20. 2 babies growing up
21. guitar stringing itself
22. getting ready in the morning
23. claymation stopmotion
24. making origami
25. whiteboard art

script:
Beatboxing as the music-sounds of wind. someone laying down with their hair spread out- their hair doing different motions and formations. jackets zippers, zippering up and down to the beat of the music. someone drawing something being taken by the wind really fast. Then it cuts itself out(the drawing) and the paper gets taken away by the wind. take people fingers and intertwine them to say “you’ve just got blown away”
