. Who's he going to punish? The high ones. >> The angels. >> No. Read it again. >> Who's he going to punish? The high ones. >> The host of the high ones. >> The what? The host >> of the high one. >> Amen. >> Who is the host? Satan. >> Satan. Hashetan. and they shall be gathered together as prisoners gathered in a pit.

Why is Yahweh going to judge the host of the high ones? >> Greater sins >> and then gather the host together like prisoners. >> Come on. >> To restore them. Hallelujah. >> Restoration. >> Hallelujah. >> Oh wow. >> Hallelujah. The heavens became defiled because the priesthood of the heavenly sanctuary developed leprosy. >> Amen.

>> Now see the profound connection. As the lepous priest could not serve at the earthly altar, the fallen angels became unfit to minister at the heavenly. And here's what happens. Follow this carefully. I'm about to prove to you everything I taught today. >> Yes, sir. We're going to take three verses and tie them together.

Elder Morgan, you grab Leviticus 13:46. Elder Peachy, the book of Jude, verse 6. And let's tie these together. Let's see what happens to the leper. Verse 46. >> Amen. >> Leviticus 13 and verse 46. Go ahead. >> Amen. >> All the days wherein the plague shall be in him, he shall be defiled. He is unclean. He shall dwell alone.

Without the camp shall be habitation to him. Who shall what? Dwell >> alone. >> Alone. >> Outside the camp. >> Outside the camp. Now that's a leper. And but let's see what it's really talking about. The book of Jude verse number six. And the angel who did not keep their first estate, but left their own habitation, he has reserved an ever in in everlasting chains under darkness until the judgment of the great day.

So they were what? Put alone. >> Amen. >> Outside the camp. Wow. >> The leper of the Torah is the fallen priesthood that was put outside the camp. >> Wow. >> Hallelujah. >> They were unclean. >> Yes, sir. >> Why not just give them medicine in the camp and let them heal? Why put them outside the camp? Because the medicine in the camp couldn't heal them.

>> Come on. But there was something that would >> Oh, hallelujah. >> But it had to wait outside the camp. >> Come on. >> Until that something could arrive. >> Yes, sir. >> And it's not here yet. >> Amen. >> Oh, hallelujah. >> Revelation 12 and 9. Revelation 12 and 9. Amen. And the great dragon was cast out, that old serpent called the devil and Satan, which deceiveth the whole world.

>> Now hold on. Everything that Satan brought down according to the word was deceived. >> Amen. >> They were not goats. >> Yes, sir. >> They were lambs. >> Lambs. >> Amen. >> They were gullible. >> Yes, sir. >> There were angels in heaven, Sister Christian, that were gullible. >> Wow. Amen. Wow. >> They withdraw. >> Wow.

>> He was cast outside the camp to the earth. >> Wow. >> And the other lepers were cast out with him or the angels. >> Wow. >> Now, the Bible said that before the priest, now Pastor Von, we're a Torah group. Hush. Quit saying that if you don't believe it. >> Amen. I'm teaching you Torah. >> Come on. >> It's more than laws and and what dos and don'ts. There's depth in it.

>> Come on. >> Amen. >> Let me show you what Torah says about these lepers and these fallen priest. Leviticus 16 verse 11. And I promise you my feet are hurting. We're almost done. Leviticus 16 6 and 11. Read. >> Amen. And Aaron shall offer his bullock of the sin offering which is for himself. >> Okay.

The priest have to be forgiven before they can minister again. Read. >> And make an atonement for himself and for his house. >> Yesua was our high priest. That's why the Bible said he had to be baptized for Torah's sake. Even the high priest had to be mikvet.

>> Yes, sir. >> Forgiven, >> clean. >> Even the high priest had to go and offer a sacrifice first for himself.

>> Yes, sir. >> Read verse 11. And Aaron shall bring the bullock of the sin offering, which is for himself, and shall make an atonement for himself, and for his house, and shall kill the bullock of the sin offering, which is for himself. before he could clean the sanctuary. >> Yes, sir. >> He had to clean himself.

>> Amen. >> Wow. >> I'm fixing to prove to you from the book of Hebrews that the sanctuary in heaven has been unclean for thousands of years. >> Amen. >> Make it make sense, Apostle. >> Hallelujah. >> And the Meszcic priesthood just said a mouthful. telling you >> that at one time stood in the temple of God before it fell had to be replaced by a shadow priesthood called the Levitical.

But Yeshua was to restore the original heavenly priesthood without beginning of days or ending of days. It was an eternal priesthood. >> Amen. >> That began in Yahweh who is eternal. >> Okay. Yeshua is going to bring that priesthood back to a dirty temple. >> Yes, sir. >> No, >> no. >> Listen, >> when he gets back to that heavenly temple, let's see what the writer of Hebrews said, >> Amen.

>> would happen. >> The book of Hebrews, chapter 9, verse 23. >> Amen. If you ever want to know why he had to be baptized, >> come on. >> He had to clean himself first. >> That's right. >> Hallelujah. >> Read. It was therefore necessary. >> Somebody say necessary. >> Necessary. >> A requirement. >> Requirement. >> Read.

>> That the patterns of things in the heavens should be purified or cleansed with these. >> Okay, listen. It was necessary for bulls and goats to clean the earthly sanctuary. It was necessary. >> Yes, sir. >> But while we had a clean sanctuary on earth, >> we had a dirty one in heaven. >> Oh, wow. >> My my my wow. Hallelujah.

>> Satan's stain was still >> on the sanctuary. There was sin in heaven. >> Wow. So, how did we deal with the sin in heaven? Here's what we did. We raised up an earthly tabernacle. And I found a man by the name of Moses that I could trust. >> Yes, sir. >> My God. >> Yes, sir. >> And I said, Moses, here's what we're going to allow in the short term >> until we restore the heavenly priesthood, raise up Aaron, dress him like Satan was dressed, put the linen garments on him, make that the temporary Hallelujah.

>> Hallelujah. [Applause] >> And I'm going to allow the priest on earth to represent the priest in heaven. >> Oh, hallelujah. >> Wow. >> Wow. Hallelujah. >> Cuz my priesthood is dirty. >> Come on. >> In heaven. >> Amen. So, I'm going to tell the priest, when you kill the sacrifice, >> Yes, sir. >> eat it. >> Amen. >> Go read your Bible.

>> They had to eat the sin offering. >> Amen. >> Wow. >> The priest would barbecue it. I I could have worked well in that priesthood. >> Yes, sir. >> Amen. >> They barbecued it and ate the sin. >> Yes, sir. >> They ate the sin. That's why the heavenly priesthood in the book of revelation took the book and ate it and it became bitter to the belly.

It was the type of sin being digested by the machesc priesthood. >> Wow. Hallelujah. >> Hallelujah. >> They took it in their bodies. >> Wow. >> Baptized for the dead, if you will. >> Wow. >> But why? Let's find out. Keep reading. >> But the heavenly things. Somebody say, "But the heavenly things." >> But the heavenly things >> with better sacrifices than these >> to clean up that heavenly mess.

I needed something better. >> Oh. >> Oh. Hallelujah. >> You listen to me. I need everybody to listen. I'm fixing to unchristianize your mind. >> Amen. >> Hallelujah. >> The blood of bulls and goats was forgiving mankind just fine. >> Right. >> Come on. >> But not the heaven. Oh, >> come on. >> Wow. >> It's going to take more.

>> Y'all could have went on forever >> with lambs and bulls. Yes, sir. >> But they could not cleanse the heavenly temple. >> They could not cleanse the heavenly temple. They could not clean the real problem. >> Hallelujah. >> And what was the real problem? No trust. >> Amen. >> Amen. For thousands of years, Yahweh had very few angels he could trust.

And he worked on a man called Yesua. He started off with Moses, but he didn't do it. Abraham couldn't quite do it. Anoch couldn't quite do it. But he found a man that was worthy to open the book, break the seals, and free. >> Hallelujah. >> Yes. How much more the heavenly temple when they tell you that Yeshua had to die for you.

>> Oh, >> he died for his father. >> Hallelujah. >> So his father would finally have someone >> he could trust. >> Hallelujah. >> Hallelujah. >> Hallelujah. >> Hallelujah. And John said, "I looked on the mountain and I saw Yesua and I saw 144,000 other >> that look just like you." >> Amen. >> A trusted government.

A 12\* 12 government. >> Yes. >> Hallelujah. >> Yes. >> Hallelujah. >> Fire. >> Wow. Hallelujah. Next week, >> I plan to break this down even further. >> Y'all better be glad I'm skipping over all of you. >> We're going to end our journey in Isaiah 53 and verse 5. Leprosy required a certain prescription for healing. And sadly, the Christian church believes this is talking about headaches and colds.

>> Right? >> Let's read it. I'll read it. But he was wounded for transgression against the first covenant. Amen. >> Right. >> In the law, >> he was bruised for our Israel iniquities. >> Amen. >> The chastisement of our peace. What does that mean? We had peace with the lambs we killed, but there was still a debt.

Chastisement was upon him. >> Amen. >> And with his stripes, >> every one of us are healed. >> Amen. >> Before the stripes, the temple could not be healed. >> Amen. The lepers cannot be healed. The church cannot be healed. >> Yes, sir. >> But by his stripes, >> we are healed. >> God bless you. >> Hallelujah. >> Hallelujah.

>> Hallelujah. >> Hallelujah. Hallelujah. >> Blessed be the name of Yahweh. Hallelujah. >> Oh, blessed be his name. Hallelujah. We are blessed people. >> And if you'll come, we're going to pray over the people. >> Amen. >> Father, we thank you for this region. >> Thank you, Father. We thank you for the elders and the saints
