

Oppose the Millage Rate Cut & Diamond's Divisive Amendments!

Message: I join the Civic Council and the city's police and firefighter unions in urging you to oppose the 1/8 mill reduction in the property tax rate proposed by the Finance Committee and the divisive amendments proposed by Council member Rory Diamond. The millage cut will save property owners an average of less than \$20 a year, but will result in the loss of more than \$13 million in funding for programs and services that Jacksonville residents need and depend on. Diamond's amendments are nothing more than an effort to insert the culture wars into the budget! Stop playing games with the City budget and support the Mayor's priorities!
