

Privacy Policy

Vadym Tupitskyi built the **NFC Scanner App** (the “Application”) as a utility tool for mobile devices. This service is provided “AS IS” and may be available free of charge or include optional in-app purchases and subscriptions.

By downloading, installing, or using the Application, you agree to the practices described in this Privacy Policy.

Information We Collect

When using the Application, we may collect:

- Device information (model, operating system, unique identifiers).
- IP address and technical data necessary for service operation.
- App usage data (features accessed, scans performed, session duration).
- Crash logs and performance diagnostics.
- Purchase history and subscription status (for in-app purchases).

If you contact support, we may also collect your name, email address, and the details you provide.

The Application does **not** track your precise location, contacts, or personal files.

How We Use Information

Collected data may be used to:

- Provide and improve the Application.
- Manage purchases, subscriptions, and refunds.
- Respond to support requests.
- Send important service-related notifications.
- Ensure security and prevent fraud.
- Analyze usage to improve stability and functionality.

Data Retention and Deletion

Data is stored only as long as necessary to provide the service.

You may request deletion of your data by contacting us at **vadymtupitskyi@gmail.com**.

You can also stop all data collection at any time by uninstalling the Application.

Children's Privacy

The Application is not intended for children under 13. We do not knowingly collect personal data from children. If such data is discovered, it will be deleted promptly. Parents who believe their child has provided data should contact us.

Data Security

We use reasonable measures to protect your information. However, no electronic system or transmission is completely secure.

Changes to this Policy

This Privacy Policy may be updated from time to time. Updates will be posted here with the new effective date. Continued use of the Application signifies acceptance of any changes.
