

MATERIAL LIST:

Ceramics: Learn to Throw 2: Improving Your Skills with Natalie Waddell

Please keep all purchase receipts in case items need to be returned.

- The material fee includes 20 lbs of Cone 6 stoneware clay, all firings and use of glazes on site. Additional bags of clay are available for purchase at TSA (note: all clay used at TSA, must be purchased from TSA).
- TSA stocks a limited number of high quality basic pottery kits for sale at the front desk. Similar sets can be found at [Tucker's Pottery Supply](#) in Markham or [Pottery Supply House](#) in Oakville. Please note, the ceramic studio has a selection of basic tools available for students to use during class.
- Apron or large towel (clay is messy!)
- Any personal tools or paint brushes you would like to try and use with clay (some suggestions include: stamps, textured cloth/lace, carving tools, detail paint brushes, sculpting tools, etc.)
