Things to consider:

- If you study a Language in Year 9 and / or Year 10, you must write your name in both Semester 1 and Semester 2 columns.
- Completing a Year 9 and 10 languages program will give you credit towards 1 elective unit in Year 10.
- VCE and VET subjects are available for Year 10 students. An **acceleration form** needs to be completed before you will be considered to undertake a VCE subject. (This must be collected and returned to the Pathways Office.)
- VCE and VET subjects run for the whole year, so you will need to indicate that in both Semester 1 and Semester 2 columns.
