Ms. Estes

About Me

I am Aly Estes, and I am so excited to work with your child for the 2026/2027 school year! I am one of three Mild/Moderate Learning Specialists this year. I have a dual degree in K-6 Elementary Education and K-12 Special Education from Grand Canyon University (Go Lopes!). I am also in the process of earning my Master's degree in Autism Spectrum Disorders. In addition to my degree, I am trained in Orton-Gillingham. I started my teaching career at Redstone in 2020, and I've loved every second! Redstone is such a special place, and I can't wait to see your child grow this year!
