

**General Summer School Information
Rising 8th Graders
2023**

When will Summer School be offered? Summer School for rising 8th Graders will be offered June 12, 2023, to June 23, 2023. The hours for Summer School will be M - Th 8:00 - 2:30 (Lunch Break - 11:00-11:30), and Friday 8:00 - 11:00. Classes will occur at Cabot Panther Academy (CPA) in person. P.E. Candidates will be directed to attend at one of the CPS Athletic Facilities.

Deadline to Register is Monday, May 29, 2023

What is the curriculum for Summer School? Edmentum online learning will be the curriculum used. Google Classroom will also be an online platform utilized during Summer School. Students work at their own pace and they may finish their course work before June 23rd. Staying current in the course is critical to student success.

What is the Attendance Policy? Students must have access to the internet and their school issued chromebook to participate. Students are expected to meet on-site for all classes with the exception of P.E. and Health (depending upon enrollment). Students who are on track in completing their courses on time may be allowed to miss the Friday morning sessions.

What courses can I take for summer school? English and Math will be the courses offered.

Health and PE may be taken at the same time and can be taken as an accelerated course. Rising 9th Graders who will be moving on to Cabot Freshman Academy are eligible for the Accelerated Courses.

What is the cost? Credit Recovery classes have no cost associated with them. Accelerated courses will be \$75.00 each.
