

Get \$175 Referral Bonus on FanDuel in 30 Min (Requires \$10 Deposit)

MUST BE PHYSICALLY PRESENT IN ONTARIO.

FanDuel is a trusted online casino & sports betting platform in Canada & the US. They're currently offering a \$175 sign-up bonus for players in Ontario, and here's how to claim it:

How to Get Your \$175 FanDuel Bonus:

1. **Sign Up** – Use my referral link: <https://fndl.co/9j52szv> (Download the FanDuel app for an easier process.)
2. **Verify Your Account** – Requires a driver's license.
3. **Claim Your First Bonus** – After logging in, you'll see **\$25 in casino funds** in your account.
4. **Deposit \$10** – Use Interac for the fastest deposit (about 5 minutes). Your balance should now be **\$35 (\$25 casino + \$10 deposit)**.
5. **Meet Wagering Requirement** – You must **bet \$35** to unlock the remaining **\$150 referral bonus** because casino funds are used first.
6. **Low-Risk Betting Strategy (Optional)**:
 - Play **Baccarat** and bet equal amounts on **Player** and **Banker** (e.g., \$5 on each).
 - Play **Roulette Classic** and bet equal amounts on **Red** and **Black** (e.g., \$5 on each).
7. **Get \$150 Bonus** – Instantly added after wagering \$35. Your total bonuses are now \$25+\$150 = \$175. Enjoy!

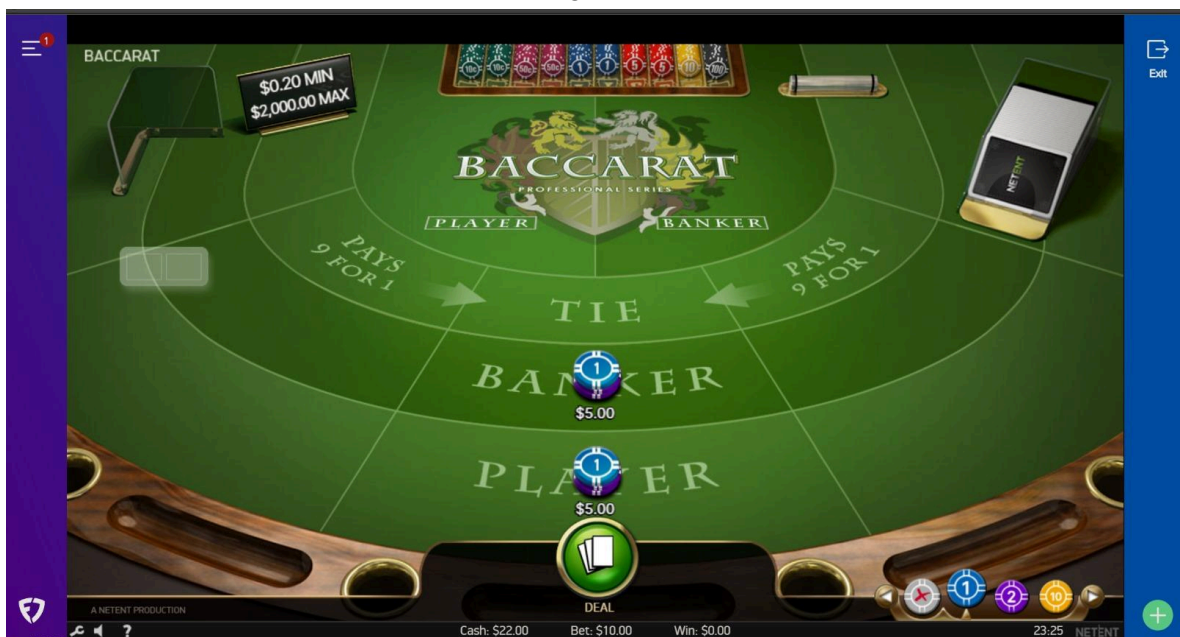

Everything above can be done in the **Casino** section of the app. You don't need to do anything on the Sportsbetting page.

How to bet money without losing it:

1. Search for the game called "Baccarat":

2. Bet equal amounts on the Player and the Banker. As an example, I use \$5 on each in the screenshot below, which totals \$10 being bet. **DO NOT BET ON TIE.**

3. Click the green Deal button.

There are only 3 outcomes to this bet:

1. Player wins: you get back \$10, which is equal to the amount you bet.
2. Tie wins: you still get back \$10, which is equal to the amount you bet.
3. Banker wins: you get back \$9.75, so you only lost 25 cents.
