

The Solon Community Recreation Department, as a part of the local municipality, is a non-profit group dedicated to promoting active lifestyles and increasing community involvement. We currently provide youth sports and activities for children ages 4-11 in Solon and Embden. Our goal is to expand physical fitness opportunities to individuals of all ages in our community and surrounding area.

As directors of the Solon Community Recreation Department, we are reaching out to you to help make a big impact on our community this year. Continued support from businesses is critical to help our organization to continue to operate.

Sponsorships and donations help us budget for many expenses throughout the year, including:

- Purchasing and maintaining equipment and uniforms
- Field and Facility maintenance
- Help afford children the opportunity to participate sports and activities
- Paying our local referees and officials, including high school students getting their first work opportunity
- Funding mini scholarships for local camps

There are a few major benefits of purchasing a sponsorship or making a donation to our organization:

- Sponsorships may include the name of your business on uniforms, recreation fields or facilities
- Recognition in our annual town report
- Recognition of your logo and website link on www.solon.maine.gov and social media
- Tax Deductions

You can visit our website www.solon.maine.gov to donate or learn more about all of our sponsorship packages or send a check to the address below. Please fill out the attached form with your business information and sponsorship amount. Please don't hesitate to contact us if you have questions or comments.
