E-mail address:

1 - Did you research/know about cockapoos/dogs?

2 - What color puppy do you prefer?

3 - What gender puppy do you prefer?

4 - What type of hair coat do you prefer?

5 - What size are you interested in? Toy (under 12#) Miniature (12-24#) Maxi (24+#)

6 - What personality do you want in a dog?

7 - Have you ever had a dog before?

8 - Where is the puppy going to stay most of the time?

9 - Do you have a fenced backyard?

10 - Do you plan on breeding your puppy?

11 - Are you ready, understand and accept the responsibility of your puppy? (Cockapoos live 12 to 20 years)

12 - Do you agree to return the puppy if you are unable to keep him/her anymore? (We don't want our puppies to end up in shelters and can help find a new home)

13 - Do you agree to keep your puppy intact untill at least one year of age? (We believe from personal experience that letting the dogs fully mature physically/hormonally leads to a healthier dog)

14 - Are you ready to take charge of your new family member's veterinary care? (Note vets are providing a service, don't be afraid to decline certain services and ask questions. We recommend not over vaccinating, keeping your puppy intact as long as possible, as long as you're up for the responsibility of containing your dog in any risky scenario. Feeding high quality food, some brands I like are Honest Kitchen, Fromm, natural balance and fresh food brands like (The Farmer's dog) or homemade. Finally practicing alternative/natural care.

15 - Do you have or live with any children? If yes age's

16 - Do you have any other dogs/pets?

17 - What kind of home would you and your family provide for a new puppy?

Any comments?
