PLR Audience Emails:

Email 1

Hi [NAME],

Today, I want to introduce you to **the first PLR of its kind**.

Crypto Memes with PLR and Training is a new product from PLR creator Jonny Rose that enables anyone to **get instant authority and credibility in the Crypto niche**, using 100% DFY viral crypto content.

Specifically, Jonny's latest gives you:

- 365 viral Crypto images
- Training on *How to Promote & Profit with Crypto Memes*
- PLR License to brand, edit or repurpose

The viral images come with PLR License that allows you to rebrand, edit or repurpose the assets. Or, you can use them as a bonus, a giveaway, or a lead magnet to build your email list. You can even use them for client work.

>>> Learn more here <<<

Email 2

Hi [NAME],

Ever wanted to break into the Crypto space but didn't know how?

Crypto Memes PLR with Full Training has just been released and it is PERFECT for those of you who need engaging, authoritative content to build an audience of Crypto buyers & enthusiasts.

This PLR pack includes:

- A YEAR of done-for-you content
- Step-by-step training on how to use the content
- Licence rights to edit, rebrand and repurpose

I've never seen PLR as good as this before - it's perfect for getting attention and building personal authority in the Crypto space very quickly.

>>> More details here <<<

Email 3

[NAME],

I'm sure you've seen just how popular Cryptocurrency has become...

...But how can YOU benefit from this phenomenon without Investing (or risking) any of your own income?

Crypto Memes with PLR and Training is an excellent new 100% done-for-you content pack which contains everything you need to get attention and build authority in the Crypto space.

>>> Check it out here <<<<

(Even if you're not intending to enter into the Crypto space right now, this is an excellent investment for you and your business in the future)

Crypto Audience Emails:

Email 1

Here's an incredible ZERO risk way for you to capitalize on the Crypto BOOM.

It's called *Crypto Memes* and this is completely different to anything you've ever seen before in this space.

There's zero investment or trading required...

...And yet this could easily bring in 100-500/day without even trying:

>>> Check it out [HERE](#)

Email 2

Hi [NAME],

I'm about to show you a COMPLETELY original way for you to make BANK from Crypto...

...WITHOUT having to invest a single dime

I guarantee that you'll be impressed when you see what I'm talking about

>>> Go here [NOW](#)

Email 3

[NAME],

This is very important.

In Crypto, there's very rarely a product or offer or platform that is *genuinely* different

and original.

Today, that changes.

I've seen something that is unlike any other crypto product I've ever experienced.

This is the key to success for you - I'm almost 100% sure of it.

>>> Have a look at THIS

And then let me know what you think :)
