### Joining the MODERN CHOIR 2025 GOOGLE CLASSROOM:

Dear All,

I'm delighted that your child attended Modern Choir rehearsal on Thursday lunchtime this week, and is keen to join. As students singing in Modern Choir can be in Years 2 - 6 and come from many different classrooms, I've found the most effective and efficient way to communicate with choristers and their parents is through Google Classroom.

What follows is instructions of how to join the specific Modern Choir 2025 Google Classroom. Before you start, your child MUST HAVE **their** SCHOOL EMAIL ADDRESS. Logging in is impossible without it!!!

1. Open your device (I am assuming it will be an iPad).
2. Click on the Google Classroom App. If you do not have the app, download it from the App Store.
3. When you open the app, it will ask for your login details.

Students MUST USE their SCHOOL EMAIL ADDRESS to login: **(a personal email address will not work!)**

**username@schools.vic.edu.au**

and this password: **2025@Pmps**

4. Agree to the terms and conditions (if prompted)
5. Click on the 'plus' (+) sign, select join a class, then type in this code: **4w47sgb**

**If students do not know their school log in details, the classroom teacher will be able to help you with that. It is impossible to log in without it! NOTE: If you are still having issues with the app try typing in:**

**classroom.google.com** (This will take you to the website and you can then click on Join Class.)

If all your attempts to access the Modern Choir Google Classroom fail, please contact our IT facilitator, Darren Crawcour, via email – [darren.crawcour@education.vic.gov.au](mailto:darren.crawcour@education.vic.gov.au) – and he will respond on Mondays or Tuesdays.

Warmest regards,

Poppy Sandillon & Maria Chadwick  
Choir Directors
