Option 1: Promo Phase

Raise your hand if you've ever felt any of the following at your nonprofit workplace 🙋:

- 😓 Stressed
- 👤 All on your own
- 🚀 Like you are constantly operating at top speed

My guess is that you've felt a bit (ok, a lot) of all 3 - especially if you are a fundraiser.

That's why I joined up to present at The Raise More Together Summit on January 27-29th. So that you can kick off 2021 with support and fundraising information.

Get this: it's FREE 🎉

Over three days 55+ presenters will cover topics ranging from money mindset, to corporate sponsors, to monthly giving programs and virtual events.

I'll be teaching on (insert your presentation topic) 👍

Option 1:

One thing I wish I would have learned earlier in my nonprofit career is the importance of building my professional friendship group - or pro bffs as I like to call them. 🐱🐱

Especially when it comes to fundraising.

In fundraising - you need people who get it. People who have experience asking for money and yes...sometimes hearing no 😞.

That's why I've teamed up with over 55+ fundraising experts (and soon-to-be-bffs) at The Raise More Together Summit happening Jan 27-29th!

Together, we are coming together across presentations, live panel discussions, networking, happy hour events, hot seat coaching, FB live Q&As and more! 🌟

Best part? The summit is FREE to attend 🎉🎊

Check out the link in my bio to save your seat. I'll be looking for you!

Option 2:

You know what is fun?

Hanging out with hundreds of other nonprofit pros all ready to take 2021 to the next level.

If you are wanting to:

- ✍️ Re-write your fundraising future
- 👍 Work smarter not harder
- 💡 Learn some cutting edge strategies that your nonprofit can implement tomorrow
- 🤝 Make a new friend or accountability partner

...Then come join me at The Raise More Together Summit where I'll be teaching on (insert your presentation topic here) that kicks off this Wednesday, January 27th.

I hope to see you there! #linkinbio
