GET INVOLVED!

The Unitarian Universalist Church of Fresno is a busy community, with teams, events, activities, worship services, religious exploration for children, adult learning programs, and a variety of other ways to live out our mission. We are one church in many places: both on our Alluvial campus and online, through Zoom, Facebook, and YouTube. Experienced users are available to provide coaching to help with any technical barriers to connecting with our offerings.

Through service and shared leadership, we empower one another, nourish our souls, and deepen our connections. Members, friends, and visitors are all welcome to participate in all aspects of the life of the church. If you would like to know more about getting involved with any of the teams or activities in this booklet, please feel free to reach out to the listed contact people.

If you have questions or if you would like help making connections, please contact Cecily Callahan, Coordinator of Community Life, at 559-322-6146 ext.15 or msc@uufresno.org.

Spiritual Exploration

Chalice Circles

Contact: Karen Polnitz

Coordinator of Congregational Life

559-322-6146 dll@uufresno.org

Chalice Circles offer the gift of spiritual connection. Around us swirls a shallow, frantic and materialistic culture that leaves us cut off from our deepest selves, life's gifts, and needs greater than our own. Chalice Circle groups offer spiritual connection with 8-10 people. Your group will meet with a facilitator two times monthly (October-June). Chalice Circles are small intentionally to allow everyone an opportunity to be involved to their level of comfort.

Social Justice Teams and Projects

IAF (Industry Area Foundation)

IAF is the nation's largest and longest-standing network of local faith and community-based organizations. They have been organizing in various cities/counties since the 1940s. Right now, the Central Valley Team is in the process of forming an official IAF group which includes our UU Church of Fresno IAF team, the teachers' union, El Dorado Park, and others. Any group, nonprofit, church, or organization can join as well.

The reason that most members of our Social Justice (SJ) Team have joined the IAF is that we understand that:

1. We need a large community-based group to influence Fresno politics—larger than simply our church's SJ Team;
2. The IAF has paid staff and stayed in the communities for decades working for positive change;
3. In conjunction with our 8th Principle, we join together with historically marginalized groups working for justice.

If there are questions, concerns, or inquiries, please contact Steve Sacks,
johnsonsacks1@gmail.com

Monthly Social Justice Collections

On the second Sunday of every month our church takes up a collection to support a local nonprofit organization that is working to make the world a better place. Since 2013 we have donated more than \$60,000 to approximately 40 organizations. *To nominate a group, contact Stephen Sacks, johnsonsacks1@gmail.com.*

Prison Ministry

The Holiday Gift Bag Project - For more than two decades, volunteers with The Holiday Gift Bag Project have worked to ensure that women incarcerated in the Central California Women's Facility are not forgotten during the Christmas holiday season. For most of these women, far away from family and friends, and largely forgotten, the most meaningful gift is simply knowing that someone cares. The Holiday Gift Bag Project needs donations and volunteers each fall to assist with sorting donations and packing gift bags.

Contact: Cheyenne Jenvey at livevertically77@gmail.com

Our team supports the inherent worth and dignity of prisoners in the Chowchilla prison through an annual goodie bag collection of personal items, serving more than 3,000 women prisoners annually.

UUCF Afghan Family Resettlement Effort

Contact:

Kathy Boudinot-Johnson

kboudinot@yahoo.com

In 2021, the United States withdrew its troops after two decades in Afghanistan. The Taliban quickly seized control and thousands of Afghans, many of whom worked alongside U.S. forces, were forced to flee their homes. The Department of Homeland Security responded by launching "Operation Allies Welcome" and has partnered with agencies across the U.S. to support vulnerable Afghans. Beginning in January 2022, the Unitarian Universalist Church of Fresno has been part of this effort. We are currently sponsoring a family of six who are in the process of resettling in Fresno. This is a long-term commitment and we are relying on the generosity of our congregation to support this family as they become self-sufficient. Your donation will directly support this family by assisting them with housing costs, internet access and utilities, food and clothing, medical appointments, English language instruction and much more. Please visit the [Give Page](#) to learn how you can contribute to our Resettlement Fund.
