

Outdoor Greeter

Spring – Fall 2025

OVERVIEW

An Outdoor Greeter is responsible for ushering students into the Student Center for Youth Group. The Outdoor Greeter may have to walk around the WBC campus to locate any students who have not checked in to Youth Group. OGs are expected to be kind, encouraging, positive when welcoming students, and yet firm and deliberate when they are rounding up students who are slow to enter the Student Center.

TIME COMMITMENT: *1 hour*

DESCRIPTION

Under the oversight of the Student Ministry Pastor & WSM Ministry Assistant, the AGGL will be responsible for the following:

- Round up students from around the WBC campus just before the start of Youth Group. Round up begins at 6:10pm and Youth Group begins at 6:15pm.
- Greet students outside as they make their way into the Student Center being sure to make them feel welcomed and help lift their Spirits if they have been forced by a parent to attend.
- Do a final WBC campus sweep looking for any students who have not yet made their way to the Student Center.
 - If students insist that they are allowed to not attend Youth Group, OGs should verify that with a parent or guardian. Otherwise, they must firmly, yet kindly, insist they make their way to the Student Center and then escort them over.
