All authors have approved the final version of the text.

I further confirm that:

- The manuscript in question is original, unpublished, and has not been submitted to any other journal, nor will it be while under review by *Revista Desenvolvimento em Questão*.
- The manuscript has not been published in whole or in part in any other medium and does not substantially resemble any other work by myself or third parties.

All data presented in the article are legitimate and authentic.

- The authors actively contributed to the conception of this work, assuming full responsibility for its content. We have not omitted any financial ties or agreements between the authors and companies that may have an interest in the publication of this article. All individuals who contributed to this study but did not qualify for authorship have been duly acknowledged in the acknowledgments section with written authorization from the mentioned authors.
- Any conflict of interest has been disclosed, and any financial support received for this research has been properly disclosed and acknowledged.
- The authors agree to serve as reviewers in the manuscript review process when requested by the Journal.
- I declare that all ethical research principles involving human subjects were strictly followed in accordance with CNS Resolution No. 466, dated December 12, 2012 (Ethics in Research Involving Human Beings) and CNS Resolution No. 510, dated April 7, 2016 (Ethics in Research in Human and Social Sciences).
- The data presented in the article are not the result of scientific misconduct, including fabrication of data, misuse of third-party materials (such as tables, graphs, charts, figures, scales, drawings, instruments, questionnaires, methodology validations, and other illustrations), plagiarism, self-plagiarism, or duplication. I declare myself as the sole author and copyright owner. If the article contains third-party material, I confirm that I obtained prior permission for its reproduction, avoiding any infringement of third-party copyrights or intellectual property, in accordance with Law No. 9,610/98.
- I fully agree with the Public Access and Copyright Policy adopted by *Revista Desenvolvimento em Questão*, which uses the Creative Commons License – CC BY. This license allows others to distribute, remix, adapt, and build upon my work, including for commercial purposes, provided that proper credit is given to

the original creation. Thus, I grant the Journal the right to make the first publication of this work with appropriate authorship recognition.

- I agree with the PRE-PROOF publication of the article. That is, after acceptance, the article may be published in its unedited version (without revision and layout). After the review and layout by Editora Unijuí, the authors commit to making the requested changes for publication in its final version.
