

Dear Families,

On behalf of Maple Dale - Indian Hill Dining, I would like to take this opportunity to welcome your student(s) to the 2021-22 school year!

With day-to-day life beginning to return to normal, we wanted to share some great news that will affect all students: In April 2021, the U.S. Department of Agriculture (USDA) Food and Nutrition Service extended the program that will provide for **free meals for all students, regardless of income, for the 2021-22 school year**. This has been made possible by nationwide waivers that provide for free meals for all students through June 2022.

We are thrilled to continue to **safely** serve students delicious, fresh and nutritious meals at no charge, and we are equally excited to re-introduce our favorite programs to deliver fun, exciting and tasty experiences to students throughout the coming year:

- National menu promotions, highlighting some delicious recipes! First up: National Cheese Pizza day!
- Special events celebrating national food days and seasonal flavors. We love highlighting fresh produce on our menus, and events like National Peach Month and Fall Fest are ideal opportunities for showcasing the freshest flavors of the season.
- Our Feed Your Potential 365 program (www.fyp365.com) offering delicious recipes, nutrition news and health insights to help support wellness at school and at home.

Check out our daily menus on Nutrislice <https://northshore.nutrislice.com/menu/> and stay up-to-date on the latest news on <https://www.mapledale.k12.wi.us/>.

If we can assist in any way, please contact our team at Maritato-meagan@aramark.com or (414) 351-7160.

We can't wait to serve your student(s)!

Best wishes for a successful 2021-22 school year,

Meagan Maritato
Food Service Director
