

2021 03 12 meeting notes

Teleconference link: <https://meet.jit.si/FOSS4GSotMOceania2021>

Attendees

- Jonah Sullivan
- Cenar Kotobalavu
- Kristiana Ciocio
- Adi Luisa Duguivalu
- Mohammad

Apologies:

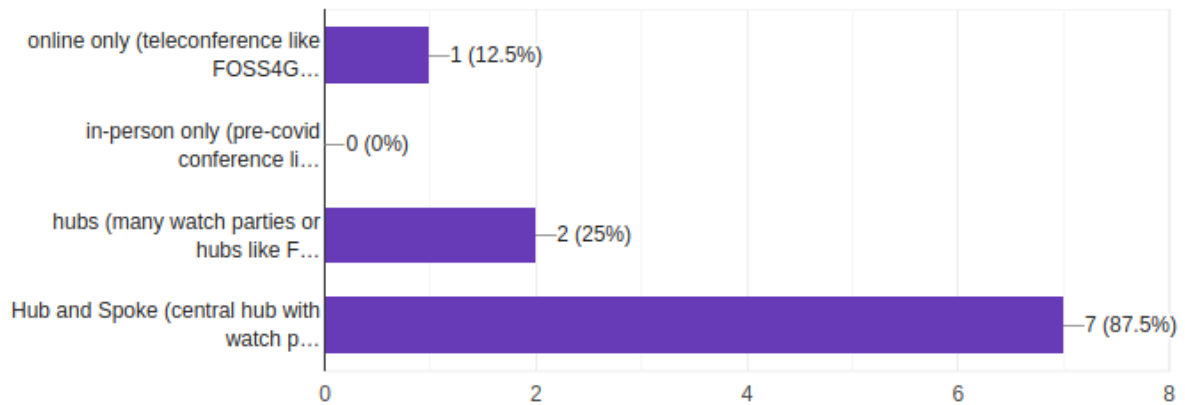

- Greg Lauer
- Tooa Brown

Agenda

- Consider what sort of conference to have
 - Conference Format [Survey Responses](#)
 - Responses are at the end of the document
 - Most people would like to see an in-person central hub
 - International travel to a central hub could be problematic
 - Domestic travel to a satellite hub should be ok
 - Most people would like to see both technical and keynote presentations
- [Conference Google Drive](#)
- Other Geospatial events in November
 - [Dorothy Hill Women in Earth and Environmental Sciences Symposium 2021](#)
 - Brisbane, Australia
 - 15-17 Nov 2021
 - [PGRSC Conference](#)
 - Port Vila, Vanuatu
 - TBD in November

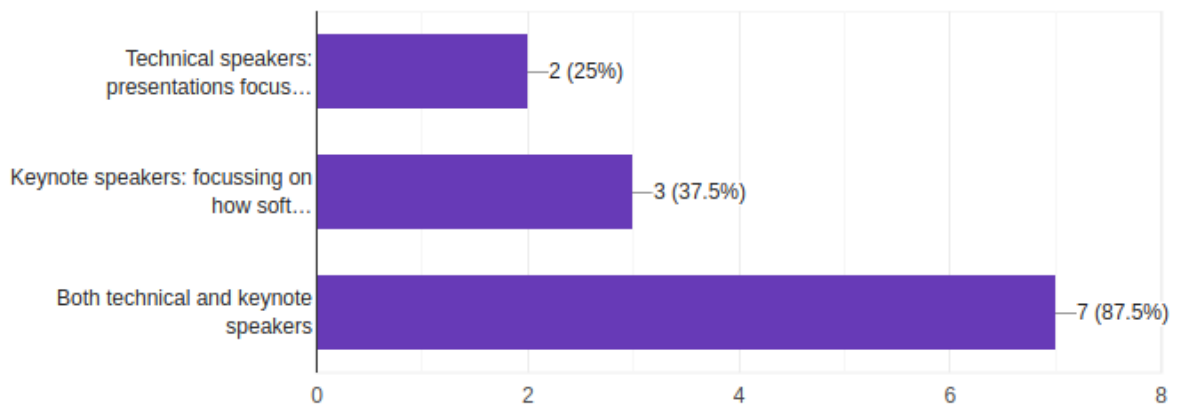

Conference Format

Conference Content

8 responses

Do you think you will be able to travel to a central hub in November (it might be in a different country)?

8 responses

Do you think you will be able to travel to a local hub in November (it might be in a different state/region)?
