

RRGSD Remote Instruction Learning Plan

Dates: WEEK 4 : September 7th, 2020 - September 11th, 2020

Statement of Goals and Objectives: <i>(Learning Targets in Student & Parent-Friendly Language)</i>	Students will be able to: • Create an equation or inequality and interpret reasonable solutions in context. • Students should be able to understand functions as a correspondence between inputs and outputs. • Solve linear inequalities in one variable • Find slope of a line • Graph inequality solutions
Topic(s)/Concept & NC Standard Course of Study: <i>Topic(s)/Concept and the correlating content standards addressed)</i>	• NC.M1.A-REI.12: Represent the solutions of a linear inequality or a system of linear inequalities graphically as a region of the plane. • NC.M1.A-REI.3: Solve linear equations and inequalities in one variable. • NC.M1.A-CED.1: Create equations that describe numbers or relationships. Create equations and inequalities in one variable that represent linear, exponential, and quadratic relationships and use them to solve problems.
Social-Emotional Focus	

Daily Agenda: Including assignments and due dates **All assignments are due on due date by midnight!****ALL RESOURCES/VIDEOS CAN BE FOUND IN GOOGLE CLASSROOM UNDER WEEK 4 TOPIC TAB!**

Date:	Virtual/Remote	Check-In Times for Virtual:
Monday	Literal Equations Video Posted to watch and assignment	• No Live Meets Hoilday
Tuesday	Inequalities Graphing/Solving Graph and Solve 1,2, and multi-step inequalities Recorded video to watch then corresponding assignment Day 2 Week 4 Assignment	• 10am-12pm OFFICE HOURS for one-on-one
Wednesday	Linear Inequalities/ Compound Inequalities Watch recorded video and complete practice assignment	• 10am-12pm OFFICE HOURS for one-on-one
Thursday	Linear equations including slope of a line, finding slope, and slope word problems. Focus will be on word problems	• 9:00am-10:00am LIVE MEET

Teacher Name: Sierra Hearp-Jordan

Subject: Math I

	Complete google form on word problems Day 4 Week 4 assignment GOOGLE Live at 9am	10am-12pm OFFICE HOURS
Friday	Watch recorded video found on google classroom Point Slope and Standard Form Day 5 Week 4 Assignment/quiz	OFFICE HOURS 10am-12pm

Assessment:

How will I be assessing my students throughout this week?

Formative Assessment(s)	Quizzes, LiveWorksheets,Mastery Connect
Summative Assessment(s)	Masteryconnect, Assessment,Edulastic
How will I know my students have mastered the content from this week?	By reviewing the data from the quizzes and tests that were assigned I will be able to tell mastery/non mastery

Additional Resources:

If a student needs additional support, below are resources that will assist with the material being taught.

Topic/Concept	Website/Location resource can be found
Math 1	Khan Academy Symbaloo (on google classroom under resources) Teacher recorded videos on google classroom
